

UNION STAKE TABERNACLE

Impressive Services Mark Dedication of Magnificent Church Building at La Grande, Ore.

PREST. JOS. F. SMITH PRESENT

Officiating Prayer and Congratulates People of Stake on Their Achievement.

Special Correspondence.

La Grande, Ore., June 18.—The tabernacle dedicatory services and quarterly conference of the Union Stake of Zion has just closed, being held on the 15th and 16th inst. There were present President Joseph F. Smith, Counselor Andrew H. Lund, Elders John Henry Smith and Hyrum M. Smith, the council of the apostles; also the presidency of Union Stake, together with many members of the high council, many bishops and their counselors and a very large representation of the saints of the stake.

The meetings convened on Saturday at 10 a. m. and 2 p. m., June 15, President Franklin S. Brannwell in charge. President Brannwell gave a general report of the stake, and all reports were fully organized, as are also the stake organizations. In a general way the saints are prospering. Never were prospects better for great crops of all kinds. Our people are living well and paying off their indebtedness and are generally comfortable and happy. The stake tabernacle has cost approximately \$40,000, which is all paid in full. The church has been very liberal in contributing towards this beautiful building, which is perhaps second to none in the state of Oregon. The saints have manifested a very kind and liberal spirit, all paying the tithing made to them, willingly and cheerfully.

President Smith congratulated the saints of the Union stake on what they have achieved in building the magnificent tabernacle, said to be the most wonderful progress since his last visit two years ago, and he felt to rejoice in the unity that exists among the saints and authorities.

Elders John Henry Smith and Hyrum M. Smith and President Lund spoke in a similar strain, felicitating the people on the completion of their grand house of worship. Bishop Stoddard was the concluding speaker.

The L. D. S. quartet sang one of its choice selections. At the Sunday morning session the speakers were Counselor C. W. Nibley and President Andrew H. Lund, and Joseph F. Smith, who spoke on some of the leading principles of the gospel.

Mrs. Lizzie T. Edwards and John Robinson of Salt Lake City sang a duet, which was well received.

In the afternoon, President Brannwell said the building of this tabernacle had not been a burden on the people of this stake, but instead it had been a pleasure. Many thought their assessments were too small. This building, he said, is open free of charge for any and all who will preach Christ and Him crucified. He quoted the article of faith: "We believe in worshipping Almighty God," etc. "Men should not find fault with the belief of others. Let them alone; if people take pleasure in their faith, why should we object?"

Elder John Henry Smith made a short address, endorsing heartily the remarks of President Brannwell.

Stake choir sang "Grant Us Peace," O Lord.

President Joseph F. Smith spoke for upwards of one hour, largely on the line of our homes and families being properly dedicated to the Lord. He read from the Book of Mormon concerning the literal resurrection of our bodies.

The speakers building was actually insufficient to hold the vast multitude who had gathered to witness one of the grandest ceremonies ever enjoyed by the good people of the state of Oregon. Mrs. Edward sang "O Divine Redeemer," which brought to a close the dedicatory services.

Sunday evening a conjoint conference of the Young Men's and Young Ladies Mutual Improvement associations was held. The visiting elders from Salt Lake spoke to an interested audience.

Saturday night a grand concert was given. We had Mrs. Lizzie Thomas Edwards and Prof. John Robinson from Salt Lake City here who simply took the vast audience by storm. The L. D. S. quartet sang "The Lord's Prayer," which was a most proper with one of its choice selections which brought forth a burst of applause which did not cease until it responded to an encore. Not before the song had played four times were the people satisfied. The stake choir, consisting of 75 voices, well trained, sang the "Soldiers' Chorus," from "Faust," and several other numbers equally as fascinating and pleasing. The L. D. S. quartet came in for its usual share of laurels and was presented with a beautiful bouquet of roses, having to respond again and again to the shouts of the people for more. Our Miss Kate Rogers also was well received, having also to respond to an encore, with a fine reading.

Mrs. Jay Van Buren, a local favorite, came in for her share of applause and was also compelled to respond to an encore. Each participant received a beautiful bouquet of flowers. The door receipts for this grand concert were between \$1,400 and \$1,500, the house being literally packed from top to bottom. The general expression is that it was the greatest entertainment ever given in this city, the local papers speaking of it in the highest possible terms. We feel that the good work proper is very great indeed.

On Monday the First Presidency with many local elders made a visit through this beautiful valley. At night a reception was given the brethren at the home of Bishop George Stoddard. The band, quartet, also Mrs. Edwards and Prof. Robinson gave some excellent renditions, all of which were enthusiastically received. At 11 p. m. the visitors took train for Portland.

U. S. DISPENSARY

Describes the Principal Ingredients Contained in Peruna.

Are we claiming too much for Peruna? When we claim it to be an effective remedy for chronic catarrh? Have we abundant proof that Peruna is in reality such a catarrh remedy? Let us see what the United States Dispensary says of the principal ingredients of Peruna.

Take, for instance, the ingredient hydnastis canadensis, or golden seal. The United States Dispensary says of this herbal remedy, that it is largely employed in the treatment of depraved mucous membranes, chronic rhinitis (nasal catarrh), atonic dyspepsia (catarrh of the stomach), chronic intestinal catarrh, catarrhal jaundice (catarrh of the liver), and in diseased mucous membranes of the pelvic organs. It is also recommended for the treatment of various forms of diseases popular to women.

Another ingredient of Peruna, erythra formosa, is classed in the United States Dispensary as a tonic. So also is eucoke classed as a stomachic and as a tonic for the mucous membranes.

Cedron seeds is another ingredient of Peruna, an excellent drug that has been very largely overlooked by the medical profession for the past fifty years. The seeds are to be found in very few drug stores. The United States Dispensary says of the action of cedron that it is used as a bitter tonic and in the treatment of dysentery, and in intermittent diseases as a substitute for quinine.

Oil of copaiba, another ingredient of Peruna, is classed by the United States Dispensary as a mild stimulant and diuretic. It acts on the stomach and intestinal tract. It acts as a stimulant on the genito-urinary membranes. Useful in chronic cystitis, chronic dysentery and diarrhea, and some chronic diseases of the liver and kidneys.

Send us for a free book of testimonials of what the people think of Peruna as a catarrh remedy. The best evidence is the testimony of those who have tried it.

It does no bodily harm. He was also given until Monday to plead. He is charged with stabbing E. M. Pratt with a knife on May 2, 1937.

ARE GETTING POINTERS.

Silver Bow, Mont., County Commissioners Inspect the Joint Building.

The county commissioners of Silver Bow county, Mont., and several city officials from Butte arrived in the city yesterday and during the afternoon made a thorough inspection of the city and county building to secure information to be used in preparing plans for a new county building at Butte. Those in the party are G. R. Brown, James Tickell and J. H. Cronin, members of the board of county commissioners of Silver Bow county; Aldermen Jerry Mullins and W. D. Fournier of the Butte city council, and Phil C. Goodwin, city treasurer of Butte.

Mayor Thompson, Councilman T. R. Black and City Engineer Kelsay and the county commissioners showed the visitors through the building and the latter expressed themselves as highly pleased with it. They declared that it is the most building they have inspected thus far in their travels. The new building to be constructed at Butte for the city and county will cost in the neighborhood of \$1,000,000 and, judging from the talk of the visitors, it will be very similar to the joint building in this city in arrangement. The visitors will remain in the city to take in all the resorts for several days. Elderly citizens and the others will go on to Denver and the others will return to Butte.

DRANK CARBOLIC ACID.

Two-Year-Old Child Drains Contents Of Bottle and Dies.

Little Elizabeth Von Kenel is dead at the home of her parents, Fourteenth South and State street, from the effects of having swallowed a quantity of carbolic acid yesterday afternoon. The child, who was two years old, was left with a neighbor, while her mother went shopping. After playing awhile, Elizabeth asked the neighbor with whom she had been playing to visit her cousin. Arriving there, the children spied a bottle on a shelf, and Elizabeth picked it up and drank of it. The other children declined but the Von Kenel child drained the contents of the bottle.

Mrs. Von Kenel came home just a moments later, and when she found her daughter writhing in pain, Dr. Odell was immediately summoned, and he called in other help, but all that could be done did not save the child's life. Among the articles purchased by Mrs. Von Kenel was a doll intended as a birthday surprise for little Elizabeth.
