A. W. Wertz, an Ogden Broker, Shot Twice by Desperate Highwaymen.

ALLEGED FEMALE JEWELRY THIEF.

C. H. Benway Run Over and Killed by a Freight Train.

A. W. Wertz was shot in the wrist and groin at 10:20 last evening by three highwaymen on the corner of Twenty-fifth and Madison. He was on his way home, his residence being on Twenty-fifth, between Madison and Monroe. When on the corner named three men pounced on him, covered him with their guns and asked him to "show up." Mr. Wertz had his gun in his hand and immediately began firing. He had fired but one shot without apparent effect, when the robbers fired twice and then decamped. One bullet went through Wertz's right wrist and the other struck him in the groin. Throwing his gun to the left hand he started to follow them, firing four more shots. He then became exhausted. Help was soon on the spot and he was taken to Dr. Condon's residence on Madison avenue, where the doctor immediately went to work. The wound in the wrist is an ugly one and may cost the unfortunate man his hand. That in the groin, it was stated, was not so dangerous.

The police were at once notified and last night they were scouring the town. A description of one of them has been secured by a gentleman who passed through the park with a lady shortly before, and who had seen the men crouching there. Up till a late hour no arrest had been made.

ALLEGED JEWELRY THIEF.

Miss Ollie Peterson came to this city a few days ago and visited Mrs. Abraham Jackson in this city, an old schoolmate, neither of them having seen each other for many years. While visiting last evening the talk turned to jewelry. Mrs. Jackson brought out a pretty little gold watch and chain, a nice ornamented money box and a few other trinkets which she showed to her old friend and schoolmate with pardonable pride. Later in the evening Mr. and Mrs. Jackson accompanied their friend to the depot and saw her safely on the train for Pocatello. On returning they missed the jewelry and immediately suspected Ollie Peterson and notified the police. They have telegraphed a description.

KILLED BY A FREIGHT TRAIN.

Yesterday Sheriff Belnap received a dispatch from Sheriff Jones at Montpelier, Idaho, stating that a man by the name of C. H. Benway was run over on Monday by a freight train between Montpelier and McCammon. The train passed over both legs, severing them from the body. A doctor was immediately called, but the man died before anything could be done for him.

Benway was sent to Idaho by Messrs. Painter & Murphy, a law firm, to get the horses stolen by Barnes, the man arrested a day or two ago by Sheriff Belnap. Painter & Murphy were acting as attorneys for Barnes, and it was under their instructions that Benway worked while he was given an order for the horses by Sheriff Belnap. The finding of this order upon the person of Benway led to the dispatch being sent to the sheriff of this county. Instructions were asked as to the disposition of the body, but Mr. Belnap was at a loss what to say, as comparatively little is known of the unfortunate man or his people. The sheriff found a woman in town who is supposed to be intimately associated with Benway. This woman says that the deceased has a father living somewhere in New York, as she saw a letter from him a short time ago. More than this she does not know and no one else here seems to be any better posted.

Sheriff Belnap telegraphed Mr. Jones to hold the body until that letter was found or some knowledge of Benway's people was obtained in another way.—*Ogden Standard.*

The late sharp frost of last year destroyed our entire peach crop and damaged other fruits, thereby robbing us of some $40,000 worth of produce. That great loss was keenly felt by all. But this season bids fair to be an unprecedentedly bounteous one. The peach, cherry, apple and apricot, in fact, all the fruit trees are now looming up most satisfactorily. They are loaded down with beautiful blossoms, which very plainly show large fruitful returns.—*Brigham Bugler.*

From a letter written by Mrs. Ada E. Hurd, of Groton, S. D., we quote: "Was taken with a bad cold, which settled on my lungs, cough set in and finally terminated in consumption. Four doctors gave me up, saying I could live but a short time. I gave myself up to my Savior, determined if I could not stay with my friends on earth I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and Colds. I gave it a trial, took in all eight bottles; it cured me and thank God I am now a well and hearty woman." Trial bottles free at A. C. Smith & Co's Drug Store. Regular size, 50c. and $1.00. 4

THE CRY OF MILLIONS

OH, MY BACK!
STOP IT NOW,
SOON IT WILL BE TOO LATE.

I have been troubled many years with disease of the kidneys and have tried many different remedies and have bought all from different physicians without relief. About the 15th of April I was suffering from a very violent attack that almost prostrated me in such a manner that I was bent over. When I sat down it was almost impossible for me to get up alone, or to put on my clothes, when kind Providence sent Dr. Henley, with the OREGON KIDNEY TEA, to my house. I immediately commenced using the tea. It had an almost miraculous effect, and to the astonishment of all the guests at the hotel, in a few days, I am happy to state, that I was a new man. I will recommend the tea to all afflicted as I have been.
