

## LEGAL ACTION AGAINST STRIKERS

Scores of Eviction Notices Served  
Commanding Them to Get Out  
Of Company Houses.

CRISIS SEEMS NEAR AT HAND.

Sheriff Taking Arms and Men Into  
Pressed Steel Car Co's Plant  
At McKees Rocks, Pa.

Pittsburg, July 22.—Scores of eviction notices served last night upon strikers, arrangements by Sheriff A. C. Gumbert to import additional firearms and deputies into the Pressed Steel Car company's plant, reinforcement of rangers by the company and pickets by the strikers and rumors of approaching strikebreakers indicate that a crisis is near in the big strike at the car works at McKees Rocks, Pa.

Peremptory demands upon strikers to vacate the company houses they now occupy, were made last night by the Fidelity Land company, which rents the houses last night advantage was taken of the deserted condition of street and railroad tracks to shoot three loaded box cars into the plant. The cars were labeled scrap iron, but the striking workmen are firmly convinced the cars carried strikebreakers into the plant. For additional deputy sheriffs will be sent to the car works and Sheriff Gumbert has arranged to send 25 more riot guns into the plant. Twenty-five armed deputies will hereafter guard the main entrance to the car works.

The strikers say they will not draw their pay on Saturday, the regular payday of the company.

Charles F. Weller of the Associated Charles, will conduct an investigation into the condition of the strikers' families today.

One result of the failure of the Public Defense association to end the strike will be the presentation of a bill to the next legislature giving courts jurisdiction in matters pertaining to private corporations. Atty. A. Anderson for the association, made this announcement today.

The unorganized strikers are receiving the support of the union in and about Pittsburg. Exclusionists denounced the directorate of the car company and commending the strikers were adopted last night by the district council of carpenters and joiners.

**WHITE WIFE LOYAL TO CHINESE HUSBAND**

Washington, July 22.—Loyal to him though he is old and probably insane, Mrs. Sam Wah, a young and good looking Chinese, is the wife of a Chinese man who has been in the country for many years.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local remedies, have proven catarrh to be a constitutional disease and therefore require constitutional treatment. Hall's Catarrh Cure, manufactured by Dr. J. C. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful, and acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case of Catarrh of the bladder or prostate gland, or of the eye, ear, nose or throat, which cannot be cured by Hall's Catarrh Cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio.

**ARRESTED FOR ARSON.**

Proprietor of Store in Mastontown, Pa.,

Which Was Burned; Loss \$200,000.

Uniontown, Pa., July 22.—County

detectives yesterday arrested Aaron

Rodney, a clerk, and Louis B. Beyer,

proprietor of the general store in which

it is alleged the \$200,000 blaze at

Mastontown on Tuesday morning was first

discovered.

The authorities have charged the men

with arson. According to detectives,

investigation of the fire discloses the

fact that it was not caused by lightning

but by oil-soaked clothes placed in

stairways adjacent to Miller's store.

When Rodney was arrested yesterday

day a crowd of several hundred persons

gathered about the flimsy jail in

which he was placed and tried to batter

down the door. The constable in

charge of the jail was temporarily ab-

sent but his arrival in company with

several deputy sheriffs probably saved

Rodney from violence.

**SHOW DISCREPANCIES IN WILLING'S TESTIMONY**

Was First Man to Say He Reached

Scene of Tragedy in Time to See

Adams Beating Sutton.

Annapolis, Md., July 21.—When the

naval board of inquiry investigating the

death of Lieut. James N. Sutton of

Portland, Or., finished its third ses-

sion today, only four witnesses out of

the 15 subpoenaed by the government

had been examined. Court Attorney

of Washington, of counsel for Sutton's

mother, said after court that outside

of Mrs. Rose Sutton Parker, sister of

Lieut. Sutton, there probably would be

no witnesses beyond those on the gov-

ernment list.

In a few minor points Henry E.

Davis, chief counsel for the Suttons,

showed discrepancies in Lieut. Will-

ing's testimony at this and the former

inquiry.

Willing was the first man to say that

he reached the scene of the trag-

edy in time to see Adams beating Sut-

ton. Lieut. Bevan testified that he saw

no blows exchanged.

As Lieut. Willing on cross examina-

tion described Sutton with Adams fol-

lowing him by the back of the neck with

one hand and punching him with the

other, Mrs. Parker, who had directly

opposite the witness, smiled incredu-

lously and turning to Mr. Vandye,

one of her counsel, said:

"I cannot see how a wild man as they

describe my brother to have been stand-

ing up with a revolver in each hand

and taking a punching like that. It is

wholly incredible."

The judge asked Willing if he

thought the beating Sutton got

would have killed him or if the wit-

ness had any way of knowing whether

Sutton was dead before the last shot

was fired. It is known that Mrs. Sut-

ton has impressed upon Maj. Leonard

her belief that her son was beaten to

death and afterward shot.

The witness answered these ques-

tions in the negative. He said he took

a service revolver from his pocket

hand after the shooting, but could not

remember what became of it after

that.

Lieut. Bevan created a stir when he
