EXCITING RACE AT AUDITORIUM

Speed and Thrills Furnished by Fast Field of Roller Skaters.

SALT LAKE TEAM IN LEAD.

Killing Pace Set by Local Speedsters Cause Outside Teams to Lose Considerable Distance.

Those who like plenty of excitement and exhibitions of speed who attended the Auditorium rink last night certainly got their fill in witnessing the first half hour's racing in the six-day team race on roller skates.

At the end of the 30 minutes fast sprinting the teams stood as follows:

Salt Lake, Schatz and Hardy, 9 miles and 8 laps.

Logan, Green and Scofield, 9 miles and 8 laps.

Butte, Renyolds and Bradford, 9 miles and 7 laps.

Denver, Waters and Burt, 9 miles and 6 laps.

The Logan team, while tied with the locals for actual distance covered, will start tonight half a lap to the bad as the team was penalized by the judges because Scofield fouled Schatz, sending him spinning across the floor and against the railing on the east side of the big pavilion. The Butte team was also set back half a lap because Reynolds fouled Waters of Denver. Raymond Green, who was to race with his brother "Banty," was taken ill and had to pull out of the race. Scofield was substituted and aside from the fouling did good work.

Excitement ran at a high pitch from the crack of the gun. Each team received applause in plenty when they were introduced by Judge C. B. Diehl. On the start Bradford of Butte jumped in the lead with Green, Hardy and Burt close after him. Young Green then took a jump to the front but the front position was taken by Salt Lake when the speedy Schatz relieved Hardy. The fast pace seemed to demoralize the Denver boys and soon told on the speedy team from Butte. In the third mile and seventh lap the Denver boys were passed for the first time and again on the sixth mile and fourth lap, while the fast Butte team lost a lap in the fourth mile and second lap.

The fastest mile made was in the sixth which was won by Schatz in the good time of 2:48.

The Butte team did splendid work in changing positions as also did Schatz and Hardy. Fortunately for the Salt Lake team, just as Schatz was sent whirling to the floor Hardy was speeding to take his place and by as pretty a sprint as one would wish to see soon caught the leaders. The fall seemed to anger Schatz and he determined to show the bunch real running on the little wheels. When he took Hardy's place again he made a jump and set a pace that simply out-distanced his competitors.

Partisan feeling began to run high and the judges were pleaded with and commanded to do all sorts of things to various members of the teams.

The second half-hour starts tonight at 9 o'clock. The Butte boys say they are not worrying over the lost distance as the race has only started and a great many things might happen before it is half over with. The course was 14 laps to the mile while they have been used to a 12-lap track. The race promises to be one of the best ever held in the city.

SPORTING NOTES.

There is quite a contrast in some of the six-day racers. Reynolds is 49 years old, while Green of Logan, is but 16, and Schatz of Salt Lake 18. Green is about knee high to a grasshopper while Waters of Denver is a six-footer.

Down at Provo the youngsters have organized a baseball team known as the Star Juniors. The lineup is as follows: Andrew Peterson, l. f.; Charles Jones, c. f.; Alma Jones, r. f.; Clyde Williams, 1 b.; Spen Snow, s. s.; Louis Clark, 2 b.; Joseph Bailey, 3 b.; Clarence Peterson, p.; Albert Anderson, c. Subs: Ray Ellison, Jim Ellison, Reese, Jenkins.

L. D. S. U. students are boosting for all they are worth to make the coming class track meet at Wandamere a big success. Some time during the week the selection of recruits for the team will be made. Taylor, who has charge of the baseball team, will also look after the interests of the track athletes. The winning team will be presented with a handsome pennant.

Ely Lake, Ontario, April 1.—Jack Munroe of pugilistic fame, who has been living in a mining camp here and for some time working as a miner, was Saturday elected mayor of Elk Lake by a two-thirds majority. Munroe and the successful candidates on his ticket were banqueted at the close of the polls by a committee of citizens.

At 2 o'clock next Sunday there will be a meeting of the Utah State Baseball league. It has been called by President Tobin and he requests that representatives of teams desiring membership in the organization be at his office in the Judge building at the time indicated. Tobin says there is plenty of interest in the league and enough teams already have made applications to make the organization a success. The directors of last year's league are requested to be on hand.

AUTOMOBILE NEWS.

Only a short time ago 85 miles an hour was considered a miracle of speed for an automobile weighing a ton and having engines of 100 horsepower, but in the speed events on the beach at Daytona, Florida, Walter Georke, a Brooklyn boy, has more than equaled this speed for a distance of five miles on a little motorcycle of but 7 horsepower, and less than one-tenth the weight of its big relative, his time for the distance being 3:30 1-5. This not only breaks all world's records but eclipses the time made by a foreign freak machine of double the power of the American machine which accomplished this feat.

In addition to this the Brooklyn boy set a record of 60 miles in 48 24, while Robert Stubbs, Birmingham, Ala., put the mile record at 43 2-5 seconds.

All of these records were made on the American built Indian machine, and are interesting in comparison with foreign performances. The English records are as follows: One mile, 46 1-5 seconds; five miles, 4:58 3-5 and for the hour, 69 miles, 1,580 yards. These were all by machines approximately the same as the American, but on the continent the record making machines have mostly been freaks of from 10 to 20 horsepower; still, with all their excessive power they have made but a very ordinary showing for the continental mile record is but 56 2-5 seconds, and the hour shows but 62 miles, 1,674 yards.

The motorcycle race track which the veteran bicycle rider and race promoter, Jack Prince, has just completed at Los Angeles, is developing a speed in the little two-wheeled motor vehicles which few people ever anticipated. On the opening day world's records were broken in every event but one and all times from one to five miles were reduced to a remarkable extent. Jake De Rosier, the professional, rode a mile exhibition against time at the phenomenal speed of 79 miles an hour; and in a five mile race he maintained an average speed of over 72 miles an hour. Considering the size of the respective machines this performance by a seven horsepower motorcycle shows an efficiency never yet attained in an automobile.

This track is three and one-third laps to the mile, which would make it considerably slower than the great Brooklands track in England, which has a circuit of two and a half miles, scientifically banked for a speed of over a hundred miles an hour.

WALSH AFTER WESTON.

New Haven, Conn., April 6.—If Sergt. John Walsh, U. S. A., makes good the veteran pedestrian, Edward Payson Weston had best keep up a brisk pace lest he be overtaken on the route. Walsh, who is walking from Boston to San Francisco, passed through here last evening and declares that he means to overtake and precede Weston. He is 57 years old and last September completed his journey on foot from the Pacific coast to Boston. He made the trip in 73 days and won a $5,000 wager. Walsh dresses in Kahki coat, carries a knapsack over his shoulder and swings a blackthorn stick as he travels.

FLORIDA MAN WANTED TO KNOW THE TRUTH

Put Cooper's Claim to a Test and Proved Its Genuineness.

The theory of L. T. Cooper that most of the ills of mankind emanate from the stomach, and that it is only necessary to restore that organ to normal condition in order to enjoy good health, is rapidly being accepted as correct by people in all parts of the country. His further claim that his New Discovery medicine will effect this change quickly and permanently is supported by a vast army of followers.

One of those to put the Cooper theory and medicine to a test is F. W. Ross, living at 205 Irvine street, Orlando, Fla., and an honored resident of that community. Mr. Ross has made a statement for publication with reference to the result of his experiment, in which he says:

"For the past ten years I have been unable to do any work, and on numerous occasions when I tried to work, I became ill from exhaustion. I had little or no appetite, and the small amount of food I did eat distressed me. My digestion was bad, my bowels in a miserable condition. I was nervous, weak, tired and worn out all the time. I could not sleep well, and would arise in the morning feeling all worn out. I tried numerous remedies, but instead of getting better, I continued to decline, and felt that it would not be long until I would end my misery in the grave.

"Several months ago I read about the Cooper remedies and was so impressed that I went to my druggist's and bought a bottle of the New Discovery medicine. I immediately noticed a beneficial effect, and continued the treatment. It thoroughly cleansed my bowels, made my stomach feel easier, and I began to get some strength.

"In a little while I developed a splendid appetite, and found that I could eat anything I cared for without suffering any ill effects afterward—my digestion was perfect. My sleep became sound, restful and refreshing. As I gained in strength I began to work again, and found I could do considerable without becoming exhausted.

"In two months' time I was a well man. I can do as hard work as ever, and have virtually taken a new lease of life. I make this statement in grateful appreciation of the benefits I have derived from the Cooper medicine, for I honestly believe I owe my life to its marvelous curative properties."

Cooper's New Discovery is sold by all druggists everywhere. A sample bottle sent free upon request by addressing The Cooper Medicine Company, Dayton, Ohio.

PERFECT CONFIDENCE

Salt Lake City People Have Good Reason for Complete Reliance

Do you know how—
To find quick relief from backache;
To correct distressing urinary ills;
To surely cure sick kidneys?
Just one way—your neighbors know;
Have used Doan's Kidney Pills;
Have proved their worth in many tests.

Here's Salt Lake City testimony.

Mrs. A. Clark, living at 367 west First South street, Salt Lake City, Utah, says: "A friend spoke so highly of Doan's Kidney Pills that I decided to give them a trial. I was suffering at the time from severe backache and my kidneys also being in a disordered condition, I was never laid up with the trouble, but was unable to do any work. I began using Doan's Kidney Pills, procured at the F. J. Hill Drug Co., and they cured the backache so that I have not had a symptom of the trouble since." (From statement given July 15, 1906.)

A LASTING CURE.

On Sept. 19, 1907, Mrs. Clark confirmed her previous statement, when she said: "Doan's Kidney Pills cured me of kidney trouble in 1905, and it gives me pleasure to state that I have not had any recurrence of the trouble since. I am glad to confirm the statement I previously gave in favor of Doan's Kidney Pills."

ANOTHER WALKER.

Chicago, April 6.—Walking on an average of 50 miles a day, George Kufer, a New York pedestrian, has arrived here from New York and plans leaving immediately on a return walk. Kufer made the trip to win a purse offered by the Shamrock Athletic club of New York. He covered the distance in 60 days, 30 days of actual walking time, and is apparently in good condition.

OLD TIME MATCH CAUSES BROKEN LEG

Chicago, April 6.—As a result of reminding William E. Keevan, an ancient schoolmate, of an unfinished wrestling match of 25 years ago, William Weaver, 67 years old, is at the hospital nursing a fractured leg.

Mention of the old-time bout, which had been interrupted by the teacher, spurred Keevan to take off his coat and the contest was renewed. Both men are plumbers and possessed of great physical strength. They had wrestled in an open lot but five minutes when Keevan secured a half Nelson and threw his opponent heavily.

Weaver's right leg became twisted in some way so the bone snapped just above the ankle. Friends of both men were present and one of them notified the police. The latter removed Weaver to a hospital and took the victor of the bout to the station. Weaver told the police that the injury was the result of an accident and he did not hold his friend responsible, so Keevan was released. He went promptly to the hospital where he shook hands with the victim.

"This broken leg settles my wrestling, and as you won the fall fair and square I guess you're the champion," said Weaver to Keevan.

NOME-CANDLE CREEK DOG RACE IS FAST

Seattle, Wash., April 6.—A special cable from Nome states that the Nome-Candle Creek dog race, promoted by the Nome Kennell club, and upon which hundreds of thousands of dollars were wagered, was won by Berger's teams, Nos. 1 and 2, driven by Scotty Allen and Percy Blatchford, respectively. They secured first and second as named. Berger wins the purse of $11,000 in gold and will hold for a year the handsome Suter trophy hung up for the All-Alaska sweepstake.

The distance was 412 miles and the winner's time 82 hours and two minutes. The second team was 17 minutes behind the first.

Fink's Siberian dogs, upon whose success $100,000 was wagered, became snow-blind and finished third.

There were 14 teams in the race, which began last Thursday. The course was lined with enthusiastic citizens, most of whom closed their places of business during the progress of the contest.

The start was made in a blizzard and the temperature ranged from 10 to 20 degrees below zero. The winners broke last year's record by about 24 hours.

SCHEDULE CLIPPED TO FIVE TRACKS

New York, April 6.—Besides failing to announce dates for any autumn meeting it is noted that the stewards of the Jockey club in making public the racing dates for the summer, yesterday made no mention of the sport at Jamaica, Aqueduct or Brighton Beach. This clips the schedule to five tracks—Belmont Park, Gravesend, Sheepshead Bay, Empire City and Saratoga. It was generally understood that the Brighton Beach track had been abandoned and cut up into building lots, but just why no announcement was made concerning the other two has not been explained. A great deal depends, however, on the success of the early meets and dates may be arranged later at both Jamaica and Aqueduct if conditions warrant.

ON THE RACE TRACK.

At Oakland.

Oakland, April 5.—Yankee Daughter, a 15-to-1 chance, was one of the outsiders to win at Emeryville today. The price against her was very liberal in view of recent good races, and she proved a clever winner over Toll Box and Hush Money. Fire ran away before the two-year-old race, injuring any chances he may have had. The event went to Pretend, an outsider. Little Siss was one of the favorites to win. Results:

First race, six furlongs, selling—Little Siss, 106, Taplin, 15 to 10, won; Knight Deck, 115, Deverich, 11 to 5, second; Birth, 113, Walsh, 16 to 1, third. Time—1:14 3-5. Otego, Hoyle, Rosevale, Mozart, Flying Dance, No Rule, Fredonia and Deviser finished as named.

Second race, four furlongs, purse—Pretend, 109, Clark, 9 to 1, won; Olathe, 109, Gross, 12 to 5, second; Lapanick, 112, McBride, 10 to 1, third. Time—49 1-5. Old Rose, Sixteen, Harry Groths, Oswald B., Eddie Graney, Warfare, Basel and Fire finished as named.

Third race, mile and twenty yards, selling—Niblick, 109, Scoville, 7 to 1, won; Ed Davis, 108, Kirschbaum, 30 to 1, second; Ramposal, 107, Mentry, 14 to 5, third. Time—1:43 2-5. Rosaclare, Smiley Metzner, Yakima Belle, My Bouquet, Mabel Hollander, Wap Eckersall and Patriotic finished as named.

Fourth race, mile and twenty yards, selling—Yankee Daughter, 97, Upton, 15 to 1, won; Toll Box, 95, Deverich, 12 to 1, second; Hush Money, 106, Borel, 15 to 1, third. Time—1:43 2-5. Early Tide, St. Avon, El Picaro, Moorish King, Erbet, Woolen and Steel finished as named.

Fifth race, mile and a quarter, selling—Fantastic, 108, Buxton, 11 to 5, won; High Gun, 106, Coburn, 6 to 5, second; Lagutea, 110, Cotton, 25 to 1, third. Time—2:08. A. Muskoday, Coopers, Mattie Mack, Elevation, Jacomo, Henry O., Lady Alicia and Veterans also ran.

Sixth race, five and a half furlongs, selling—Tony Faust, 109, Burns, 10 to 1, won; Avon, Desirous, 96, Glass, 7 to 1, second; Sewell, 109, Mentry, 12 to 1, third. Time—1:07 2-5. Silver Stocking, Madman, Prince Gal, strike out, Workbox and John H. Sheehan finished as named.

At Los Angeles.

Los Angeles, April 5.—F. T. Chinn, the Kentucky turfman, had the distinction of winning three races at Santa Anita this afternoon—Pretension in the first, the Golden Butterfly in the second and Prometheus in the fifth race were the horses to carry the Chinn colors to victory.

Jockey Preston rode all three winners, and the victory of Prometheus was due solely to his vigorous ride.

Petro took the mile race handily, with Frank Flittner second and Livius a distant third.

Owners J. J. Walsh, W. S. House and W. Gabriel have decided to retire from the turf and will sell their horses at auction next Saturday.

First race, selling, seven furlongs—Pretension, 111, Preston, 11 to 5, won; Redondo, 111, Musgrave, 3 to 1, second; Velma C., 106, J. Howard, 15 to 1, third. Time—1:28 2-5. Dredger, Hannibal Bey, Josie S., Gentle Harry, Koreslany, Bud Embry, Cymbal, Lee Harrison II, The Thron and Day Star also ran.

Second race, two-year-olds, four and a half furlongs, selling—The Golden Butterfly, 108, Preston, 5 to 5, won; Lady Farel, 107, Archibald, 20 to 1, second; Severa, 108, J. Brooks, 20 to 1, third. Time—:54 1-5. Genoa, Dora Paine, Domithilda and Chameleon Girl also ran.

Third race, selling, one mile—Snohn, 108, J. Howard, 16 to 5, won; Barney Oldfield, 109, Archibald, 7 to 1, second; Bishra, 107, Russell, 7 to 1, third. Time—1:38 4-5. Star Thistle, Black Mate, Hazil, Duke of Bridgewater, Lucky Lad, Maid of Gotham and Desonmnets also ran.

Fourth race, purse, one mile—Pedro, 107, Pass, even, won; Frank Flitter, 110, Musgrave, 9 to 10, second; Livius, 110, Reitig, 10 to 1, third. Time—1:39. I Told You also ran.

Fifth race, selling, five and a half furlongs—Prometheus, 112, Preston, 4 to 1, won; Canardo, 113, Palms, 7 to 1, second; Chippewa, 108, Musgrave, 16 to 1, third. Time—1:07 1-5. Sly Ben, Wildwood Bill, Hamras, Cull Molland, Tea Set, Vibrate, Nigger Force, Aunt Aggie and Lady Quality also ran.

Sixth race, seven and a half furlongs, selling—Middling Hannah, 107, Sweet 5 to 1, won; Elizabeth Harwood, 108, Page, 5 to 1, second; Stringency, 111, Shilling, 9 to 1, third. Time—1:19 1-5. Marchese, Fundamental, Sainpoest, Gerrymander, Chilla, Procla, Maurelasia, Beelek Shandale and Madeline Musgrave also ran.

Seventh race, selling, mile and an eighth—Third Rail, 106, Musgrave, 15 to 1, won; Alma Boy, 108, Archibald, 5 to 2, second; Land Piper, 92, Russell, 5 to 1, third. Time—1:42 2-5. Silver Line, Critic, Molesy and Albert Star also ran.

WHITNEY'S HORSE WINS.

Nottingham, England, April 5.—The Littlejohn plate of 200 sovereigns for 2-year-olds, distance four furlongs, was won today by H. P. Whitney's Oversight, ridden by J. H. Martin. Salve was second and Dove Cot third. Twenty-two horses started.

Oversight's victory was the first success this season of American horses.

The Elvaston Castle selling plate of 103 sovereigns for all ages, five furlongs, was won by Stillingfleet. Saint d'Amour was second and Prelude third. Eight horses ran, among them Mr. Whitney's Queen of Hearts.

BETTING SYSTEM FOR COMING MEET

The Los Angeles Examiner says:

The New York style of betting will prevail in connection with the forthcoming spring meeting of the Utah Jockey club at the fair grounds course. The slates and the boxes will disappear, but the tickets will be retained. The bookmakers will sit on stools with the clerks huddled about them after the manner of the system in vogue in New York under the Percy-Grey law. President W. H. Gleason believes in smoothing off the rough edges of the game, and as all close students of the turf in the west well know, the "slates" and the blatant money display of the box system has done not a little to prejudice public sentiment against the sport, especially in Chicago and at San Francisco.

The turf in Utah has a splendid future before it, but it must be built up along wholesome sentimental and substantial business lines. This Mr. Gleason and his confreres fully understand. In sympathy with this idea it is also proposed to race five days a week, giving each Friday to the 5,000 professional racing people to stir about the city's shops and to enjoy the various charming side trips of the Utah metropolis. This point will be decided upon early in May. Of course, this will in nowise curtail the already advertised length of the meeting. The Utah Jockey club will race 40 days commencing May 22, with a 20-day meeting in the autumn.

Racing will be inaugurated in this city under the most favorable circumstances. The town wants a high class meeting, most everybody feeling a desire for the bustle and brisk boom which invariably follows along with the thoroughbreds. The races will attract quite 25,000 strangers during the 40 days of the sport. The racing colony which will stay from the beginning to the end of the meeting will number 2,000 free money spending sports. Salt Lake has had "fly-by-night" racing before, but never warmed to it. This will be the first meeting of any class ever attempted here.

Why the writer of the above finds fault with W. M. Murtay it is difficult to imagine but he says:

The projected "bushwhacking" 20-day meeting at Wandamere park to commence May 1 is being discountenanced by the well wishers of racing and the friends of the Utah Jockey club.

With the closedown of racing in California and at Seattle about 1,500 horses and 3,000 professional turfites are left with no other place to turn to but Salt Lake. Near the end of the local meeting, or to be exact on June 25, the Butte meeting opens.

DUGAN RULED OFF.

New York, April 1.5—"Eddie" Dugan, the jockey, is back in New York after having failed to procure in England a jockey's license. He went abroad hoping to ride for Harry Payne Whitney. The license was refused, it is understood, because of Dugan's record in this country as a rough and foul rider. His standing in America is to be considered at a meeting of the Jockey club license committee here. If he is placed on good footing on the eastern turf, it is expected that he will make application again in England.

FRENCH BOAT FIRST.

Monte Carlo, April 5.—The motor boat race held here today for boats of the cruiser type, was won by a French entry. No Americans competed. The German boat, the Prinz Heinrich, sank. The crew was rescued. The $2,000 prize for racing boats was captured this afternoon by Wolseley-Siddeley, owned by the Duke of Westminster. Panhard was second and Dixie II, one of the American boats, third. The distance was 31.06 miles, and it was covered by the winner in 49 minutes 6 seconds.

SWEPT OVER NIAGARA.

This terrible calamity often happens because a careless boatman ignores the river's warnings—growing ripples and faster current—Nature's warnings are kind. That dull pain or ache in the back warns you the Kidneys need attention if you would escape fatal maladies—Dropsy, Diabetes or Bright's disease. Take Electric Bitters at once and see Backache fly and all your best feelings return. "After long suffering from weak kidneys and lame back, one $1.00 bottle wholly cured me," writes J. R. Blankenship, of Belk, Tenn. Only 50c at Z. C. M. I. Drug Dept., 112-114 So. Main St., Salt Lake City.

PRIMARY OFFICERS' MEETING.

There will be a meeting for stake and local officers held in the Eighteenth ward hall on Saturday, April 3, at 2 p. m. All interested in Primary work are invited to be present.

BELL COMPANY TO SHOW PLANT

A special invitation has been issued by the Rocky Mountain Bell Telephone Company to Conference visitors to inspect the Company's building and plant at No. 56 State street when in Salt Lake. Guides will be ready between the hours of 10 o'clock a. m. and 5 o'clock p. m. to conduct visitors through the building and explain the apparatus. All visitors will be welcomed between the hours named. A visit to the plant, which is the largest and best in the inter-mountain country, will prove interesting. Visitors will have an opportunity to see the big new switchboard in service with the operators at work.
