POLITICAL MENTION.

Big Republican Rally at Theater on Monday Night.

DEMOCRACY THERE THIS EVENING.

At the Monday Night Meeting Senator Shoup Will Speak—Challenged by Judge Powers.

Only two more working days now remain before the greatest and most important election ever held in Utah will take place and the political parties, committees and speakers are increasing their energies accordingly.

SENATOR SHOUP WILL SPEAK.

On Monday night next the Republican campaign in this city will terminate with a big rally at the Salt Lake Theater. Among the speakers will be Hon. George L. Shoup. The occasion of his visit here at this time is made plain in the following letter addressed to Chairman Cannon of the Republican State committee:

Dear Sir—Having taken an active part, as a member of the committee on Territories in the Senate, in the report and passage of the Enabling Act, which made it possible for the admission of Utah into the sisterhood of States, my loyalty to the Republican party and my sincere desire for the success of our party at your first State election, and that I may to some extent at least reciprocate the debt of gratitude I owe to many Republicans of Utah, I accept your invitation to be with you on Monday evening next, and will assist you to the extent of my ability during the closing days of your campaign. I will reach your city on Sunday.

Sincerely hoping that every candidate on your State and a majority of your legislative tickets will be elected, I am, yours very truly,

GEORGE L. SHOUP.

CHALLENGED BY THE DEMOCRATS.

As a result of the publication of the above a consultation was held at Democratic headquarters this morning, the outcome of which was the issuance of the following challenge which Mr. Shoup at his home in Boise, Idaho:

My Dear Sir—I understand from the morning press that you are to address the citizens of Salt Lake City on Monday, the 4th inst., upon the Utah enabling act. Believing that our candidate in Congress, the Hon. Joseph L. Rawlins, is well informed upon the history of that act, and in the void, that all the facts connected with its passage should honestly and fairly be placed before this people, I hereby challenge you to share your time with Mr. Rawlins in joint discussion upon that occasion. Details to be arranged between ourselves. Answer promptly.

DEMOCRATIC RALLY.

A Democratic rally is the booking at the Hal Lake Theater tonight. Tomorrow—this day will be discussed by Hons. John T. Caine and R. H. Roberts, and music will be furnished by the R. H. Roberts quartet.

The Business Men's Democratic club will assemble at the Continental market this evening at 7 o'clock, to do honor to Hons. John T. Caine and R. H. Roberts by escorting them to the Theater.

WILL BE NO SCHOOL DEBATE.

D. C. Dunbar, chairman of the Democratic county committee last evening sent the following letter to Chairman A. H. Parsons, of the Republican county committee:

Dear sir—I promptly notified Mr. Oscar Van Cott in relation to your challenge for a joint discussion between him and the Republican candidate, Mr. Short. I am this afternoon in receipt of his response, which I herewith enclose and which explains as fully as anything I can say as to his desires in the matter.

MR. VAN COTT'S LETTER.

Mr. Van Cott's letter to Mr. Dunbar is as follows:

Dear Sir—In response to your notification to the effect that I had been challenged by Mr. C. A. Short, the candidate of the Republican party for the office of the county superintendent of schools, for which I am the nominee of the Democratic party, to discuss the question, "Resolved, That Democratic is of Greater Advantage than Republican Supremacy to the Public School System of Utah," I beg leave to state that as an educator I am unalterably and unequivocally opposed to the introduction of such a proposition into the political arena.

Educational affairs should, in my opinion, be kept from the contaminating touch of political influences, bickerings and contentions. It is a Democratic maxim that there should be not only an absolute separation of Church and State, but that our public school system should be operated and maintained with the utmost consideration for the welfare of the whole people, regardless of party politics or religion.

Had the gentleman signified his desire to meet me in public debate on topics exclusively of an educational or pedagogical character, it would have afforded me unbounded pleasure to have been more accommodating. But, believing as I do that no good, and much harm might result from a discussion such as is proposed, I respectfully decline to become a party to it, and relying on the judgment and discrimination of the people I am willing to submit the case for their decision.

TRUMBO-CRANE MEETING.

The Trumbo-Crane party was greeted by a large audience at the Salt Lake Theater last night. Chairman Parsons of the Republican county committee called the big gathering to order and introduced Hon. Charles Crane as the first speaker. He was followed by Mr. Trumbo who made a stirring little speech and received a warm round of applause. John F. Memken then received "Drake's Address to the Flag." William Glassman, of Ogden, Colonel Trumbo and Lee Farrington then addressed the audience in the order named, after which the meeting was brought to a close. The party went to Bingham today.

POWERS GOES NORTH.

Judge Powers took the train at 5:30 p. m. today for the north. He was to speak at Ogden in the evening and then at Brigham City.

OFFICIAL REGULATION.

The following has been issued from the office of the Utah Commission:

Office of Utah Commission—To Judges of election and registry officers.—To avoid any confusion in holding municipal elections where the corporation limits of the town do not conform with the precinct lines for territorial purposes, it is suggested that the legislative officers in charge of elections in the various precincts, registration officers, judges of election and clerks of election, be instructed to meet on the morning of such town or city election at the usual place of holding such elections, at 7 o'clock, and then and there organize themselves into a board of registration, and then and there register the voters of such town or city, so that the judges will be able to determine who is entitled to vote at the municipal election.

It is also suggested that the judges provide themselves with an extra book in which to deposit the ballots of the municipal officers.

The above is not necessary only in cases where the corporate boundaries of the town differ from those of the precinct. The result should be set forth up to the consolidation, the same as in other returns.

SECOND PRECINCT RALLY.

The Second precinct rally in Shiff's hall last evening was well attended, and spirited speeches were made by C. R. Savage, Dr. H. J. Faust and James H. Moyle, while musical renditions were given by the Jefferson quartet.

Cut the Price in Two.

Mr. E. W. Taylor last night gave a reception and surprise at his home on a 1 Second South street, in honor of the advent of natural gas. A dainty repast was served, all the dishes having been cooked with natural gas so fond. Mr. Taylor's residence is entirely supplied with light and heat for all purposes by the natural gas now coming into use in this city. The host was lavish in his attentions upon his guests and showed them the workings of the gas in the furnace and in the range. He also had a strict account of the cost of the gas posted up. It showed that natural gas was at least one-third more expensive than coal used for the same purpose, and hence was the surprise. Among the guests of the evening were W. C. Hall, ex-Mayor Scott, Major Downey, Brower Moore, Hayward, Driver, Woodman, and Mr. Taylor spring the surprise on Mr. Driver, the natural gas man, by presenting the figures and stating that the price of natural gas ought to be cut in two.

Miss Drake Chews Tobacco.

Physicians report a strange case existing near Lynn, it being that of a Miss Drake, aged 10 years, who has acquired such an unquenchable appetite for tobacco that it bids fair to be fatal to her unless she can obtain relief. She began at the age of seven in small quantities about a year ago, and so last of the habit grew that her father gave her a cigar, and she commenced smoking two cigarettes a day. Later on she commenced chewing tobacco a week.

Her parents became alarmed and forced her to cease from the use, but so great was her suffering that she twice attempted to elope. For the past six months she has used four pounds of snuff a week, having a large chew in her mouth at all times when she is not eating, even sleeping with a quid under her tongue. She is emaciated to a mere skeleton, having lost forty-three pounds in weight since she began the use of the weed. The doctors have tried every known remedy to destroy the appetite, but without success.—Louisville Courier-Journal.

NOT A SICK DAY

For Over Thirty Years!

RESULT OF USING

AYER'S PILLS

"Ayer's Cathartic Pills for over thirty years have kept me in good health, never having had a sick day in all that time. Before I was twenty I suffered almost continually—as a result of constipation—from dyspepsia, headaches, neuralgia, or boils and other eruptive diseases. When I became convinced

that almost all of my troubles were caused by constipation, I began the use of Ayer's Pills, with the most satisfactory results. Never having a single attack that did not readily yield to this remedy. My wife, who had been an invalid for years, also began to use Ayer's Pills and her health was quickly restored. With my children I had reason to be thankful that nearly all their ailments were preceded by constipation, and I soon had the pleasure of knowing that when children as with parents, Ayer's Pills, if taken in season, ward off danger of sickness."—H.
