"ON TO MANILA!"

In Honor of the Return of the Utah Volunteers,

The Deseret News has had printed in San Francisco a beautiful portfolio in high art style, giving the history of the war in the Philippines, and especially detailing the achievements of the Utah batteries. All the pictures are in half tone. Separate pages are devoted to the IDAHO and WYOMING regiments. The complete roster of the volunteers from all three States is given, and the Manila campaign fully and accurately described.

"On to Manila" is the work of the noted correspondent Douglas White, who was on the fighting line with the Utah boys and whose pictures were taken on the spot. Everyone in Utah will want a copy of "On to Manila" as a souvenir of the return of our boys and as a work of historical reference for the future.
