REQUISITION PAPERS ISSUED

Sheriff Bancroft, of Garfield County, will go to Indiana for a Prisoner.

Governor Wells today issued requisition papers on the governor of Indiana for Harry Small wanted in Garfield county for forgery. District Attorney J. F. Chidester, accompanied by Sheriff Thomas Bancroft, came up from Panguitch last night, and this morning called upon Governor Wells and presented Humanitas for the purpose of securing the necessary papers.

Small is a young man about 20, and was one of the gang of Butch Cassidy, Harry Lonabaugh, Ben Kilpatrick and Harvey Logan, who were wanted in the Wild Bunch robbery. While working with the new books for McCormick and Hampshire were forged and the amounts changed, the former getting eight years and the latter one year in the State prison.

Deputy Sheriff Bancroft secured the forgeries while in Salt Lake and brought Small with him. Small was in prison, Indiana. He commenced with the forgeries while in prison and when he was released and is now taking hold. The sheriff leaves this evening for Indiana, and will be in company with his man in about a week or ten days.

Deputy Sheriff Bill Davis returned last evening from Butte, where he left for Butte last for the purpose of bringing back D. F. Kane, wanted here for forging a check on Hickman & Stewart, of Denver, and pulling the same off on Don H. Porter of the Knutsford. On arrival at Butte Mr. Harris found that his prisoner had been guilty of similar jobs there and as the authorities wanted to try him there first, he concluded to return without him. He says there are some 40 cases against Kane. While there he witnessed some fine horse racing, and also took in the Labor Day procession, in which upwards of 3,000 working men marched in line. The police and sheriff's officers up there treated him like a prince, which proves that they know a good thing when they see it.
