THE EVENING NEWS.

PRICE OF GOLD.

Furnished Daily by HOOPER, ROBINSON & Co., Bankers:

SALT LAKE CITY, April 24, 1871.

Buying at $1.08; Selling at $1.11.

LOCAL AND OTHER MATTERS.

THEATRICAL.—Theatre goers will be pleased to learn that the management have succeeded in re-engaging the talented pantomimist and dancerse M'lle Marietta Ravel, for six nights. She will appear tonight as Myrtillo, in the favorite Melodrama entitled "The Broken Sword," which will be the opening piece, the performance to conclude with the farce of "Brazenface Plaster." Between the pieces M'lle Ravel will give her performance on the tight rope, on which she executes some very surprising feats.

We understand that Mr. Couldock and his talented daughter will soon reappear on the boards here, when all who wish to see the perfection of acting can be gratified.

NEW STAMP MILL.—Frederick Walker, Esq., left for the West yesterday, where he has gone to purchase a twenty stamp mill for East Kanyon.

ANOTHER HOTEL.—Col. Jesse C. Little is having his present residence suitably and elegantly fitted up for a hotel, which will shortly be opened. The Colonel was proprietor of the old United States Hotel in this city, which existed several years ago; he is well acquainted with the modus operandi of conducting an institution of the kind, is extensively known and will, doubtless, be well patronized.

PERSONAL.—Hon. Thomas Fitch, ex-member of Congress from Nevada, and his wife and niece arrived on Saturday evening from the east. They were met at Ogden by a party of friends from this city and by another party at Kaysville. We understand it is the intention of Mr. Fitch to enter upon his profession as a lawyer, in this city. He will prove a valuable acquisition to the legal talent of the Territory. His reputation as an orator is second to none in the United States. Mrs. Fitch has already acquired considerable fame as an authoress.

SERVICES AT THE TABERNACLE.—In the forenoon the time was occupied by Elder Albert Carrington, and in the afternoon by Elder Orson Pratt.

WM. MERY.—There will be a meeting of the Parent Society for the Cultivation and Improvement of Stock, &c., at the City Hall at 7 o'clock, this p. m. All interested are invited to attend.

AMENDED TAX LAW.—By a perusal of the dispatches in to-day's paper it will be seen that the amended tax law will be in force on the first of next month. When no special or license tax will be exacted from any except dealers in liquor and tobacco.

THE KANAB REGION.—Elder Jacob Hamblin, who has probably had the most extensive experience among the Indian tribes of the West of any man living, and who not long since received an appointment from government to act as Indian Agent in the Southern part of the Territory, called this morning. He arrived from Kanab last evening. He furnished us the following items concerning that region:

"That part of the Territory is being settled up very rapidly. The people are busy farming, fencing their lots, etc. Cattle have done excellently all winter, there being an abundance of feed for them. Fall wheat looks well and a considerable amount of spring grain had been sown. Great interest was being taken in the planting of fruit and other trees; probably more had been set out there than in any settlement of the same age in the country. The steam saw mill is situated five miles to the south-east of the settlement where there is an abundance of grass and timber. There is a good road to the mill and it is doing a flourishing business. A year ago last fall, Elder Hamblin made a treaty with the Navajoes, a large number of whom visited Kanab a short time since and gave assurances of their intention to abide by its stipulations; which were to the effect that the Navajoes were not to be treated as Indians, but, should any of them be guilty of stealing or other offenses that they be treated according to legal powers, like white men; they on their part, agreeing to assist in the discovery of and to deliver up malefactors. Elder Hamblin feels certain that their assurances are sincere, and that no trouble need be anticipated by the settlers from that source. The Pah-ria post, which is forty five miles east of Kanab, and which was established a year ago last fall, by Elder Hamblin will still be kept up, and at which place, forty five acres of corn were having put in. The Indians in the immediate vicinity of Kanab settlement are peaceble and industrious.

THE LAST LECTURE.—Elder Miles Grant delivered the last of his series of lectures in the Old Tabernacle, last evening, to a very large audience, the building being filled in every part. The subject, Spiritualism, was handled in the Elder's masterly and lucid style. The audience, at one stage of the lecture, made a show of attempting to testify their appreciation of the speaker's remarks by applauding, which he very judiciously requested should be suppressed. At the close of the lecture he spoke of the kind treatment he had met with during his short stay here, and stated that he entertained none but the best of feelings towards this community. He will deliver a lecture in the Tabernacle at Ogden this evening, and will start eastward to-morrow morning.

TERRITORIAL NEWS.—The following was received by Deseret Telegraph:

FILLMORE, 24.

The semi-annual conference of Millard county convened, at this place, on Saturday, the 22d and 23rd inst., Thomas Callister presiding. The principal topics discoursed upon were the erection of Temples, gathering the poor, co-operation and the unity of the Saints. These subjects were handled eloquently by many speakers. The authorities of the church and local authorities of this county were sustained by unanimous vote.

MEASLES AND INFLAMMATION IN THE SOUTH.—We regret to learn that in some portions of Southern Utah measles and inflammation are exceedingly virulent, many children having been carried off by them. Brother Andrew S. Gibbons, of Long Valley, writes under date of the 10th inst., as follows:

Editor Deseret News: Dear Brother—I undertake the painful duty of writing the account of the death of three of my children, which you would do me a great favor by publishing in your paper. Measles supposed to be complicated with inflammation of the lungs and the throat has carried off quite a number of children throughout the southern settlements, but has only just commenced in Little Valley, in which out of some eleven cases, four have died. My son Charles R., died April 7th, aged 4 years, 9 months and 21 days. My daughter Emeline, died April 6th, aged 1 year, 11 months and 1 day. My daughter Adeline died April 7th, aged 1 year, 11 months and 2 days, all three being buried in one grave, those three are the children of Andrew S. and Rispah Gibbons. Also my grandson, Andrew G., son of John S. and Martha Carter, died April 2nd, aged 2 years, 2 months and 21 days. Also Charlotte Carter, died April 11th, aged 4 months and one day. The work of the destroyer has cast a deep gloom over our settlement, and there is no telling where it will end, as there are a great many that have not had the measles, particularly children; and we have just found a resting after being broken up on the Muddy, we are poorly prepared to take proper care of the sick.

SHOOTING AT CHEYENNE.—The Cheyenne *Leader* of the 20th chronicles another shooting affair at that place, which occurred the night previous. A man named Phillips became jealous of a young girl named Julia Cunningham, with whom he had been living illicitly, took something to drink to stimulate himself and shot her in the breast while she was in bed, inflicting a wound which will likely prove fatal.
