ile Instructor the ninth book of the

"Faith Promoting Series." It is

entitled "The Life of Nephi," and is

from the able pen of President George Q. Cannon. It is a work of

over a hundred pages, and the name

state that it is written in a pleasing,

attractive, yet forcible style, losing

none of its power on account of the

language being sufficiently simple to reach the understanding of the

younger class of readers. The sub-

ject of the story, one of the most

conspicuous characters whose life

and doings are recorded in the Book

of Mormon, is one of the noblect

among human kind. In him were

exemplified unwavering faith in the

markable perseverance, humility in

clearly portrayed by the author of

this little work, the perusal of which is well calculated to fill the

reader, young or aged, with lofty aims and aspirations after the good,
