Mayor Selby having declined the Republican nomination for Charges, the first district convention last evening nominated Hon. S. O. Houghton, of Santa Clara. these? How is it to be explained that,

Santa Clara.

Sutter Cherk, 1.—Several attempts were made to cut the ditch leading to the engine at the Ouesta mine, the parties hoping thereby to burst the boilers. Although chased they succeeded in making their escape.

A corporal stationed at the Ouesda mine, while returning last night was followed by several armed men, they only turning when near the earne.

A salute of three gurs was fired at hoon, at Camp Calton, on the raising of a new flag.

The league is in searct season for night again.

There is considerable dissatisfaction with portions of both tickets, and the proposed is that more seratching will be done on both sides than at any other state election which has taken place here.

John Whitseldes, who keeps what is known as a "hogging game" on Kearney street, was arrested to-day on a charge of cheating Gao. Gaffery out of seven hundred dollars.

Simon Harris, III Folsom St., merchant, dropped dead last night.

#### Crown Point, 312; Treasure, 6; Seg goes on to say that he sought to express Belcher, 10; Phonix. 4; Succor, 49; the same thing twenty times, but that

could not recall any noun substantive, FOREIGN NEWS. (common or proper), but could always recall its initial letter. He, therefore, made himself a pocket dictionary of the words in the most general use, its.

cluding the proper names of his children and servants and friends, and in dictionary, and mu his ere down the initial feller he realled the percented the name of which he was in much, "keeping his finger and eye fixed on

the word till he had finished his sentence; but the moment he had closed the book he again format the moment he had closed to be book he again format the moment he had closed to so so the book he again format the moment he had closed to so the book he again format the moment he had closed to so the book he again format the moment he had closed to so the book he again format the moment he had closed to so the book he again format the moment he had closed to so the book he again format the moment he had closed to so the book he again format the moment he had closed to so the book he again format the moment he had closed to so the book he again format the moment he had closed to so the book he again format the moment he had closed to so the book he again format the moment he had closed to so the book he again for a so the the book he again forgot the mame. though he never forgot the initial letter, and could always again recover it 1874. by means of his dictionary. Now, take these three cases together, and we ob- DAY. serve that in one case the whole network of associations contained in a single language was lost through the agency of the disease; in the next case, only GROCERIES A hanquet was given to the Angio- of the disease; in the next case, only American association on Thursday, all the examples of a single part of Among the Americans present were speech, (noun substantive,) in one lan-Dodge Bishop McIrvain, Wilson, Mc-guage, in the last case not even this, but all the examples of the same part of speech, minus the initial letter, which was uniformly retained.

There is a case of a patient in the
Edinburgh Royal Infirmary, under Dr.

Gairdner, whose loss of language was nicate with other people only by signs.

After a time, Dr. Gairdner observed that the other patients in the infirmary thought this man was shamming, and turns of bullion. There are five hun- the reason they gave was, that though dred and fifty millions of france in the he could not speak in any other way he could swear freely.
