

## THE PHYSICAL PARADOX.

It has been said that "the blood is the source of life." It is as truly the source of disease and death. No life, that is to say, no healthy tissue can be generated from impure blood, no organ of the body can normally perform its functions when supplied with impure blood. The fluid that should carry life and health to every part, carries only weakness and disease. Blood is the source of life, only when it is pure. If it has become diseased, it must be cleansed by proper medication, else every pulsation of the human heart sends a wave of disease through the system. To cleanse the blood of all impurities, use Dr. Pierce's Golden Medical Discovery and Pleasant Purgative Pellets, the most efficient alternative, tonic, and cathartic remedies yet discovered. They are especially efficient in scrofulous diseases.

## "Every Day Life."

A rising in the morning, almost first the thing to be thought of is marketing, or getting the necessities of life; and should any one of the family be troubled with Coughs, Colds, Influenza, Hoarseness, difficult breathing, or any affection of the throat, bronchial tubes or lungs, leading to Consumption, a supply of that household necessity, known as

HALE'S HONEY OF HOREHOUND AND TAR,

Which brings strength to the harassed frame, wearied and jaded by a hacking cough, must next be obtained. Ask that fresh, bright, rosy-cheeked girl, who, but a few weeks ago, was lying helpless on her bed, with a hectic flush about making its appearance on her cheeks; ask her what restored to her long nights of balmy sleep, renewed strength, and a final scattering of that cough that was dragging her down to her grave. Ask her what physician was so successful in her case, which seemed to baffle medicine and to defy the many alluring and tempting morsels which anxious hands prepared for her to smooth her journey from this life. Ask her who was the benefactor, and her eyes, speaking volumes, will brighten, her rosy lips will open, while the words warble from her mouth in tones of melody, "HALE'S HONEY OF HOREHOUND AND TAR." Sold by all druggists at 50 cents and \$1 per bottle. Great saving to buy large size. Depot, Crittenton's 7 Sixth Avenue, New York City.
