THINK OF IT NOW!

Although much is said about the importance of a blood-purifying medicine, it may be possible that the subject has never seriously claimed your attention. *Think of it now!*

Almost every person has some form of scrofulous poison latent in his veins. When this develops in Scrofulous Sores, Ulcers, or Eruptions, or in the form of Rheumatism, or Organic Diseases, the suffering that ensues is terrible. Hence the gratitude of those who discover, as thousands yearly do, that

Ayer's Sarsaparilla

will thoroughly eradicate this evil from the system.

As well expect life without air as health without pure blood. Cleanse the blood with AYER'S SARSAPARILLA.

SENATE.

WASHINGTON, 25.—Logan, from the committee on judiciary, reported two original resolutions which were agreed to, relating to railroad lands; one calling on the Secretary of the Interior to inform the Senate whether any railroad companies mentioned in the act of May 7th, 1878, had failed to comply with the requirements of said act, and when and in what repect they failed, and whether they had subsequently complied, and further, whether said companies had paid dividends and to what amount, and what steps, if any, had been taken to enforce the provisions of said act; the second resolution called on attorneys to furnish similar information.

H. Case and C. K. Elliott, groceries, and N. H. Eckler, saloon. The loss by the fire and water will exceed $175,000, partially covered by insurance. Several lives are reported lost, but as yet only one body, that of Charles Cornell, a crippled soldier, has been recovered. Four others are injured so that they will die. John Prior and Mrs. Banks, waiters, and an unknown colored man, James Hernes, of Cleveland, in attempting to jump from a third story window, struck the telegraph wires and he waswhirled around in such manner as to strike his head and shoulders on the pavement. All were injured and will probably die. Charles Kimball, of Kalamazoo, also received a bad scalp wound in jumping off the balcony. His injuries are not fatal.

When within two rods of their destination the Indians came swarming and flourishing guns, and refused to allow the police to enter. The Colonel commenced quarreling with the chief, but Yellow Calf distinctly refused to give up any men or stolen provisions, saying he never would surrender without a struggle. The policemen then formed in line, but the last had not taken position when suddenly the doors and windows of the cabin were thrown open and the openings fairly filled with rifles. Owing to the great odds and the Indians having protection in the cabin, Col. Horschmer, after a short talk with Yellow Calf, withdrew to a farm house for the night. The people are considerably excited and an uneasy feeling prevails.

CORRESPONDENCE.

ORGANIZATION OF GRANGER WARD.

NORTH JORDAN WARD,
February 25, 1884.

Minutes of a meeting held in the North Jordan Ward House on Feb. 24, 1884.

Present on the stand: A. M. Cannon, President of Stake; D. H. Wells, R. T. Burton, Elias Morris, Chas. Wilcken, Bishop Gardner, of West Jordan; Counselor Shoenfelt, of Brighton, and G. B. Wallace, and Bishop Bennion and counsel.

Bishop Bennion explained the object of the visit of Bro. Cannon and others, was to organize a Ward in the Granger district, as it was getting quite a large-sized settlement, and the distance was too far for the people to travel in all kinds of weather.

The people were also desirous for the organization, as they had children who needed education, etc.

The time was mostly occupied by the brethren in giving good appropriate advice and counsel to the Saints.

The organization of the Granger Ward was completed as follows under the hands of Bros. A. M. Cannon, D. H. Wells, Robt. Burton and Bishop Bennion:

Daniel McRea, bishop; Abram Sorensen and John Bawden, counsellors.

This leaves a vacancy in the North Jordan Ward, as D. McRea was first counsellor to Bishop Bennion.

Yours truly,

WILLIAM H. HAIGH, Clerk.

DEATHS.

NEWMAN.—In Salt Lake City, Friday, Feb. 15th, at ten minutes to twelve o'clock p. m., Henry Geo. Newman, of Pleasant Grove, Utah County.

Deceased was the son of Wm. Newman and Charlotte Callaway; was born January 9th, 1818, at Lye Hill, Parish of Burbage, Wilts, England.

At an early age he embraced the Gospel in his native land, as soon as it was made known to him. Was a man of sterling worth and firm integrity; always a kind friend to the Elders traveling in that district; went through many persecutions for the Gospel's sake, but it only made him more zealous for the truth. He was an exemplary man both in his walk and conduct, and both he and his wife did their utmost for the spreading of the Gospel in that legion of county, in delivering tracts, preaching, etc. Emigrated to Utah with his family in 1863, besides bringing out an adopted daughter, and assisting many others; settled in Pleasant Grove, Utah County, and has since been a resident of that place. He leaves a numerous posterity, three sons and three daughters, and twenty-one grandchildren to mourn his departure. May he rest in peace till the morning of the first resurrection.—[COM.

A MARVELOUS STORY

TOLD IN TWO LETTERS.

FROM THE SON: "23 Cedar St., New York, Oct. 22, 1882.

"*Gentlemen:* My father resides at Glover, Vt. He has been a great sufferer from Scrofula, and the inclosed letter will tell you what a marvelous effect

Ayer's Sarsaparilla

has had in his case. I think his blood must have contained the humor for at least ten years; but it did not show, except in the form of a scrofulous sore on the wrist, until about five years ago. From a few spots which appeared at that time, it gradually spread so as to cover his entire body. I assure you he was terribly afflicted, and an object of pity, when he began using your medicine. Now, there are few men of his age who enjoy as good health as he has. I could easily name fifty persons who would testify to the facts in his case.

Yours truly, W. M. PHILLIPS."

FROM THE FATHER: "It is both a pleasure and a duty for me to state to you the benefit I have derived from the use of

Ayer's Sarsaparilla.

Six months ago I was completely covered with a terrible humor and scrofulous sores. The tumor caused an intolerable and intolerable itching, and the skin cracked so as to cause the blood to flow in many places whenever I moved. My sufferings were great, and my life a burden. I commenced the use of the SARSAPARILLA in April last, and have used it regularly since that time. My condition began to improve at once. The sores have all healed, and I feel perfectly well in every respect—being now able to do a good day's work, although 73 years of age. Many inquire what has wrought such a cure in my case, and I tell them, as I have here tried to tell you. AYER'S SARSAPARILLA. Glover, Vt., Oct. 21, 1882. Yours gratefully,

HIRAM PHILLIPS."

AYER'S SARSAPARILLA cures Scrofula and all Scrofulous Complaints, Erysipelas, Eczema, Ringworm, Blotches, Sores, Boils, Tumors, and Eruptions of the Skin. It clears the blood of all impurities, aids digestion, stimulates the action of the bowels, and thus restores vitality and strengthens the whole system.
