DESERET EVENING NEWS.

WEDNESDAY, - September 20, 1893.

FRAGMENTS.

UTAH passenger traffic to the World's Fair is still very heavy and the railroad officials are accordingly happy.

A LARGE number of Utah students have gone East the last few days to attend noted educational institutions. Others will leave next week. Orders are being taken covering periods of from two to seven years.

COMMISSIONER KARRICK says that he has his city taken measures in the near future for extending surplus water rates, he will join with the commissioner in compelling it to do so. He announces the resolution as an outrage.

MARRIAGE licenses were issued this morning by Deputy County Clerk Jack to John William Spendlove, 25, and Mary Ann Jackson, 19, both of Salt Lake; G. P. Gunn, 45, of Independence, Cassia Co., and Kjirsten Larsen, 35, of Salt Lake; Chas. T. Cooper, 23, and Minnie R. Schwalt, 19, both of Salt Lake.

Temple Notice.

The Salt Lake Temple will suspend ordinance work from and including Saturday, September 30th, 1893, and reopen on Tuesday, October 17th. Monday (October 9th) will be the usual day for taking record for baptisms.

LORENZO SNOW,
President Salt Lake Temple.

Temple Notice.

The Manti Temple will close for ordinance work on Monday, October 2nd, and reopen on Tuesday, October 10th, 1893. Records for baptisms will be taken on Monday, October 9th, as usual. JOHN D. MCALLISTER,
President of Manti Temple.

Logan Temple.

The Temple at Logan City will close on Saturday, September 30, and will reopen on Tuesday, October 10, 1893. M. W. MERRILL,
President.

Card from the Choir Committee.

The committee appointed by the choir to express its obligations to those who aided in the success of the recent trip regret that in the haste of preparing the resolutions published several names were inadvertently omitted. Prominent among these are Bishop H. B. Clawson, who labored so successfully on the transportation committee and in the business management, and who personally obtained many valuable courtesies for the choir. To Bishop W. B. Preston, head of the general committee of arrangements, to whom we are indebted for help and encouragement from the start; to Hon. L. J. Nuttall, treasurer, and to Messrs. Watts, Raiciffe, Pederson and son, Easton, Pryer, Robinson, Ensign and the Christensen Brothers; also to Mesdames Pugsley, Allison, Thomas and Edwards, who sacrificed their services for the concerts en route and aided us to accomplish the artistic and financial results obtained. To all we express our deep and lasting gratitude.

E. H. PRINCE,
T. C. GROOM,
W. H. FOSTER,
THOMAS HULL,
Committee for the Salt Lake Tabernacle Choir.

MUNICIPAL MATTERS.

More Communications from Le Sueur, the Sub-Contractor.

INSPECTOR CARLISLE'S DISCHARGE

Statements Showing Amounts Due Property Owners in Sidewalk Districts No. 7 and 8.

The City Council met last night, Pollard, having just returned from Chicago, was chosen president pro tem. All the members were present.

THE PROCEEDINGS.

ARBITER OF SIDEWALKS.

MR. W. V. LE SUEUR sent in another communication in which he said that the Culmer-Jennings Paving company owes him $14,000, and that they had refused to furnish him with gravel and rock as they had agreed to. Hence he asked that the city appropriate $2500 to him to apply on material received, and for the payment of his employes in order that he might finish his contract before cold weather sets in. Laid on the table temporarily.

FIREMEN'S INVITATION.

An invitation from the Veteran Volunteer firemen and regular paid fire department for the Council to participate in the entertainment to be given to the Pacific Slope Veteran firemen on Thursday, the 21st inst., was received with thanks.

SPRINKLING TAX REMISSION.

Mary C. Whitney asked remission of street sprinkling tax on North Temple street on account of such street being torn up and unsprinkled all season. Committee on sprinkling.

WITHIN TEN DAYS.

H. G. Whitney, on behalf of the property owners on North Temple street, between State and East Temple streets, asked that the track of the Rapid Transit company be ordered moved to the center of the street, graded, and the company ordered to move the track within ten days.

PRIVATE WATERPIPE.

William Gilbert asked that he be allowed to lay a four-inch pipe to connect with the present system of water works, on the following street: 222 feet on Emma street, and 140 feet on Seventh South street in Williams' addition across the Jordan river, as he has repelled the bill due of same with the assessor and collector of special taxes. Granted.

CARLISLE'S DISCHARGE.

S. H. Carlisle submitted the following communication:

GENTLEMEN:—Some ten days ago I was removed from being inspector of the West Temple street paving by the Board of Public Works at the request of A. P. Dorman, city engineer. If there was any charge made against me I never heard of it until notified by letter that I was discharged. I understand by the papers that I gave Mr. Dorman an insulting answer. I make an appeal to the Council to know what that answer was, and that Mr. Dorman state it to the Council. I want it for the satisfaction of the Council, I want it for the satisfaction of the Economic Union, for the Federated Trades, and the workingmen of Salt Lake City. I hope Mr. Dorman will be exact in his words, so that the workmen of our city may know the truth, if possible, why I was discharged without a chance to defend myself, and if we are living in America. All I ask is fair play and mechanic's rights and also the right of an inspector that was confirmed by the Council.

Filed.

THE LE SUEUR CLAIMS.

In the matter of the various communications to the council from W. V. Le Sueur the city attorney reported that in his opinion the city should not grant the claims but should hold the same in reserve until the matter should be decided by court of competent jurisdiction.

The Le Sueur communication laid on the table temporarily was then taken up and Lawson moved that $2500 be placed on the appropriation list to the credit of the Mayor's contingent fund to be paid out to Le Sueur and retained from the final estimate of the Culmer-Jennings Paving company.

The matter was discussed for just one hour, after which it was referred to the board of public works on a vote of nine to six.

FROM THE RECORDER.

The city recorder reported that he had received sufficient protests to defeat the proposed construction of flagstone sidewalks on the east side of Second East street, in district No. 16. Filed.

The city recorder reported that the lots and plats pertaining to local assessment No. 134 for water main extension on Second South street from second to Third West street, had remained in his office for more than ten days, and the notice of completion had been published. Confirmed.

FROM THE CITY ATTORNEY.

The city attorney reported adversely on the petition of Jacob F. Gates asking that the mayor be authorized to "quitclaim" to him lots 1 and 2 in block 15 plat A, containing 8414 rods. Adopted.

COAL SCALE TESTS.

James H. Montgomery, city sealer of weights and measures, reported that he had tested all the coal scales used in the city at the present time and found them all right. Referred to the mayor with a request to report what he has done with the last year's coal ordinance.

FOR THE STOCK THAT HE BOUGHT.

Chief Shelton, of the fire department, sent in a requisition for the supply that he purchased some months ago. Filed, and $500 placed on the appropriation to the credit of the chief's fire.

FOR CROCKERY SHOWN.

Auditor Raybould submitted the following:

I hereby submit statement showing amounts due to owners of property in sidewalk districts Nos. 7, 8 and 9, and would recommend that the various amounts be placed on the appropriation list. As the paving tax is now due on the same property, warrants issued in the above owners will be a great relief, as it can be applied on their paving tax.

The amounts due are as follows: District No. 7, $2847.74; District No. 8, $1788.03; District No. 9, $[illegible]. The amounts represent the difference between the amount paid and the actual cost. Adopted.

Westbrook moved that when the warrants are drawn for the above rebates they be turned over to the special tax collector for collection in connection with collection of paving taxes now due. Carried.

WATERMAIN EXTENSION.

The committee on sidewalks recommended that the mayor of E. F. Kesler and others for extension of waterpipe on South Temple street be granted. Adopted.

HOW MANY LIGHTS?

Bell offered a resolution providing that the mayor be requested to report how many lights the city was now paying for over $25. Adopted.

APPROPRIATION.

Appropriations were made as follows:

Sundries fund	[illegible]
Interpretation fund	[illegible]
Gas fund	[illegible]
Total	[illegible]

Approved for the mayor.

THAT OPEN LETTER.

Dr. Young's Protest Against Disparaging Will Not City Canal.

In the letter written by Dr. S. B. Young, published in the NEWS yesterday, there were several errors made by the copyist who prepared the document in copy for the paper. By request of the writer the following amended copy is published today:

To the Mayor and City Council, Salt Lake City.

SALT LAKE CITY, UTAH,
Sept. 19th, 1893.

Gentlemen:—I find in a recent report of your health officer a recommendation for the Salt Lake & Jordan Canal to be dispensed with, as he claims it is a menace to the health of the public. Inquiry of those who live along its banks and a list of those districts of the city most infected by the disease fail to confirm the doctor's statement.

I am credibly informed that enough money has been appropriated by your honorable body to keep this very useful waterway in a healthy condition. May be the doctor does not know how faithfully the watermaster and his assistants have tried to earn their salaries, and how successful they have been in saving a large amount of the public treasury in this direction.

The facts are that the canal has been kept fairly clean; a large volume of water, during the irrigation season, has been furnished by this service; and if the people were deprived of this supply of water their shade trees and lawns would soon die out, more especially in the south and west portions of the city.

Furthermore, the city of Salt Lake has vested rights for that quality of water from the Jordan river and Utah lake—rights which have been acquired by many years and the expenditure of over a quarter of a million of dollars. I respectfully submit that we cannot afford to forget any water rights already in our possession, for as the city grows larger—and grow it will—we shall need more water instead of less.

If Dr. Beatie wishes a change looking to the more cleanly condition of the canal, let him recommend the piping of the canal water, say from six for south to the south line of the Sugarhouse ward.

Very respectfully yours in behalf of the People's rights.

SEYMOUR B. YOUNG, M. D.

Candidates for Matrimony.

Deputy County Clerk Jack had a busy time of it during yesterday afternoon issuing licenses to couples contemplating matrimony. The following obtained the necessary papers: Lysander Berrey 19, of Cedar Fort, Utah, and Fanny Neal 18, of Tingley, Blue Lake County, Idaho; John Carlson 21, and May Palmer 17, both of Oakley, Idaho; George H. Fisher 21, and Amanda L. Johnson 23, both of Oxford, Idaho; Henry A. Rice 25, and Charlotte L. J. Campbell 17, John S. Cox 53, and Elizabeth Osborn 50; Clarence A. Reaser 25, and Annie Cartwright Maddison 21, all of Salt Lake.

St. George Stake Conference.

The September conference for St. George Stake began on Saturday, the 9th inst., by the High Priests of the Stake having their quarterly conference. This was followed by a Stake Priesthood meeting, commenced with which the Relief societies had their conference.

On Sunday morning, 10th inst., the people at large began their regular conference meetings, which were continued at intervals four on Monday, the 11th.

We were blessed with the presence of our veteran teacher, Elder F. M. Lyman, of the Council of the Apostles, also of President Cluff, of Parowan Stake, and of Colonels Daniel Thompson of the presidency of Millard Stake.

Our usual conference business was transacted, including the unanimous voting for the general authorities of the Church and for the Stake authorities of St. George Stake.

An interesting feature of our conference was the good reports and strong testimonies of Elders Richard Parker and George A. Holt, of our stake, recently returned from successful missions to the Southern States.

Our meetings were well attended; the Spirit of the Lord truly rested upon speakers and hearers, and as a consequence the Saints are encouraged and confirmed in the ways of welldoing.

In addition to the meetings already named, the Sunday schools, M. I. A. societies and the Primary associations held their gatherings, received their respective reports, and, by unanimous vote, sustained their officers.

JAMES G. BLEAK,
Stake Clerk.

ST. GEORGE, 12th Sept., 1893.

Highest of all in Leavening Power.—Latest U. S. Gov't Report.
