GENEALOGICAL.

To Latter-day Saints who are interested in Genealogical Matters:

By and with the consent of the proper authorities, I have concluded to go to the Eastern States during the present winter, to obtain the genealogies of such Saints as come from there who might desire to engage me. During my recent mission to New Haven I secured myself with facilities for the attainable records, my guarantee, with a high degree of confidence, and in procuring those of a number of families at the same time, the expense will be but a very small portion of what it would be in such family separately. This is a rare opportunity for the Saints from New England, New York, New Jersey, Pennsylvania or Delaware, or those whose ancestors were natives of those States, to procure genealogies at a small cost. A circular, stating terms, will be sent on application.

Bodies Recovered.

LONDON, 13.—All the corpses of the miners who were at work at the time of the explosion, 44 in number, have been recovered from the Kearsley colliery.

Spread of Typhus Fever.

In consequence of the alarming spread of typhus fever at St. Petersburg, many families are leaving the city. The number of fresh cases is estimated at between 300 and 400 daily.

AUSTRIA.

The British Armaments.

VIENNA, 13.—The *Political Correspondence* says: The conviction prevails in St. Petersburg that the British armaments reveal England's intention to occupy some point in the Levant, possibly Mitylene. Russia would then have to consider the safety of our Black Sea coast, which is only a few hours sail from Mitylene.

The Peace Conditions.

Immediately after the arrival of General Ignatieff and Raouf Pasha in St. Petersburg, the conditions of peace will be communicated to the Powers.

The Grant Voted.

The Hungarian delegation, today, voted in committee the grant of 3,720,000 florins for urgent and extraordinary army and navy requirements.

BRITISH AMERICA.

Brutal Treatment of Male and Female Apprentices.

LONDON, Ont., 13.—J. H. Hargreaves, proprietor of a hair factory here, was arrested, last night, charged with excessive cruelty to young apprentices, male and female. The implements of torture, consisting of ropes and pullies, leather thongs, padlocks, and gags, were produced in court to-day. One of the victims, Annie Sparks, related the cruelties that had been practiced on her by Hargreaves and his partner Jarvis. She had been repeatedly left suspended by the hands from the ceiling of a dark room, one time for four days. Hargreaves would slacken the rope at dinner time and hoist her again at night. She described the gagging and flogging process as applied to herself and several others. Hargreaves was committed for trial. The foreman has been arrested for complicity, and Jarvis, the partner, has absconded. At the close of the court the police had great difficulty in keeping Hargreaves from the mob.
