RUSH TO MASON VALLEY.

Goldfield Boomers Go in Droves to Scene of New Strike,

A few days ago the report reached Goldfield, Nev., that a rich strike of gold ore had been made in Mason Val-ley, near Yerrington. Lost Friday morning over 40 citizens of this gold camp boarded the train and departed for the scene of the new finds. The next train out carried other gold hunt-ers. It was in the nature of a stam-pede and every available horse and con-veyance in the vicinity of Wabuska and Yerrington was engaged. Just what the finds will amount to will probably be determined in a very short time. Some sensationally rich ore has been found and indications point, it is said, to large and permafew days ago the report reached point, it is said, to large and perma-

o the land, however, it must show that it is non-mineral in character, and nore valuable for agriculture than for

other purposes. The railroad surveying corps is said to consist of seven men. Their presence in the district has created much ill-feeling among the mining men.

GOT INTO TROUBLE.

Harry Hudson, who has been operat-ing in Manhattan for several months, says the Bonanza of Tonopah, was arrested in that camp last week on the charge of obtaining money under false charge of obtaining money under false pretenses. He was given a preliminary hearing before Judge Chambers, who bound him over to the grand jury. His bail was fixed at \$1,500, which he fur-nished. It is alleged that Hudson dis-posed of some valuable property be-longing to Judge Vermilyea to represen-tatives of Senator Kearns of Utah for a consideration of \$15,000. Of this amount \$250 was paid to Hudson in cash and the remainder was payable at regular intervals of 30 days. Hudson claims that the property is his and that he has a perfect right to dispose of it. he has a perfect right to dispose of it

NEW COAL COMPANY.

One Formed to Operate Property Near Town of Draper.

The Draper coal company is the name of a new corporation which came into legal existence yesterday. The capital stock is given at \$1,009,000 and don,000 shares, and the officers and in-corporators are: Henry W. Brown, president: John H. Garfield, vice presi-dent; John R. Allen, secretary. The company owner is the secretary. The company owns a large group of claims near the town of Draper, situ-ated about 18 miles south of Salt Lake City. The coal vein opened on the ground measures nine feet in thickness and is said to bear every evidence of City. The Red Fish Lake Mining company,

also incorporated late yesterday, has a capitalization of 100,000 shares of stock of the par value of 10 cents a share. Its object is the development of mining property in Blaine county, Idaho. The directors are Kent O. Keyes, president; J. E. Gogling secretary: Thomas Torma and Gosling, secretary; Thomas Tague and R. L. Conely

AUSTIN GETTING BUSY.

Sees an Opportunity to Capture Business of Mining Camps.

The citizens of Austin, Nev., are waking up to the fact that their city can be made the distributing point for a large mining region south of that point, and steps are being taken to that point, and steps are being taken towards the es-tablishment of an automobile line be-tween Austin and Manhattan, also fouching at Gordon, the metropolis of the Round Mountain district. A. D. Renfro, the Tonopah auto, op-rator, who has a line of cars running regularly between Tonopab and Man-hattan, expects to go over the road be-tween Manhattan and Austin this week for the purpose of conferring with for the purpose of conferring with Austin citizens and particularly with the Railroad company, regarding the in-suguration of auto, service to the camps named. The distance from Man-hattan to Austin is about 75 miles, and

Special Correspondence.

Provo, May 2 .- Paul Gasser and Alta Provo, May 2.--Paul Gasser and Alta Gasser have conveyed by mining deed to Lewis N. Fisher and Edwin R. Fisher, all of Payson, an undivided one-sixth interest in the Lucky Boy mining claim, situated in the Eldorado mining district. The consideration named is \$50.

Manhattan have run up into the thou-sands of dollars per ton. The formation is a highly altered porphry, andesite and rhyolite. There is some altered granite on the east side of the mountain, and running into the granite can be seen the Manhattan shale formation. Round Mountain les on the edge of the granite and shale belt. All the orea carry a percentage of iron in the form of oxides. There are eight companies, working properties at the present time and 20 more are in process of organi-zation. Gordon will be a busy camp in the coming summer.

CONCENTRATES.

Manager Matt Daugherty of the Car-bonate Hill mine near Morgan, is in the ity today with a car of ore.

The Honerine drain tunnel has been extended into the mountain above the town of Stockton to a distance of 10,359 feet

The ore and bullion settlements re-ported late yesterday by McCornick & Company were: Crude ore and con-centrate, \$20,250; base bullion, \$27,000.

Justice G. W. Bartch of the supreme Justice G. W. Bartch of the supreme court of Utah has been looking over mining interests in the camp of Man-hattan, Nevada. The judge will visit California before returning.

Plans are well advanced, according to a statement issued by the management of the New Red Wing mine of Bing-ham, looking towards the early construction of the proposed consentratng mill

Taylor & Brunton reported the receipt today of 13 cars of ore from Tintic, one from Bingham, and one from Call-fornia. The Pioneer had four from Nevada, two from Tintle and two from Bingham.

William Hatfield returned yesterday from a trip of inspection to the mines of Tintic in which he is a shareholder. He visited the Beck Tunnel property and saw some of the biggest ledges ever opened in Godiva hill.

H. S. Joseph has returned from making an inspection of the property of the Carisa mine at Tintic. He states that developments made recently below the 700 level are of an astonishing character, and that the future of the mine has never looked so bright as it does at the present time.
