

## CHIEF DEVINE IS SUSTAINED

Council Confirms His Action in the Moreton Case.

## CREATED A WAR OF WORDS.

Thomas and Black Wanted to Give The Deposed Fireman Another Chance—Other Matters.

The meeting of the city council last evening was very serious until just about the close, when the report of the fire committee, concurring in the action of Chief Devine, in removing Amos Moreton from the department, was read and at once several of the members assumed a belligerent attitude and stirred up a war of words which, for a time, was exceedingly interesting. Thomas and Black were of opinion that the removal of Moreton was entirely too severe a penalty for the offense with which he is charged. They urged that the report be referred back to the chief with the suggestion that Moreton be suspended for 15 days or a month. A motion to that effect was made. Hardly opposed the motion to refer the matter back and stated that he thought it was a case of either the chief's head or Moreton's head and he urged that the chief be sustained. Only three voted to refer the matter back, so that motion was lost. The motion to adopt the report of the committee, recommending Moreton's discharge, was then carried, Thomas casting the only negative vote.

## NO RAISE FOR SMITH.

On last Monday night the council adopted the report of the finance committee, authorizing the city attorney to draw up an ordinance increasing the salary of Clerk Horace Smith of the board of health to \$90 per month. The ordinance was presented to the council last night and that body, without any ceremony whatever, made a decided change of front on the subject and reversed itself by defeating the ordinance.

## WANT NEW PESTHOUSE.

Councilman Davelier introduced a resolution calling attention to the deplorable condition of the pesthouse and authorizing the finance and sanitary committees to investigate the condition of affairs and report to the council not later than next Monday the advisability of constructing a new pesthouse. A letter was also read from Health Physician King urging that a larger and more modern isolation hospital be built and also advising that another site be selected more remote from the city's water supply, so that no danger of infection from that source might arise. The entire matter was referred to the finance and sanitary committees.

## THESE WERE CONFIRMED.

In order that the officials might take advantage of the increase of salary granted them by a special ordinance for that purpose, which was recently passed by the council, Mayor Thompson sent in the appointments of the following heads of departments, all of whom were confirmed:

L. C. Kelsey, city engineer; P. J. Hines, superintendent of waterworks; P. S. Condit, street supervisor and superintendent of irrigation; Peter Erickson, parkkeeper; Thomas Carter, city sexton.

The appointment by City Auditor Reider of Albert H. Nash as deputy city auditor, was also confirmed without opposition.

Chief Devine sent in the appointments of Firemen W. H. C. Drake and James Mackie as engineers in the department, which action was concurred in by the council.

## MUST REPORT BIRTHS.

An ordinance was introduced requiring physicians, midwives and others attending professionally at any birth to report such birth to the board of health within five days from its occurrence. For failure to do so the offender is liable to a fine of from \$5 to \$100 or imprisonment in the city jail for 60 days, or both such fine and imprisonment.

## HAYES IS PRESENTED.

Utah Senators Introduce Him to Department of Justice Officials.

(Special to the "News.")

Washington, D. C., March 17.—Senators Smoot and Kearns called at the department of justice this morning and presented A. B. Hayes, who was confirmed as collector of internal revenue yesterday evening, to the solicitor-general. They then called at the treasury department, and Mr. Hayes was introduced to Secys. Taylor and Armstrong; also to Commissioner of Internal Revenue Yerkes. Mr. Hayes will be presented to the president tomorrow by the Utah senators, when he will thank the president for his appointment. Mr. Hayes expects to take the oath of office tomorrow and will enter upon his new duties at once.

## AMUSEMENTS.

At the Theater tonight the always favorite actress, Miss Effie Elmer, will be seen for the first time here in "When Knighthood Was in Flower."

At the Grand last night the well known and well worn play of "Human Hearts" went before a good turnout, and one that seemed to appreciate its thrills and shills as decidedly as the play has been seen here so often before that it needs no description at the present time. The company rendering it is of the average grade, some of the players being good, some bad, and some indifferent. The galleries found a great deal to applaud, and the comedy work, as usual, uproariously received.

## DR. SHOOP'S

## Rheumatic Cure

Costs Nothing If It Fails.

Any honest person who suffers from Rheumatism is welcome to this offer. I am a specialist in Rheumatism, and have treated more cases than any other physician in the West. For 15 years I made 2,800 experiments with different drugs, testing all known remedies while searching the world for something better. Nine years ago I found a costly chemical in Germany which, with my previous discoveries, gives me a certain cure.

I don't mean that it can turn bony joints into jelly again, but it can cure the disease at any stage, completely and forever. I have done it fully 100,000 times.

I like this so well that I will furnish my remedy on trial. Simply write me a postal for my book on Rheumatism, and I will mail you an order on your druggist for six bottles of Dr. Shoop's Rheumatic Cure. Take it for a month at my risk. If it succeeds, the cost is only \$5.50. If it fails, I will pay the druggist myself—and your mere word shall decide it.

I mean that exactly. If you say the results are not what I claim, I don't expect a penny from you.

I have no samples. Any mere sample that can affect chronic Rheumatism must be drugged to the verge of danger. I use no such drugs and it is folly to take them. You must get the disease out of the blood.

My remedy does that even in the most difficult, obstinate cases. It has cured the oldest cases that I ever met. And in all my experience—in all my 2,800 tests—I never found another remedy that would cure one chronic case in ten. Write me and I will send you the order. Try my remedy for a month, as it can't harm you anyway. If it fails it is free.

Address Dr. Shoop, Box 713 Racine, Wis.

Mild cases, not chronic, are often cured by one or two bottles. At all druggists.

The engagement runs tonight, tomorrow afternoon and evening.

Thursday night the always popular, "The Man From Mexico," opened its engagement at the Grand. The management have decided on giving a special matinee at 3 o'clock Friday afternoon and the sale is now going on.

## ECZEMA, NO CURE NO PAY.

Your druggist will refund your money if Pazo Ointment fails to cure Eczema, Tetter, Old Ulcers and Sores, Pimples and Blackheads on the face and all skin diseases. 50 cents.

## LATE LOCALS.

Work has begun on the building of the M. H. Walker residence on east South Temple street.

A. T. Egan has closed a contract with the municipalities of Spring City and Nephi for local electric light and power plants.

The lake level is now two feet ten inches below the zero mark, or two feet three inches below that. It was a year ago at this time. However, the lake has risen four inches in the last four weeks, and has only two more inches to rise to equal the total rise of last season, so that the local weather office is very hopeful of much higher water this year than last.

Articles of incorporation of the Ayonvale Mining company of this city were filed in the county clerk's office this afternoon. The capital stock is \$300,000, divided into shares of the par value of \$1 each. Louis Moore is president, D. P. Taggart vice president, E. W. Wilson treasurer and C. E. Hudson secretary.

Tomorrow from 10 to 11 a. m. in Parrott hall, Mrs. Lydia D. Alder will lecture on her travels in the north of Ireland. There will also be a number of selections, vocal and instrumental, prepared by the students, and perhaps some Irish specialties in dialect and song. The public and all friends of the Emerald Isle are cordially invited to attend.

Active operations were resumed at the federal building this morning, when a force of men and teams began excavating and cleaning out the piles of soil in the alley immediately south of the great basement. A rock planer is to be set up there, and the contract for cutting and dressing all the rock has been let to Carl Finkbeiner of Chicago. Workmen are getting the big dirt ricks into shape, so that when Contractor Campbell arrives this evening he will be able to resume active work immediately without delay. Mr. Campbell has been delayed in Oregon, where he is completing a federal building, by the death of his son, who was in charge of the work, and he was obliged to himself and his family.

The board of public works has ordered the contractor to begin construction of the new conduit between State and Third East, on South Temple street, in the excavating of the old wooden flume of the Salt Lake and Jordan canal. Then the board will call presently on the paving company to re-pave the street under their control of paving South Temple street between the monument and State street, so that the street will be for some time torn up for several blocks. The plan to secure asphalt for the widening of the street at Third or Fourth East streets will be brought up again and discussed in hopes of realization.

## AFTERNOON CALL.

Little Improvement Shown Over This Morning's Quotations.

The mining stock market showed little improvement over the morning quotations this afternoon. Carlsbad lead in the trading, followed by Con. Mercur, which sold up to 1.53 1/2. Daily-West appeared some stronger, selling up to 40.10. California continued weaker, purchasers getting it at 4 1/2 cents. The silver posted at 100 at 12 1/2; 100 at 12 1/2; Con. Mercur, 300 at 1.53 1/2; 100 at 1.53 1/2. Daily-Judge, 300 at 10.55; 200 at 10.50; 100 at 10.45; 100 at 10.45. Daily-West, 25 at 23.95; 75 at 24.00; 5 at 40.10. Daily, 500 at 6.50. Sacramento, 2,500 at 27 1/2; 200 at 27 1/2. Silver Shield, 1,000 at 7 1/2; 1,000 at 7 1/2. South Swansea, 2,000 at 23 1/2. Utah Sam, 1,500 at 24 1/2; 300 at 23 1/2. California, 2,500 at 1 1/2; 1,000 at 4 1/2; 1,000 at 4 1/2, seller 50. Lathams, 10,000 at 5. Joe Brown, 1,000 at 5. New York, 200 at 23 1/2. Wabash, 500 at 25 1/2; seller 30; 100 at 25.

## BIG DAMAGE SUIT.

Alfred Kendall Wants \$10,000 From United States Mining Co.

Alfred J. Kendall this afternoon filed a damage suit in the district court against the United States Mining company to recover \$10,527.50 for injuries alleged to have been sustained while in the employ of defendant on Nov. 20, 1901. Plaintiff was thrown from a runaway team car and his right wrist and left leg were broken and his spinal column seriously injured.

## SUNDAY SCHOOL UNION MEETING

## Both He and His Wife Cured by Kickapoo Oil and Sagwa.

All the Schools of the Stake Represented But Two.

## DISCUSS FASTING EXERCISES

Interesting Work of Departments—Exquisite Violin Solo from Prof. George E. Skelton.

As far as number of schools represented is concerned, last evening's attendance at the Salt Lake Stake Sunday School Union was better than for several months past; 39 of the 41 schools of the stake responded to roll call; Twenty-ninth and North Point being the two preventing a perfect record. The meeting was called to order by Supt. Josiah Burrows, who announced the opening number, "Hymn of Praise."

Elder Osborne Widsoe of the stake board offered the opening prayer, followed by the "Devotional Hymn," Stake Chorister Alvin A. Beesley conducting and Sister Lydia Willis officiating at the piano.

The subject of fast day exercises was briefly spoken upon by Asst. Supt. Willard C. Burton, his remarks were directed more particularly to teachers of the primary and kindergarten departments, though all might profit by them. The speaker referred to the recommendation of the stake board on this matter, viz.: "That the time be occupied by the teachers relating events of a faith promoting character, especially from those of modern occurrence; invite the children to express their thankfulness for blessings enjoyed, specifying how they are blessed; take up the home life of the children and their duty to parents, brothers and sisters and companions; the teacher to make the application as to their being manifestations of our Father's love, mercy and power, and thus learn of His being. Great care should be exercised in calling upon the children for testimonies as such, and that the relating of miraculous or extravagant incidents be discouraged. Should wisdom direct and the time not be fully occupied some of the time might be devoted to review of lesson work."

Supt. Burrows offered some general remarks, in the course of which he referred to great good being accomplished through the efforts of the ward mission societies, and expressed his appreciation of their valuable co-operation. Many schools had largely increased their enrollment as a result of the labors of these brethren. Referred to the appointment of stake conferences for this stake for August 30, and requested an early start in preparation for the occasion. Two features of this conference specified by the general board are the concert recitation of the Lord's Prayer, exclusive, and the selection, "Peace be Still," both of which are gotten out in card form by the general board.

The matter of "Home Preparation" was also referred to and local workers urged to encourage it. This being one of the principal objects in formulating the present course of study, an effort should be put forth to secure the co-operation of parents, at least to the extent of devoting one evening a week in assisting the children with their Sunday school lessons.

One of the main objects of the Sunday school, said the speaker, is to educate the children spiritually and morally, which should always be kept in mind. The various departments then turned to their respective rooms and took up the work mapped out for the evening.

## SUPERINTENDENT'S DEPARTMENT.

The superintendent's attention was called to the new maps, and Bancroft's lesson charts recommended by and on sale at the office of the general board. The advisability of printing lesson statements for pupils and holding of district conferences during the coming season was discussed at some length. Burrows reminded the teachers of the general board's request for all schools to hold annual local conferences or reviews and said that in view of this request being complied with, the district conference would be unnecessary.

All schools are expected to continue in regular session during Sunday of the general conference at formerly requested by the general superintendency, and those schools within the city limits are asked to furnish two ushers each for the Sunday evening session. The secretaries received general instructions in matters pertaining to their department, and were urged to request to report all changes of local officers promptly at time of change to the stake secretary.

The theological and two intermediate departments discussed methods of conducting fast day exercises and use of the lesson outlines. Primary took up the consideration of fast day observance, singing practice and a reading on the lesson, while the kindergarten department indulged in singing practice and a reading on the life and miracles of Christ, also enjoyed a talk on story telling by Sister Bowman of the Nineteenth ward.

The meeting assembled and enjoyed a most exquisite and much appreciated violin solo from Prof. Geo. E. Skelton, with Chorister Beesley accompanying. The hymns for the April meeting may be found on pages 155, 159 and 163 of the B. S. music book.

"For the strength of the hills we bless Thee," was sung for closing and meeting adjourned.

## SCOTT'S EMULSION

makes pale, thin children fat and chubby. Overcomes wasting tendencies and brings back rosy cheeks and bright eyes.

It's surprising how quickly children respond to Scott's Emulsion. It contains just the element of nourishment their little bodies need. They thrive on it.

Even a few drops in the baby's bottle have a noticeable effect for good. Nothing better than Scott's Emulsion for growing children.

## SUPERVISOR TYLER'S STATEMENT.

Both He and His Wife Cured by Kickapoo Oil and Sagwa.

This Popular La Crosse Official Cannot Speak too Strongly of the Curative Properties of the Famous Kickapoo Sagwa and Kickapoo Oil, after Giving Them a Thorough Trial.

Mon. O. J. Tyler, La Crosse, Wis., Member of County Board of Supervisors.

## KICKAPOO INDIAN MEDICINE CO.

Dear Sirs:—It is always a pleasure to me to recommend the Kickapoo Remedies to my friends, for I feel sure that they will be pleased with the results. I have used Sagwa for Kidney and Liver trouble, and found it relieved me in a very few days, and cured me in about a month. I use Sagwa in my home for Indigestion, Rheumatic Troubles and Biliousness, while my wife used Kickapoo Oil for Neuralgic Headaches and Pains, and has been entirely cured. I have yet to find a person who has used your remedies who do not speak in the highest terms of their efficacy.

O. J. TYLER,  
8th and State St., La Crosse, Wis.

Like Supervisor Tyler, we have yet to find a person who has given Kickapoo Sagwa and Kickapoo Oil an honest trial who does not speak in the highest terms of their wonderful curative powers. Kickapoo Sagwa is a purely vegetable preparation, made of roots, herbs, leaves, berries, gums, etc., which do not have any injurious effect upon the system, like mineral medicines do. It cures, cures quickly, and leaves no unpleasant after-effects. For complaints due to disordered Kidneys such as Bright's Disease, Diabetes, Inflammation of the Bladder, Rheumatism, Sciatica, Uric Acid Poisoning; Liver Trouble, such as Constipation, Jaundice, Dizziness, Pimples, Blotches, Muddy Complexion, Boils, Carbuncles, etc., it is without an equal. It cleanses and enriches the blood, restores decay, eliminates poisons from the system, stimulates and enlivens the vital organs, and restores the strength and vigor of health. Kickapoo Oil, the favorite family liniment, is a quick and sure cure for all muscular or nervous pains or troubles, such as Neuralgia, Muscular Rheumatism, Coughs, Colds, Croup, Sore Throat, Chills, Headache, Weak or Lame Back, Cramps, Colic, Stiff Joints, Burns, Bumps, Cuts, Scalds, etc. It's sold at the people's price of 25 cents a bottle, at all druggists.

## BUSINESS NOTES.

Today's local bank clearings amounted to \$906,177.95, as against \$843,143.74 for the same day last year.

Manager Rust of the Dun agency reports business as lively in all jobbing circles, while the retail lines have hardly opened up yet.

The stock certificates in the new Idaho Sugar company are now out and the stock is causing old time investors to rub their eyes. The par value is \$10 per share. Last Friday the quotation was \$10.25; on Saturday it was \$11. This morning Brokers Ashton and Cutler were bidding \$11.75, but no one could be found who was willing to part with his holdings. This afternoon Mr. Ashton raised the bid to \$12, with no better success. The lowest figure at which the stock is offered, according to one broker, is \$12 per share.

Copies of the articles of incorporation of three new corporations of this state were filed with the secretary of the state today. They are: The Brigham City Canning company of Brigham City, capital stock \$25,000, divided into 2,500 shares of the par value of \$10 each. Nelson Jensen is president; L. N. Pierce vice president; S. N. Lee, secretary and treasurer. The Richfield Development company of Richfield, Sevier county, capital \$12,500, divided into 50,000 shares of the par value of 25 cents each. J. M. Lauritzen is president; A. G. Young, vice president; S. G. Clark, secretary; H. N. Hayes, treasurer. The Payson Agricultural and Pasture company of Payson, capital \$1,000, divided into 1,000 shares of the par value of \$1 each. Carl C. Schramm, Peter Winward, John H. Frei, L. A. Thurman and James E. Jones are the directors of the company.

At yesterday afternoon's meeting of the newly elected directors of the Cunningham company, the following officers were chosen: R. P. Morris, president; J. H. Moyle, vice president; Orson Rummel, secretary, and G. A. Smith, treasurer. They, with J. H. Woodman, George W. Ritter and C. C. Staines, comprise the board of directors. The retiring officers are W. C. Staines, president; L. E. Ritter, vice president; J. H. Woodman, secretary, and L. S. Hill, treasurer, who, with William McIntyre, W. W. Ritter and James Sharpe, were the directors. Staines was chosen as manager to succeed the late Samuel H. Hill, who was manager for 12 years. Mr. Staines is also an old timer with the Cunningham company, and is thoroughly posted in the business.
