Murder Case.

MOBILE, Ala., 8.—The testimony in the Sumter County murder case closed yesterday; the decision of the commissioner will probably be rendered to-morrow. The evidence is very conflicting. Nothing was proven by the prosecution as to previous threats by either of the prisoners against Billings. The prisoners are quiet, respectable looking young men, and farmers in Sumter County.

Railroad Collision.

PHILADELPHIA, 8.—A collision occurred on the North Penna. railroad to-day, between a coal train and a passenger train; two passenger cars were detached and several persons injured severely. Nobody was killed. A mistake in the signals was the cause of the accident.

A Villainous Affair.

BUFFALO, N. Y., 8.—The grave of Mrs. Richard J. Carrie, at Holy Cross Cemetery, was robbed on Tuesday night; the casket outside the coffin and the shroud were left lying on the ground. Officers, to-day, visited the medical college with a search warrant, and found the body, with four others. The students were surprised while at the work of dissection. Thirty-nine students were arrested, and taken in procession to the police court. Justice Nash released them on parole, to appear when wanted. There is much excitement over the affair.

At Omaha—More Troops for the South.

OMAHA, 8.—Gen. Jeff. C. Davis, commanding the 23d Infantry, arrived from the west.

The thirteenth Infantry has been ordered to report at New Orleans.

Contention Settled.

NEW ORLEANS, 8.—The contention as to whom the late conservative convention nominated for mayor of New Orleans was settled to-day by the withdrawal of Mayor Wiltz, who pledges his support to J. C. Leeds.

A committee of representative colored men have issued an address to the people of Louisiana, foreshadowing their political action; they say they cherish no animosities towards anybody, and are laboring for a union of the races, in which their rights will be mutually respected.

Address by Senator Thurman.

BALTIMORE, 8.—Senator Thurman delivered an address at the State fair, at Pimlico, to-day, before the Maryland Agricultural and Mechanical Association; about 5,000 persons were present.

Episcopal Convention — Forger Arrested—Libel Suit—English Notables Arrived.

NEW YORK, 8.—In the Episcopal Convention this afternoon, resolutions expressing gratification at the presence of the Bishops of Lichfield, Montreal and Quebec were adopted, also a resolution inviting the members of the Orthodox Greek Church to seats in the body. Considerable time was spent in the discussion and adoption of rules for the government of the convention. A number of memorials were received and referred, among them memorials from Texas and New Jersey praying for a division of each of those dioceses. A message was received from the House of Bishops announcing that a committee, appointed to make suitable responses to a telegram received from the convention sitting at Brighton, England, had decided on the following:

"New York, Oct. 8th.

"The general convention reciprocates the greeting of the Church Congress, and prays for the unity of the whole church in the faith of our Lord Jesus."

The consideration of the rules to govern the convention during its session was then resumed and discussed until the hour of adjournment.

Detectives, last night, arrested, in Brooklyn, John W. Center, an Englishman, accused of being one of a gang of counterfeiters operating in Philadelphia, in altering bonds from one to ten thousand dollars in order to start a bogus insurance company, the bonds being taken to Harrisburg and deposited with the Comptroller for examination preliminary to the application for a charter. The State examiner discovered the fraud, and Governor Hartranft made a requisition on the authorities of this State for Center, who had come here. He has often been arrested, and has served a term in the State prison for forgery. In his room were found several forged bonds, a small printing press, bond paper, dies, etc. Several of the dies contained the names of officials of prominent railroad companies. The names of all the companies whose bonds have probably been counterfeited could not be ascertained, but it is certain that the Union Pacific, Central Pacific, Reading and Philadelphia Railroad Companies, and the Western Union Telegraph Company are among them.

A libel suit has been instituted in the Court of Common Pleas by Cyrus Williams, against the New York *Nation*, to recover damages for an article in that paper charging him with "salting" the Little Emma mine, by which parties were deceived into purchasing stock; the case came up before Judge Robinson to-day, on a motion to dismiss the complaint, on the ground that it nowhere avers that "salting" is any more than a legitimate transaction, or that the plaintiff's character could be injured by such a charge; the decision was reserved.

The Right Hon. William Edward Forster, M.P., and Sir Fowell Buxton, of England, have arrived in this city.

$185,000 Fire and Loss of Life.

This afternoon the building occupied by the Gutta Percha and Rubber Manufacturing Co., in West Fourth St., was completely destroyed; total loss $185,000, insured $100,000. A boy named John Brennan was burned severely, and was fatally injured in leaping from the second story to avoid the flames. Patrick Mulligan was killed by falling walls. The fire is supposed to have originated from the boiling over of inflammable material used in preparing the rubber.

Candidates Accepted.

COLUMBIA, S. C., 8.—The Conservative State Convention, to-day, passed resolutions accepting the candidates for Governor and Lieutenant Governor nominated by the liberal republicans, and adopting as a platform, honesty and economy in the state administration. The delegates assert that the independents are gaining ground everywhere, and will doubtless elect the Governor and Lieutenant Governor.

Adjourned.

CHICAGO, 8.—The Catholic Temperance Convention adjourned this evening. The next convention will meet in Oct., '75, at Cincinnati.

The Sumter County Case.

MOBILE, 8.—The commissioner rendered his decision in the Sumter County case this afternoon, committing Renfroe and Bullock to jail without bail, and discharging Hillman. The commissioner refused to enter into the constitutionality of the law, and based his decision upon the fact that while the establishing of *alibis* in the cases of Bullock and Renfroe was strong, there was testimony enough to justify their committal; after the decision and before it was carried into effect, the United States district attorney asked the commissioner to hold Hillman until a new affidavit, charging him with whipping Wilson and Doyle, could be prepared, and a warrant issued for his arrest. This the commissioner refused to do. Subsequently Hillman told the district attorney he would appear and give bail to answer the new charge.

FOREIGN.

GREAT BRITAIN.

The "Ontario"—Domiciliary Visits.

LONDON, 8.—The report that the steamship *Ontario*, which lost her screw while on the voyage from Quebec to Liverpool, had arrived off Fastnet, is incorrect; the *Ontario* is anchored five miles northwest of Keny Head, Ireland, in a very exposed condition. Tugs have gone to her assistance.

The *Standard's* Berlin special says that in consequence of the domiciliary visits to the residences of the friends of Von Arnim throughout the empire, they cannot communicate with him. It is reported, says the despatch, that these events are connected with a forthcoming book, the early sheets of which are already in circulation in ultramontane circles in Munich and Vienna. It is now said that the missing documents number one hundred.

FRANCE.

Municipal Elections—The Missing Letters.

PARIS, 8.—Municipal elections will be held throughout France previous to the meeting of the Assembly.

The *Journal De Paris* says the Count Von Arnim, when ambassador to Paris, hastened the downfall of President Thiers, and urged Germany to recognize the government of MacMahon immediately. Bismarck disapproved this course, and wrote to the latter why he preferred the policy of Thiers to that of MacMahon. The *Journal* says these are the letters of Bismarck which are missing.

Convention Signed.

The Franco-German convention, re-adjusting the boundaries of the frontier dioceses in accordance with the political boundary of the two countries, was signed in this city yesterday.

PRUSSIA.

More About Von Arnim—Contradicted.

BERLIN, 8.—The Count Von Arnim had an interview with his son and a government official yesterday, and in the course of conversation the Count protested against the insinuation that he had published or intended to publish any documents retained by him; he asserted that there were not state secrets contained in the papers. He also stated that he noticed in the spring that there was a deficiency in the documents belonging to the archives of the Paris embassy.

The report that the Danish minister had delivered a note to the German government is contradicted, he simply presented the complaints of the parties expelled from Schleswig.

ITALY.

Those Letters—Released.

ROME, 8.—The *Voce Della Verita* says that a relation of Von Arnim's says that there is reason to believe that the missing documents relate to the establishment of a new government in France, and to German interference in Spanish affairs.

Monsignore Testiole has been released by the brigands who had captured him, upon payment of a ransom of ten thousand dollars.

SPAIN.

Retired—Disbanded.

MADRID, 8.—The *Iberia* newspaper says that General Dorregary has retired from the service of Don Carlos, because the latter refused to act upon Dorregary's advice to dismiss some of his present friends and recall General Cambrera.

The Spanish government has disbanded ten thousand soldiers, whose term of service had expired.

TURKEY.

Help for the Famine-Stricken.

CONSTANTINOPLE, 8.—The Porte will send at once twenty-six thousand bushels of corn to relieve the famine distressed people of Asia Minor, and eleven thousand oxen to plough their fields.

BRAZIL.

Fortifying—Captured by the Rebels.

RIO JANEIRO, 8.—Buenos Ayres advices state that the government troops are fortifying all strategetical points. The insurgents are assembled under Carreles and Gen. Mitre, at Colonia, in Uraguay, opposite Buenos Ayres. It is asserted that General Mitre will take the chief command. The insurgents have captured the island of San Martin Garcia.

WEST INDIES.

Troops from Spain.

HAVANA, 8.—Three hundred and eighty-seven soldiers arrived here yesterday from Spain.
