CITY COUNCIL WORK.

The Rescue Home for Fallen Women Again Appeals for Aid.

SEWER AND SIDEWALK MATTERS.

Sam Gibson Granted Permission to Tie His Underground Wire System.

—Miscellaneous Business.

The City Council met in regular session last night. The members present were: Fullam, Kerrigan, Hardy, Horn, Bell, Rich, Evans, Lawson, Maras, Kelly, Beardsley, Simondi, President Lauritzen occupied the chair and after the minutes of the previous meeting had been read and approved business was transacted as below.

THE PROCEEDINGS.

Z. C. M. I. and other East Temple street business corporations asked that at least two cross walks be built over East Temple street on each block in the paving district at equal distances apart. Board of public works with a recommendation from the Council to grant the petition.

F. Auerbach & Bro. asked to be allowed to lay a stone flagging walk over East Temple in front of their store. Board of public works.

F. W. Little and others asked that the old roadway at the southeast corner of Liberty Park be reopened. Committee of public grounds.

J. F. Millspaugh and others asked for an electric light at the intersection of Second South and Thirteenth East street. Committee of improvements.

E. A. Resler asked for the improvement of East Temple street between Eighth and Ninth South streets. Committee on streets.

L. J. Coombs asked for the release of certain land sold for taxes. City attorney.

William P. Miner asked that Second North street be graded. Committee on streets.

E. J. Travis and others asked that they be permitted to lay their own sidewalks. Board of public works.

The city undertaker petitioned for a better and safer approach to Mount Olivet cemetery. Committee on streets.

John Kirkman and others asked that electric lights be placed at intersections of Twelfth East and First South and Thirteenth East and First South. Committee on improvements.

H. E. Booth asked that a certain irrigation ditch be repaired or abandoned. Committee on irrigation.

Willard Young asked permission to lay his own stone flagging sidewalks. Board of public works.

Orson K Knight asked permission to pile building material at No. 145 and 147 east First South street. Committee on streets.

The Western Union telegraph company's petition in relation to a pole in front of its premises was granted.

FOR FALLEN WOMEN.

Mrs. R. G. McNeece, president of the Rescue Home for Women, sent in a communication in which they represented that they were sadly in need of funds to enable them to maintain the home; lost they have been endeavoring for three months to continue it from voluntary contributions. This method was wholly unsatisfactory and inadequate and they therefore asked for an appropriation of $150 per month for the ensuing year. Committee on police.

The Rio Grande Western asked permission to lay its own sidewalks. Granted.

A NEW POLICEMAN.

The mayor sent in a communication announcing the appointment of Dennis Dollon as a member of the police force. Committee on police.

MEACHAM REAPPOINTED.

His honor the Mayor also reported that he had reappointed F. A. Meacham as city physician. Confirmed.

SEWER EXTENSION DEFEATED.

The city recorder reported that notice of intention No. 17 for the extension of sewers on First South street from Fifth East to Sixth East street, had been published according to law, and that the protest from John W. Drude and others representing 604 feet, which was sufficient to defeat the same.

COST OF CEMENT SIDEWALKS.

Regarding the petition of E. W. Taylor and others for a cement sidewalk on both sides of East Second South street, commencing on the east side of Eighth East street on Second South street, running thence east to the west side of Tenth East street, the city engineer reported the cost for laying pavements six feet wide and four inches thick would be $3360. Cost per front foot for abutting property $1.68.

The city recorder called attention to the fact that notice of intention No. 35, for the extension of sidewalks on Sixth street, between Fourth and Sixth South streets, and No. 39, on east Second South street, from State to Fifth East street, had been published, and that the ordinance levying the tax had been passed. Adopted.

The city recorder reported that the notice of intention No. 51, for sidewalk extension on Second South street from Fifth West to the river, had been published and no protests had been received. Hence he recommended that the matter be referred to the city attorney to draft an ordinance levying the tax. Adopted.

FROM THE CITY ENGINEER.

The city engineer reported that the cost of constructing a sewer on both sides of Second South street from Second East to Fifth East street would be as follows: Total, $13,849, and the lots affected are lots 2 and 3, block 1, plat A, East Y, block 49, lots 1 and 2, block 50, lots 1, 2, 3 and 4, block 71, plat B. Also lots 3 and 4, block 53, and lots 1, 2, 3 and 4, block 72, plat A. Adopted and notice of intention ordered published.

The city engineer reported that the cost of constructing a sewer from a connection with the sewer on Second East street, along the north side of Third South street between Second East and Third East streets in sewer district No. 8, would be $2300. Adopted and notice of intention ordered published.

The superintendent of sewers submitted a statement of the cost of sewer intention No. 4, which amounted to $4,917.15. Filed.

He also reported that the cost of intention No. 6 was $1,003.21, and No. 7 was $3,861.31. Filed.

GAS FRANCHISES.

In the matter of the resolution granting certain franchises to the Salt Lake and Ogden Gas & Electric Light company, which was referred to the city attorney, he reported that that there was no legal opposition presented, and hence he recommended that the matter be referred to the Council for enactment, as did the committee on streets after it had been referred to them. Laid on the table temporarily.

UNDERGROUND WIRE SYSTEM.

The city engineer reported recommending that S. H. Gibson be given permission to use the excavation near the city hall to which to lay the equivalent of about one block in length of his proposed system of underground wires, for the purpose of making the test suggested by the committee on streets, and in case such tests shall be satisfactory, that the petitioner be granted a franchise to lay wires under the street surface as the Council shall hereafter determine. Adopted.

OUTLET SEWER PLANS MODIFIED.

The city engineer in the matter of the petition of J. A. Morian and others for extension of sewer reported that he had modified the plans and specifications for the gravity outlet sewer so as to include an extension of the same to the intersection of North East and Ninth South streets. Filed.

SEWER MAIN EXTENSION.

The same officer reported that the cost of constructing a sewer main on Second East street along the north side of Third South street, between Second East and Third East street in sewer district No. 6 would be $2,268. Adopted.

STREET RAILWAY PAVING.

The city engineer and city attorney recommended that the board of public works in the matter of the street railway companies doing their own paving in the same manner and at the same time as done by the contractors be adopted. The report of the board of public works was to the effect that if the companies in question did not do the work that the city should do it to the extent of laying the strip of stone block pavement outside of the outside rails of the outside tracks, and into which the asphaltum paving will be laved, and that the cost of the same be charged to the railway companies. Adopted.

PAVING COMPANY'S ASKED FOR CHANGE.

Relative to the petition of the Colume-Jennings paving company asking that they be allowed to use Utah asphalt for gravel instead of the material as prescribed in the specifications, the city engineer and city attorney recommended that the petition be not granted on the ground that it would be unfair for the city to change the contract. The board of public works had previously taken a vote on the matter and decided to grant the petition on a ballot of three to one. After being discussed for three quarters of an hour the matter was laid on the table.

SECOND STREET GRADE.

In the matter of the petition of R. D. Winton, asking that Second street be graded, the street supervisor reported that the cost would be $17.60, and he was ordered to have the work done.

INSPECTOR OF OBSTRUCTIONS.

The board of public works, referring to the communication in the Council from the Colume-Jennings Paving company asking that great specified for use in filling the fissures between paving stones on the west side of East Temple and on First South street, be minded at the works in lieu of one in the street, that W. P. Rowe had been appointed grouting inspector at a salary of $100 per month. Adopted.

TO BUY A HORSE.

Chief Bonnett of the fire department reported that the fire committee and he had all been authorized to purchase a horse in place of the one which died of pneumonia a few days ago. Adopted.

FROM CHIEF PAUL.

Chief of Police Paul sent in a communication in which he stated the Telephone company are moving their poles on First South street between State and West Temple streets and that such action made it necessary to move the city police wires. The cost would be about $20; that the box at corner of Fifth East and Eighth South streets be moved to the entrance of Liberty Park; that box on Seventh East and South Temple streets be moved to the corner of East Temple and South Temple streets. Adopted.

QUARTERLY REPORTS.

Reports from the health commissioner, chief of fire department, watermaster, superintendent of waterworks, were referred to appropriate committees.

A TELEPHONE PROPOSITION.

The chief of police submitted a proposition from the telephone company relative to placing telephones in the police stations. The company offers to furnish the city, fire and police departments with telephones at a yearly rental of $20 per set (telephone and transmitter) and to put in new instruments when needed without extra cost. Committee on police with power to act.

$500 IN EACH PRECINCT.

The committee on streets reported recommending that the council expend $500 in each precinct in quarrels to test the durability of that material for turnpike purposes.

ELLINGER AND JOHNSON.

The committee on police reported recommending that John E. Unger and P. L. Johnson, policemen, be sent to Chicago to act as special officers at the World's Fair. Adopted.

The committee on public grounds filed a supplemental report on the matter of the petition of the Utah Pressed Brick and Tile company for the rental of certain land to the northeast portion of the city upon which to erect a $22,000 plant, and recommended that the rental price be $100 per year during the life of the corporation, with the usual provisions.

Adjourned until Friday evening next at 7:30.

Scientists

Say that in times of an

EPIDEMIC

"One should eat no food that has not been thoroughly cooked, nor drink no water that has not been boiled," thus proving the great importance of

GERMLESS Foods and Drinks.

ST. CHARLES Unsweetened Cream is absolutely GERM PROOF. Don't forget that others so harden the casein in their process of sterilization as to render it almost if not quite indigestible to young or delicate stomachs.

ST. CHARLES CREAM

is as digestible as mother's milk. Ask your physician about sterilization as applied to milk.

COCOA, COFFEE AND TEA SERVED FREE TOMORROW AT

Being=Beautiful

is the least of being—that's all right for us hardware folk: we only think of being good and of how many nails we can give for a dollar. But with the women it is important to be too sweet for anything, and the MAJESTIC RANGE or RELIABLE GASOLINE STOVE will sweeten the temper of any woman. They too have wound their way into the hearts of many a housekeeper solely on their own merits.

They may not be as beautiful as some, but who looks for beauty in a range? It is quality and price that are looked for, and the Majestic Ranges and Reliable Gasoline Stoves possess both, something never before found.

When not too busy drop in on us and we will tell you the little we know about steel ranges and gasoline stoves.

SALT LAKE HARDWARE COMPANY,
