The English Bible—Prof. E. C. Gilchrist lectured yesterday, before the audience, on "The English Bible," and was listened to by a large audience.

Young Cole Escapes—Sheriff Emery received word yesterday afternoon that Willie Cole, who was committed from this county, had escaped from the Industrial school at Ogden.

Fair in 1907—Gov. Cutler has referred to the Commercial club and the American First league, a request from the Jamestown, Va., exposition authorities that Utah be represented at their 1907 exposition.

Extra Inspectors—The resolution adopted by the city council on Tuesday night, authorizing the employment of 10 extra sanitary inspectors and five extra garbage wagons during the cleaning up season, has been approved by Mayor Thompson.

Articles Filed—A copy of the articles of incorporation of the H. & M. Investment company of Wyoming has been filed in the county clerk's office. Its capital stock is \$10,000, divided into shares of the par value of \$100 each. The incorporators are E. E. McConaughy, Glen R. Bothwell and Frank E. Loebe, all of Salt Lake.

Will Be Prosecuted—Parties who engage in cock fighting are to be prosecuted. This is the edict from the humane officer T. A. Heringer. He instances two such games that have been pulled off recently, one at the corner of Park and the other over Jordan. Some of the participants are known to him, and the officer intends to put a stop to the practice.

In Honor of Bishop—A ward party in honor of Oliver Hodgson, who recently retired as Bishop of the Third ward, will be given at the regular community evening, and a most happy occasion is expected. An excellent program consisting of musical and literary numbers will be rendered. Bishop Hodgson holds a high place in the estimation of the people of the Third ward because of his faithful labors and his great generosity in furnishing most of the means in erecting the new meetinghouse.

Civil Service Jobs—There will be civil service examinations in the city may 16 for the following positions: Bookkeepers at Panama, at \$100 to \$125 per month; linotype machine operators at \$100 to \$125; naval magazine attendants at \$2 per day; herd book assistant at \$120; engineer and miller at San Carlos Indian agency at \$90; wheelwright and blacksmith in the quartermaster's department at \$100; and a laundryman at Ellis Island at \$75; law clerk at \$90, and repairman in the weather bureau at \$70.

Miss Jessup has been in the regular service for two years, but owing to the rush for Nevada, work in the Utah surveyor general's office fell off so during the last year that it has been necessary for a large fraction of the employees in the office to try their hands at something else for the time being. However, the work is now picking up again.

WESTERN MARKET LETTER.

Special Correspondence. Stockyards, Kansas City, Mo., April 16. 1906.—Cattle from distant points were scarce last week, and nothing of this sort was seen today. One lot of 100 head of good bay fed steers from near Pueblo, 1175 pounds, sold to killers at 4.90 per pound. Prices of milking stuff remained about steady during the week. Fancy stockers and feeders of the market were lower than any time this season, a drove of 450 pound stockers from New Mexico making 100 to the middle of the week, and a choice lot of native feeders, 900 pounds, sold at 3.75, the highest price for native feeders or stockers. Most of this class of stuff was too fleshy, as the demand from the country was for thin washed stuff. Packers took the surplus at steady prices. Cows and calves were lower than at the best time two weeks ago, but still bring remunerative prices, 25 to 4.75 for the best, and 2.00 for the thin stock cows or heifers, which bring 2.25 to 3.25. Bulls are selling at 2.50 to 3.75 for bulk or culls. Fat steers are beginning to get scarce, and a rise on them would not be surprising, though not as big an advance as occurred last April, at which time prices were nearly 100 per cent higher than now. Yearlings are lower, at 5.00 to 6.50 for good ones.

Stock prices are gradually advancing, market strong to good, higher today, supply 4500 head. The run last week was a record, and the supply is likely to still further diminish, prices of the market are high. Fat to good woolled lambs sold today at 4.40 to 6.50, which did not represent the full strength of the market. Clip stock with clipped lambs sold at 2.00 to 3.00, clipped wethers 4.70 to 5.00, clipped sheep and yearlings 5.25, woolled ewes 5.25 to 6.00. A band of medium quality, clipped Texas wethers, 75 pounds, sold at 4.50 today. A few good thin, clipped, Monte Vista lambs went to the country at 5.50 last week.

FULL OF TRAGIC MEANING are these lines from J. H. Simmons, of Casey, Ia. Think what might have resulted from his terrible cough if he had not taken the medicine about which he writes: "I had a fearful cough that disturbed my night's rest. I tried everything, but nothing would relieve it, until I took Dr. King's New Discovery for Consumption, Coughs and Colds, which completely cured me." Instantly relieved, permanent cures all throat and lung diseases, prevents grip and pneumonia. At Z. C. M. I. Drug Store, 112-114 South Main Street, furnished, 50c and \$1.00. Trial bottle free.

THIEVES STOLE CERTIFICATES.

Took Property of Citizens From The Safety Deposit Boxes.

SUSPECTS ARE UNDER ARREST

Three Men in Jail at Kaysville and One at Farmington But None Have Been Identified.

(Special to the "News.") Farmington, April 19.—The people of this town have now recovered from the shock they received on the morning of the 17th, when three robbers blew up the Davis county bank. Officers are still hard at work on the case and hope to land the guilty persons in jail. Three suspects are under arrest at Kaysville, and one is in the county jail here. The names of the suspects are not known, as they refuse to talk about their arrest except to say that they know nothing about the outrage.

It was learned here last evening that several safety deposit boxes were looted and a number of stock certificates belonging to citizens were stolen. The exact value of the certificates cannot be given at this time. The bank people do not know what the value is, but the certificates are absolutely worthless to the thieves.

The bank examiner was here yesterday and this afternoon checking up accounts, but nothing was given out for publication.

The handcar stolen from the Oregon Road section house, and on which the robbers made their escape, has been found near the Hot Springs on a side track. It was backed up against some box cars and the wheels were which probably accounts for the delay in locating it. It is believed that the robbers made their escape by abandoning the handcar, and struck out for Salt Lake in the hope of covering up their tracks in the city.

DON'T BORROW TROUBLE.

It is a bad habit to borrow anything but the worst thing you can possible borrow is trouble. When sick, sore, heavy, weary and worn-out by the pains and poisons of dyspepsia, biliousness, Bright's disease, and similar internal disorders, don't sit down and brood over your symptoms, but fly for relief to Electric Bile Beans. They will find sure and permanent forgetfulness of all your troubles, and your body will not be burdened by a load of debt disease. At Z. C. M. I. Drug Store, 112-114 South Main Street. Price 50c. Guaranteed.

ODD FELLOWS' OFFICERS.

Elected Yesterday Afternoon in Annual Convention—Membership 2,835.

The Utah Grand Lodge of Odd Fellows in annual convention yesterday afternoon, chose these officers for the ensuing year: Grand Master—Thomas M. Springer of Park City. Deputy Grand Master—F. M. Uimer of Salt Lake. Grand Secretary—W. W. Thompson of Europa. Grand Treasurer—C. S. Pearson of Logan. These officers and others to be appointed are being installed at this afternoon session.

There are now 41 lodges in the state with a total membership of 2,835; and 100 lodge lodges with 500 members. In 1905 the relief paid out amounted to \$13,745. The grand lodge of the regulars is held at the city with a silver cup as a reward for the exemplification of the work of the degrees, after 200 people had witnessed the effort.

CONTRACTS SIGNED.

Barber Asphalt Company Will do Street Paving.

The contracts for the street paving, which were awarded to the Barber Asphalt company, were signed yesterday afternoon by C. H. Draney, the duly authorized agent of the company, and are now ready to be submitted to the city council for their approval.

Given bonds to the city for the faithful performance of the contract, and the bond being \$25,000 for each of the three paving contracts or a total of \$75,000.

GRIP QUICKLY KNOCKED OUT.

"Some weeks ago during the severe winter weather both my wife and myself contracted severe colds which specifically developed into the worst kind of grippé and all our ministrations failed to bring relief. Mr. J. S. Egerton of Maple Landing, Iowa, 'knew and joints aching, muscles sore, head stuffed up, eyes and ears running, with alternate spells of chills and fever. He tried up every remedy, but to no avail. Finally, he used Chamberlain's Stomach and Liver Remedy, and by its liberal use soon completely knocked out the grippé.' Sold by all druggists.
