THE NEW HIBBRNICON. - Remember MacEvoy's grand entertainment, "The New Hibernicen," at the Theatre to-night. Panoramic views, descriptive lecture, singing, dancing, &c. Doors open at seven o'clock, performance to commence at half

LEFT FOR ELEO. - The following gentlemen left this city by the 2,45 p. m. train for Elko, to appear as witnesses before the grand jury there in the case of the sup-posed robbers of the Central Pacific Rail-road, now in custody: Theo. F. Tracy, H. P. Kimball, J. Q. Knowlton, R. Judd, W. Hyde, B. Y. Hampton and T. Booth.

Now .- We are enjoying, just now, most delightful weather. Old Sol reigns to the delight of podestrians and out-door business people. Indian Summer, "in all its wernal beauty," prevails. But very alight f osts at nights.

BULLION MOULDS,-Four bullion moulds weighing fifty-two pounds each, were cast vesterday at the Deseret Co-operative Novelty Works, for F. J. P. Pascoe. The cutings were perfect. They can be seen at Zion's Co-operative Hardware department.

EMIGRATION .- We are informed that the steamship Manhattan was to leave Liverpool on the 16th inst., having on board a small company of Saints in charge of Elder Ralph Thompson.

HIGHWAY ROBBER.-A man named L. Y. Odlum, was recently arrested at Sacramento, and accused of having robbed a stage of Wells, Fargo & Co's to the amount of \$5,150 in coin and the passengers of valuables to the amount of between \$1,000 and \$1,500, on the Geiger grade, about five miles from Virginia City, in 1866. Two of the late Central Pacific Railroad robbers were engaged in the same transaction.

CALLED,-Mr. MacEvoy, of the "New Hibernicon," called this afternoon. He informs us that this company performed in New York for 107 consecutive nights; Bonton eight weeks and in Philadelphia twelve weeks. He went to San Francisco with the intention of only staying two weeks but the "New Hibernicon" took so well that he was induced to remain there three weeks louger. At all of the above places large audiences were in attendance nightly. This speaks well for the character of the entertainment, especially when it is considered that the San Francisco public have credit for being, in the matter of amusements, the most critical people in the country.

IN MONTANA,-Mr. and Mrs. Couldock, 28 & 80 Mercer Street. well known to our theatre-goers, were playing at Deer Lodge, Montana, on the 11th, and the New North West speaks in very high praise of them both. We should like to have them travel in this direction and favor us with some of their life-like portrayals of character, for instance: "Willow Copse," "Old Phil's Birthday," "Chimney Corner," "The Advocate's Last Cause," "Louis XI," "Milky White," and others.

INFORMATION WANTED .- Ann Jones, of Liverpool, desires to know the whereabouts of her sister, Elizabeth Edwards, who emigrated to the United States in the ship John Bright, April 30, 1866. Address, 42, Islington, Liverpool.

DISTINGUISHED VISITORS. - We wer, gratified at receiving a call this afternoon from the following gentlemen who are now on a brief visit to this city: D. O. L. Mac-Dermott, of the British Army, from Hong Kong; G. Tonso, from Japan; Dr. Martin, Physician of the French Legation at Pekin; Mr. Rivero, of Japan; John D. Wake, of Japan; Meynard Sirisiculteur, of France; Henry Cliff, Paris; Mr. Theotoky, Shanghai and John Shaw, Esq., Agent of the Inman Steam Ship Company. These gentlemen are highly pleased with their visit to the City. Mr. Rivero is a son of the Spanish Minister of the Interior and is the bearer of the treaty between Spain

UNITED STATES SURVEY IN "DIXIE," OR SOUTHERN UTAH .- By the courtesy of Col. Froiseth, of the Sarveyor General's Office, of this city, we have received the following particulars of a survey lately completed in "Dixie," or Southern Utah, the township plats of which have this day been handed over to the United States Register's Office in this city. All persons interested would do well to apply immediately at the Register's Office and file their claims, and also bear in mind that the lands included in the townships named below, are only a portion of the survey which has been made this past season, in the South; and in order that persons may not make the long journey to this city in the belief that their lands are included in these township plats, they should be particular to note the numbers of the townships and ranges of these plats, and thereby save themselves unnecessary trouble.

This survey embraces the following

unnecessary trouble.

This survey embraces the following: Township 34 South, Range No. 10 West, contains the town of Summit, and the northeast corner of this township bakes in the southern end of Little Salt Lake, half of a mile; Township No. 34 South, Range No. 11 West, and Township No. 34 South, Range No. 11 West, contain the settlements of Cedar City and Shirts Oreck, or Fort Hamilton; Township No. 37 South, Range 12 West, contains the town of Kanarra; Township No. 38 South, Range 13 West, contains the settlement of New Harmony; Township No. 40 South, Range 13 West, contains the settlement of Believe—as Creek runs north—and south through this fractional township; Township No. 40 South, Range No. 14 West, contains the settlement of Believe—as Creek runs north—and south through this fractional township; Township No. 40 South, Range No. 14 West, contains the settlements of Harrisburg and Leeds; Township No. 42 South, Range No. 200, NORTH MAIN STREET,
