ONE TRIAL suffices to prove that DOOLEY'S CHEMICAL YEAST BAKING POWDER is superior in every respect to any other ever manufactured. It is put up in 1, 1.5, 2 and 5 pound cans, which contain that quantity of powder for ACTUAL USE. While the majority of Baking Powders offered for sale are one-eighth to one-half of what is represented. Ask your grocer for Dooley's, and you will not be misled with any other. Manufactured by DOOLEY & BROTHER, 69 New Street, New York.

FULL MEASURE—While Dr. Price's True Flavoring Extracts are full measure, other extracts are short nearly one-half what they are said to contain, arranged to look large to deceive the consumer. The most of the so-called two-ounce flavoring extracts held but one and one-quarter ounces, the four ounce less than three ounces, while Dr. Price's are full measure just as represented, strong and pure. One trial will prove that the bottles held one-half more than others purporting to be the same size, and the extracts are of the strongest and most natural flavor.

Stagner, the original lecturer on "Boats, Bills and Balm," is about to visit the northern section of the Territory, where he has purposes regarding the public with humorous lectures and readings. The Temple—Work on the Temple is progressing nicely. Five additional courses of rock have been laid on the east and portions of the north and south walls, while the balance has been raised three courses, and the work of laying will continue until seven courses have been laid all round this year. Portions of the walls are now four feet above the ground level, and already have an imposing appearance.

General H. A. Morrow—By courtesy of a gentleman of this city, we have been permitted to peruse a letter to him from General H. A. Morrow, late Commandant at Camp Douglas, in which we find the following kindly expressions concerning this city and people:

"I assure you I left Salt Lake with great good feelings towards its industries and frugal population. I shall always remember the many acts of courtesy and kindness I received, and I will never cease to wish prosperity and happiness to a city which attracted me so much by the beauty of its surroundings, as by the many excellent traits of its people."

The letter was dated at Sidney Barracks, Neb., Sept. 19th.

The Navahos Country—John D. Boyd has just returned from a lengthened visit to the Navahos country, where he has been engaged in assisting to pacify that tribe. It appears that some of the number were killed in a quarrel with some white men, and ever since the Indians have been in an unquiet and discontented state.

Deceased was the first person in the village of Tansley to open her house for the preaching of the Gospel by the Bibles of the Church of Jesus Christ of Latter-day Saints. She embraced the Gospel in the year 1848, and her whole family, consisting of one son and four daughters, with their husbands, soon joined the Church. She was the first to be baptized in the United States, and is now all of them in Utah.

Mother Bunting was favorably known to a great many of the Bibles, and was a faithful Latter-day Saint, and died, as she had lived, in the assurance of a resurrection in the morning of the first resurrection with the just—God.
