KENDALL'S SPAVIN CURE.

The most Successful Remedy ever discovered, as it is certain in its effects and does not blister.

READ PROOF BELOW from

Rev. P. N. GRANGER,

Presiding Elder of the St. Albans District.

St. Albans, Vt., Jan. 8th, 1882.

Dr. B. J. KENDALL & Co., Gents—In reply to your inquiry I will say that my experience with Kendall's Spavin Cure has been very satisfactory indeed. Three or four years ago I procured a bottle of your agent, and with it cured a horse of lameness caused by a spavin. Long afterward I had a horse lame in the same leg and I tried him on the old bottle of Spavin Cure, but it was not to be found. Some time afterward, while on the road to grow grain, where I generally put a bagpipe was broken, I met with one of Kendall's Spavin Cure, and with one bottle I cured him so that he is as sound as ever, neither can the bunch be found.

Respectfully yours, P. N. GRANGER.
