ENGINEER PLANS TO DRAIN CITY.

Has Scheme to Dispose of Surface Water and Sewage in Lower Districts.

WANTS THREE STORM SEWERS.

Will Prevent Damage to Property and Greatly Improve Sanitary Conditions.

A plan to dispose of the surface water and sewage which runs through the city and frequently causes damage and inconvenience is now under consideration by City Engineer Riter and his assistants. At present all of such water and sewage finds its way to the Ninth South street canal, and as there is not fall enough in the canal to carry the sewage off to the river, it gathers and causes a menace to the health of the community. Engineer Riter believes that the construction of three intercepting storm sewers across the city from east to west will solve the problem, and if the matter of cost can be arranged, the plan will probably be carried out.

The first of the sewers would be constructed so as to care for the water from the north bench and a portion of the east bench and carry it off through the North Temple street canal. The second would be along Fourth South street and would handle all of the surface water north to North Temple. The third sewer will be along Ninth South street and will care for the water between Fourth and Ninth South streets. There would be sufficient fall in the two upper sewers to carry the water to the river all right, and by relieving the Ninth South street sewer and canal of a greater part of their burden, the fall in them would be sufficient to carry a small amount of water and sewage to the river all right.

The sewers will be covered and manholes will be placed at frequent intervals to admit the surface water and sewage. It is believed that the question of funds for the work will be arranged all right, as it is absolutely necessary that some steps be taken at once to remedy the condition of the Ninth South street canal.

"THE HAND OF MAN."

Colored Methodist Bishop to Speak in Assembly Hall Monday Night.

Right Rev. Bishop B. F. Lee, D. D., L. L. D., of Wilberforce, O., one of the bishops of the African Methodist Episcopal church, will arrive in Salt Lake tomorrow and preach Sunday morning and evening at the Odd Fellows hall on Market street, at which meetings the public will be made welcome. On Monday night the distinguished gentleman will give his celebrated lecture, "The Hand of Man," in the Salt Lake Assembly Hall, the lecture lasting from 7:30 to 9 p. m. From 9:30 to 11:30 p. m. Monday, the bishop will be tendered a grand reception at the Odd Fellow's hall, the same being under the auspices of the A. M. E. church in this city.

Bishop Lee is one of the best educated colored men in America, and is one of the representatives of a church that is 110 years old, with a membership of 800,000, 13 bishops, 62 annual conferences, 50 in the United States and 12 in foreign lands. The church owns, controls and supports 13 colleges and schools. To maintain these schools it is necessary to raise and spend thousands of dollars each year. The church also has two publishing houses, one in Philadelphia and one in Nashville, where it publishes all of its literature. The organization is doing good work and the receipts of the bishop's lecture are to be spent in helping to build churches and support schools.

Neglected Colds.

Every part of the mucous membrane, the nose, throat, ears, head and lungs, etc., are subjected to disease and blight from neglected colds. Ballard's Horehound Syrup is a pleasant and effective remedy. 25c, 50c, $1.00. W. Akendrick, Valley Mills, Texas, writes: "I have used Ballard's Horehound Syrup for coughs and throat troubles; it is a pleasant and most effective remedy." Sold by Z. C. M. I. Drug Dept. B

AMUSEMENTS.

The Curtis Musical comedy company changed the name of its offering at the Grand theater last night to "Fiddle Dum Dee," and also changed a small portion of the costumes and a few of the jokes. Otherwise it might have just as well continued under the name of the former production. The plot was lost in the shuffle of merry songs, comedy antics and pretty dances, which make up the company's bill of fare, but nobody missed it. Burkhardt in his role of the sliding Jew, a character which David Warfield once considered his personal property, was again worth the price of admission all by himself, and didn't allow a moment to wax dull while he was under the calcium. The Dutchmen, too, did their work in the usual funny manner, while the chorus was but slightly changed either in costume or the nature of the stunts apportioned to it.

"Fiddle Dum Dee" will remain the bill this week with a matinee Saturday.

Sprains.

S. A. Read, Cisco, Texas, writes, March 11th, 1901: "My wrist was sprained so badly by a fall that it was useless; and after using several remedies that failed to give relief, used Ballard's Snow Liniment, and was cured. I earnestly recommend it to any one suffering from sprains." 25c, 50c, $1.00. Sold by Z. C. M. I. Drug Dept. B

GOOD ANIMAL SHOW.

Siebel Brothers Please Audiences With Meritorious Performance.

The biggest things are not always the best. Small ones are sometimes good. That was demonstrated last night and yesterday afternoon when Siebel Bros. gave two performances of their trained animals' show. The same fact is being verified again this afternoon. Tonight the final exhibition will be made. The crowd last night filled the tent very comfortably. The acts of the animals seemed to please everybody, from Gov. Cutler and children to the little folks who came unaccompanied. The ponies under the leadership of the tiny and wonderful "Snowcloud," did some of the cleverest acts ever witnessed here in the animal line. The dogs, too, were well trained and pleased all who saw them. The exhibition is at Eighth South and Main streets.

THREE JURORS CURED

Of Cholera Morbus With One Small Bottle of Chamberlain's Colic Cholera and Diarrhoea Remedy.

Mr. G. W. Fowler of Hightower, Ala., relates an experience he had while serving on a petit jury in a murder case at Edwardsville, county seat of Cleburne county, Alabama. He says: "While there I ate some fresh meat and some souse meat and it gave me cholera morbus in a very severe form. I was never more sick in my life and sent to the drug store for a certain cholera mixture, but the druggists sent me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy instead, saying that he had what I sent for, but that this medicine was so much better he would rather send it to me in the fix I was in. I took one dose of it and was better in five minutes. The second dose cured me entirely. Two fellow jurors were afflicted in the same manner and one twenty-five cent bottle cured the three of us." For sale by all druggists.

WILL GO TO MANTI.

Gov. Cutler and Staff to Inspect National Guard Tomorrow.

Tomorrow morning at 8 o'clock Gov. John C. Cutler and staff will leave for Manti to inspect the National Guard, and to be present at the ceremonies of governor's day. In the party will be Gov. and Mrs. Cutler, Col. Geo. M. Hansen and wife of Ogden, Col. and Mrs. A. B. Irvine of Salt Lake, Col. A. P. Kessler and wife, Col. and Mrs. A. S. Bower, Col. J. J. Daynes, Jr., A. C. Nelson, State Supt. of Schools; and N. P. Nelson, private secretary of the governor.

The train will arrive at Manti at noon, and after retreat parade at night, the party will be tendered a banquet by the Commercial club of Manti, assisted by other organizations. Military balls at the opera house and the Bon Ton pavilion will conclude the evening.

Cured of Lame Back After 15 Years of Suffering.

"I had been troubled with lame back for fifteen years and I found a complete recovery in the use of Chamberlain's Pain Balm," says John G. Bisher, Gilliam, Ind. This liniment is also without an equal for sprains and bruises. It is for sale by all druggists.
