The Golden Age of Girlhood
Preserve the beauty of the teeth
with SODASOD, and then when
the hair is silvered and the eyes
dimmed with years, the mouth
will still reveal two glittering rows
of unsullied ivory.

It itches in the third degree,
if not worse, to suffer a cough
and cold to culminate in consumption,
when a single bottle of HALE'S
HONEY OF HORSEHORN AND TAR,
taken in time, would effect a per-
fect and permanent cure.

IMPORTANT TO THE TRAVEL-
ER. It is the duty of all persons be-
fore starting on a journey to ascer-
tain by what route they can reach
their destination with the least
trouble, and if there are two or
more roads leading to the same
point, decide which is the safest
and pleasantest to travel.

We take pleasure in stating, that
the CHICAGO & NORTH-WESTERN
RAILWAY is the oldest, and several
miles the shortest, route between
Omaha and Chicago. Within the
past two years the road bed has
been put in admirable condition,
and almost the entire line has been
re-laid with steel rails.

The Depot in Chicago is central-
ly located, and as their trains ar-
rive there thirty minutes in ad-
vance of all other lines, passengers
can always be sure of making East
ern connections.

Closes connections are made at
Chicago with the Lake Shore &
Michigan Southern, Michigan Central,
Baltimore & Ohio, Pittsburgh,
Fort Wayne & Chicago, Kansas
City and Pan Handle Routes, for
all points EAST and SOUTH-
EAST.

If you are going to Chicago, or
East, you should, by all means,
purchase your tickets on the Old
Pioneer Route.

The Chicago and North-Western.
You will find on all through
trains Pullman Sleepers, new and
magnificent Day Coaches, and the
best Smoking and Second Class
Cars now on any road in the United
States.

Particular information with
maps, time tables, etc., may be had
at any of the Through Ticket Of-
fices in the West, upon personal
or written application to J. W.
Iron, Ticket Agent, Salt Lake
City, A. H. East, Ticket Agent at
Ogden, or to J. H. Mountain, West-
ern Travelling Agent, Omaha, Neb.,
or to W. H. Stenner, General Pa-
ssenger Agent, Chicago. d34

the alarm was rung and the fire-

but the flames were extinguished,
with but little damage, before the

Theatre. — The Salt Lake Dramatic
Combination propose to give
semi-weekly performances at the
Theatre, and to produce all the
available novelties of the day. The
first performance will take place on
Saturday evening next, when they
will introduce Tom Taylor's drama

with the farce of the "Asca Belle."
Second performance on Wednes-
day evening, Jan. 12.

New Meeting House at American
Fork. — Bishop Harrington, of
American Fork, called this morn-
ing, and during conversation he
informed us that the people of his
city are preparing to build a new
meeting house or tabernacle of
a size and style commensurate with
their increased numbers and
means, the present one being too
small to be convenient. The new
building will be eighty by
fifty feet, and thirty feet in the
diam from floor to ceiling; it will
have a gallery, and tower and bell;
will be built partly of rock, partly
of brick, the rockwork, probably
reaching six feet above the ground.
A large force of hands are already
at work, some digging the founda-
tion, others getting out rock from a
canyon north of Lehi. It is designed
to push the structure ahead as
fast as possible, and to have, when
completed, one of the handsomest and
most commodious places of
worship in the Territory. H. M.
