## How About that Suit!

Haven't you been promising yourself a suit for this summer? Isn't it a necessity, the purchase of which you can't put off much longer? Why not buy it now and wear it during the

### Jubilee

When shall you get it? There are only two or three things to be considered: Is it PRIZE an object to you? Would you like a suit that fits fit and suits to recommend it and that will look and wear like one made for you by a tailor? If so there is a place where your wants will be met, and that place is here.

A few of these all wool suits for men left at 25.00, plenty of them at 35.00. Very many dress ones at 50.00 and 55.00. The perfection of fine tailoring is reached in the ones at 55.00, 60.00 and 65.00.
