JOE BOWERS WAS ACTIVE.

This Stock the Sensational Feature of a Busy Call—May Day Strong.

The sensational feature of today's call on the Salt Lake Exchange was the striking advance made by Joe Bowers, which not only realized in the figures but sold with unlimited freedom at from 19 to 20 cents, and closed strongly bid for at 19¾. On this security the brokers lingered for upwards of half an hour during which time 26,000 shares changed hands. The reason for the stock's sudden popularity at this time is said to be the strong probability of an early settlement of difficulties between the Joe Bowers company and Mr. Parshley, who claims a half interest in the mine. It is thought a compromise will be effected in a short time.

The call was brisk from start to finish and brought out sales of 37,400 shares, which sold for the sum of $16,707.75. Ajax was the first seller, the stock going at 81-32c and 41-32c, and closing with a bid of 41-32c. Daisy contributed 2,000 shares between 42 and 44 cents, while Dexter sold around $2.40, and Eagle did business from 10 to 6¾, but had a bid of 9¾ before attention was directed elsewhere. Four Aces continued active and sold up to 44, to be followed by Geyser-Marion at 79 to 79¾, and Lower Mammoth at 74 and 75. In Northern Light there was business at 58¾, after which Omaha was dealt in at 46, and Star Consolidated sold at a bid decline, the stock being transferred at figures ranging from $1.46 to $1.41. In Sacramento there was a bid of 49¾, while Sunshine was dealt in between 87 and 88¾, and Rubicon handed out 200 at 38.

Dealing with stocks of a lower order, the brokers took Boston-De La Mar at 1¾ and Crusader at 2¾ to 1¾. Then came business in Joe Bowers, as noted above, while Bowers Extension followed at 2¾, Bee Bean at 6 and 6¼, Yates at $1.20¾ to $1.20 and West Mountain Placer at 75, while it closed with a bid of 72. In this class May Day made phenomenal strides in the bidding and was eagerly sought for at $5 cents, while there was none offered under a dollar.

The closing figures were as follows:
