ROBINSON BROS. CO.'S ENTIRE STOCK AT THE MERCY OF THE PEOPLE, TO BE SOLD AT EMPHATICALLY THE LOWEST PRICES EVER QUOTED ON NEW AND UP-TO-DATE SHOES WITHIN THE MEMORY OF THE OLDEST INHABITANT OF THIS SECTION OF THE COUNTRY.

Robinson Bros. Shoe Company for the past twenty-one years, one of Salt Lakes most reliable dealers in high grade shoes, has decided to inaugurate the most daring wonder—inspiring sacrifice of shoes ever attempted in the commercial history of Salt Lake City.

For the first and only time in their long and honorable business career in this city the Robinson Bros. Co., finds themselves heavily over-stocked. Truth is stranger than fiction. It would be utterly impossible for us to reduce our tremendous over-stock through the regular channels of business, hence this gigantic sale. Coming as it does right in the very heart of the holiday season, the greatest buying time of the year, when you are figuring and planning to make your dollars go as far as possible, this wonderful sale should stir the City from center to circumference and bring the entire population of Salt Lake City to our doors on Wednesday, December 8th at 9 A. M. We have put out our word to the people that this will be a legitimate sale conducted along the same honorable lines that has marked our business career. And we intend to hold our promise sacred. No matter how great the cost may be. Take into consideration the fact that our stock is one of the best selected and cleanest stocks of shoes to be found in the State of Utah and it will convey to you some idea of what this mighty shoe sale means to the people of this City and surrounding country.

We don't handle any trash, and never did. Shoddy plunder has never found a place within the four walls of our store. Nothing but standard brands of America's leading and foremost makers, such world's famous shoes as the genuine Red Cross for women, the swell up-to-date Howard & Foster, and J. E. Tilts makes, for men, and and the justly celebrated Buster Brown Shoes for children, and other well known makes that mean to shoes what Elgin means to a watch, and Sterling means to silverware.

You have proved us in the past. We will not disappoint you this time with a lot of glittering statements we cannot back up.

Robinson Bros. Co. sale which positively commences Wednesday, Dec. 8th at 9 A. M. is in a class by itself. This is the very first time in our twenty-one years business career in this City that we have advertised or inaugurated a sale of this magnitude and our friends and customers are urged to use their good common sense and come and see with their own eyes.
