

LOCAL AND OTHER MATTERS.

CORRESPONDENTS writing for publication are requested to write on one side of the paper only. No notice can be taken of anonymous communications. Correspondents' names must in every instance accompany their communications, though not necessarily for publication, but as a guarantee of reliability.

THEATRICAL.—Yesterday afternoon there was a large attendance at the "Cinderella" Matinee, and a good house in the evening, when the "Pearl of Savoy" was presented. The playing at both performances was excellent.

To-night there is a strong bill in "The Idiot of the Mill" and "A Dead Shot." In the first, Madame Scheller appears as Lenormie, the idiot boy, supported by a capital cast. This piece was very enthusiastically received on Tuesday night. The farce is in good hands and precedes the drama.

16TH WARD AND THE TWENTY-FOURTH.—Yesterday was celebrated by the 16th Ward Sunday School in a very appropriate manner. Bishop Keeler invited all the members of the School, of a suitable age, and a few friends, to his farm and ranch sixteen miles west of the city. At four o'clock a. m. about twenty carriages and wagons were loaded with the teachers and children, numbering from one hundred and fifty to two hundred. They arrived at the farm between eight and nine o'clock. They then partook of a sumptuous meal, reloaded and went to Black Rock, ten miles distant, to bathe in the Lake. Many visited the cave in that vicinity, and returned to the Bishop's, when sweet music from a Mason & Hamlin organ greeted the ears of the Company. Two spacious rooms were cleared, and three very competent musicians were then called upon, who had been procured by the Superintendent; and the children amused themselves in the dance. Most of the party turned all night, and returned this morning. The Bishop and his family exerted themselves to make everything pass off agreeably. His kindness and the twenty-first anniversary of the arrival of the pioneers in these valleys, will no doubt be long remembered by the juveniles of the 16th Ward.

FROM THE EAST.—We are indebted to President Young for the following telegrams. Today's dispatches also speak concerning our Delegate, Hon. W. H. Hooper.

WASHINGTON, D.C., July 23.
Gov. B. YOUNG: The House voted unanimously to sustain me in my seat. Congress adjourns on Monday.
W. H. HOOPER.

NEW YORK, July 23.
Pres. B. YOUNG: One hundred and twenty (120) of our friends of Williamsburg Branch left yesterday, Gilbert Spencer in charge.
H. B. CLAWSON.

RETURNING.—President B. Young left Provo this morning at 8:15 and passed American Fork at 10:30.

POSTAL CHANGES.—A. W. Street, Esq., Postmaster of this city, informs us that from and after yesterday, the 24th, the Eastern mail will leave the Post Office here at 9 p.m.; and after the 27th inst. it will arrive at 4:30 p.m. The Western mail will arrive at 8 p.m. As the R.R. approaches, from the east and west, changes will occur of which he courteously says he will notify us.

PICNIC PARTY.—Yesterday the 10th Ward celebrated the 24th by a picnic party at Spring Lake Farm, with much spirit and good feelings. The excellent brass band of the Ward was in attendance, and also a good string band for the lovers of dancing. Swinging, dancing, boating on the little lake, varied in the afternoon with singing, speeches and music under the bowery where the dancers had enjoyed themselves, formed the exercises of the day. Bishop Proctor and Counselor Spiers were present, and aided in increasing the enjoyment of the occasion. William Ashman, William Fuller and Benjamin Lang were the committee of arrangements; and Levi Garrett was the efficient Marshal of the day.

JEREMY'S SEEDLING.—Brother Thomas E. Jeremy, while in Europe on a mission sent home a quantity of gooseberry seed to be planted. Only two or three plants were raised from the seed; but these are of so excellent a kind as to amply repay him for his trouble, if not peculiarly, at least in the satisfaction of introducing such a fine variety of fruit as he has produced into the Territory. We saw about a quart of the fruit of his plants this morning, which he said were only an average sample, and were surprised at their size. They are wine red colored gooseberry, very excellent eating, the best we ever tasted and the plants are said to be prolific bearers. An English gentleman who was present in our office when Brother Jeremy exhibited his gooseberries, said upon tasting them, they reminded him of "home," he had never tasted any better ones there. One of the berries which Brother J. brought, though not quite ripe, weighed 13 pennyweights and 22 grains! and this weight is not uncommon. Those who are fond of eating gooseberries should secure some of these plants.

ACCIDENTALLY SHOT.—Yesterday morning as Charles Rasmussen, of the 11th Ward, was walking along the street in the 14th Ward, a bullet struck him on the head, passing downward through his hat and into his head as if coming from the clouds. He was conveyed to the City Hall, and Dr. Ormsby was soon in attendance. With much labor and after considerable suffering the ball—which was that of a Ballard rifle—was extracted. It had split, and one arm of it had gone through the seam of the skull on the right side, where the bones overlap. After the incision was made, every effort to draw the bullet down only tightened it. The idea struck the Doctor that such might be the case, and with the aid of forceps he raised it and got it out. The young man bore his sufferings unflinchingly and without wincing for half an hour. This is the third time he has been accidentally shot, one of the times being also on the 24th of July, seven years ago. He had only returned to the city on Thursday, having been driving team in Mr. Pitts' train. Last night he was in a favorable condition for recovery.

THE TERMINUS.—Theo. F. Tracy, Esq., court-ously informs us that he is officially advised that, "commencing Sunday next (26th), all trains of the Union Pacific Railroad, will run to and from Beeton, the crossings of the North Fork of the Platte, and seven hundred miles west of Omaha."
