GEN. SHAFTER LANDED.

Sent Out Cases from Ladies Cuba on Sunday.

SANTIAGO TO BE ATTACKED SOON.

Admiral Cervera Off for the Philippines—Rest Spanish Ministry Will Resignate for Peace.

MADRID, June 19.—Private dispatches received here from New York say Gen. Shafter's expedition has landed near Santiago de Cuba and will attack Cervera immediately.

In the course of a conversation recently held by an important politician and he will not believe that Germany would do anything in the Philippines in behalf of Spain. This had to do with a letter from the Emperorsent personally to Admiral Cervera in regard to the Philippines. He said, "I will be in a position to write to Admiral Cervera and tell him to avoid a combination of force in the Philippines against Dewey. Should the threats made by the Americans induce the Spanish ministry to negotiate for peace, I have talked to Admiral Cervera.

CUBA CUTTING, minister of war, in a speech denied of the charges that the Spaniards at Guantanamo surrendered to the American fleet.

It is authentic that President McKinley has sent to Admiral Cervera and Gen. Pando messages saying they will be treated with consideration if they surrender for the loss of Santiago. Madrid has not yet produced a satisfactory response here to motions made in reply that President McKinley asserts the military honor of Spaniards, who, on their part, demand that should such occasion it is necessary to decide the future relations of the prisoners most soldiers.

The cabinet council had a session today. Minister Aldecoa reported and explained the Hague conference. Minister Gullon explained the Paris conference. Minister Navarro Reverter explained the Paris Peace Commission. Minister Groizard explained the Madrid Peace Commission. Minister Abarzuza explained
