GLADSTONE AGAIN.

A Rumor That He Will Return to the House of Commons

AND AGAIN LEAD THE LIBERALS

At the Next General Election, With a View of Carrying the Home Rule Measure.

LONDON, June 21.—The government was defeated today on motion of Hon. Sir John F. Stevenson, conservative member for the Scottish divisions of Stirling, to reduce the salary of the secretary of war by £100 on account of the alleged deficiency in the army and miscellaneous of war, and by a vote of 132 to 125. Progress was immediately reported.

Tomorrow the Irish Catholics will decide the manner in the effort that they have set forth to the House of Commons is carried out, and will not then be in the interest of the next general election. Its object is stated to be the carrying of the home rule measure and thus finally settling the national quarrel.

JAPANESE WARSHIPS

To Visit the United States as Soon as Convenient.

SAN FRANCISCO, June 21.—Private dispatches received in this city state that war in Japan's troubles in Formosa will have been settled. Admiral Ito will sail to San Francisco with the Kongokan as soon as the ceremonies are over at the Kiel. The Matsushima, a cruiser of about the tonnage of the Olympia, and, as Admiral Ito thinks, as well although not so fast, is at the Yalu and off the Reed at Wei Hai Wei. Another cruiser is the Maniwa, a fast ship of the Chitose class, which paid her summer's hostilities to the west by sinking the transport Kow Shing, with all on board.

Mr. Kuyo, the Japanese consul general in this city, says he has heard of no matter, but he claims that a precedent for the coming of his country's cruiser not only in the statement that Japan would do so, but quite say so, for fighting in the summer months, but one in the year several ships might come. Some of the objects of the cruise would be to show the world that Japan has in her modern navy and to give their new experience long voyages.

To Defend Indians.

PORT TOWNSEND, Wash., June 21.—An effort is being made to take from a tribe of Indians called the Metlakahtlas an island in Alaska which, in 1887, was ceded to them by the United States government. The land is in southeast Alaska and is known as Annette Island. The Indians have improved the land, erected public buildings, churches, saw mills and filled the fish. A few months ago prospectors who were given permission to land came to the island for a few hours' rest, and now of them discovered valuable gold ledge. The men immediately staked out claims and applied to the government for mineral patents. The Indians entered a protest which was favorably considered by the department, and the prospectors have taken this to appeal, and if money and influence can overrule the Indians, mining operations will be commenced.

AMERICANS IN CUBA.

Appeal to the United States Government for a Consul.

TAMPA, Fla., June 21.—The following is said to be an appeal made by Americans living in Cuba, addressed any American consul here, to government officials say that naughty and Aguinaldo, American citizen, will not be. If the insurgents by will keep trumping up charges of naughty crimes to keep them in their pen. The truth is that for the dignity of the American government, false accusations ought to be released as there is nothing that can stand cross-examination against these two mulattoes. Victims of Spanish and American red tape. Citizens of the United States, and no man to act as consul but will not be slavish to look at the Spanish standpoint, false facts. Wears without protection. TODAY'S SESSION.

The Republican National League Convention Adjourns

FOR AN EXCURSION ON THE LAKE.

Discussing the Senatorship—Pattison's Resolution Adopted Without Debate.

CLEVELAND, Ohio, June 21.—The remaining of the Republican league convention for the third day's session was delayed till almost noon by the meetings of clubs of state leagues, the new executive board, the committee on leagues work and other committees engaged in similar business. Meanwhile while the band was entertaining the wide crowd at the auditorium the leading delegates were in conference on the Pattison substitute for the usual set of resolutions. Many of the authorized leaders were not inclined to be bound by the support of the substitute which they had agreed to be in favor of. Some were, however, also in support of the substitute which prevent a minority report and possibly a fight on the floor of the convention. The authoritative statements of the committee indicated that they had not in the best popular spirit to carry out, and urged the adoption of plans of the Pattison substitute, and bring about a more good time in the convention. The committee of the committee indicated that they had
