OGDEN NEWS.

OGDEN, DEC. 1, 1900.

SPREAD OF "SMALLPOX."

Nearly Forty Cases Now in the Junction City—Additional Inspectors Appointed.

Sanitary and Health Measures Suggested by Inspector Watkins—Wedding Chimes—Election Judges.

There is much anxiety felt by the city authorities respecting the rapid spread of "smallpox" in Ogden. There were five new cases discovered in Ogden yesterday, the victims being Zed Low, an extra in the fire department, residing on 23rd street, a Mrs. Johnson on 21st street, a boy named Dean, 350 25th street, and a young man at the home of C. B. Evans, on 20th street. There are now twenty-two cases in the northern part of the city, from 25th street north, and it is assumed that there are at least 150 cases in other parts of the city. The sanitary inspectors, with the assistance of health officers, are working hard to check the disease, and several deputy sanitary inspectors have been employed to assist in the work. The mayor has issued an order that any person who has been quarantined and who violates the rules by leaving the house will be punished severely. Sanitary Inspector Watkins directed that the public clean up their yards and that premises and keep them clean, so that there will not be any danger of disease coming from that source.

SCHOOL ELECTION JUDGES.

The board of education last night appointed judges of election for the school election on Dec. 5 as follows: First Ward—W. J. Stephens, Thomas F. Gennett, Mrs. J. E. Goudige, H. Sturtevant, Miss Emma Olsen. Third Ward—Walter Parry, M. L. Jones, W. W. Crane. Fourth Ward—William Sullivan. Fifth Ward—Mrs. Mary Flinders, Israel Brown, Thomas Whalen.

GOING TO EVANSTON.

Yesterday word was received at Ogden that Frank B. Parker, who for the past three months has been yard master here for the Union Pacific, has been appointed as assistant superintendent of the Wyoming division with headquarters at Evanston, and Mr. George J. Cunningham, who has been yard master at Laramie, has been appointed to take charge of the yards at Ogden.

WEDDING CHIMES.

Marriage license was granted to Frank S. Higley, 26, and Miss Nettie Byington, 22, both of Hooper. They were married by Justice Breiden. The reception in Ogden city cost \$3,757.11.

BRIEFS AND PERSONALS.

General Manager Dickinson of the Union Pacific was in Ogden yesterday. A grant of the Pacific Mail Steamship company is in Ogden registered at the Pacific. Henry Dinwoody of Salt Lake is in Ogden the guest of H. Wright. George Ferguson and John Porter have gone to Nevada to purchase some cattle for the Ogden Packing company. J. Wash Young of Salt Lake is in Ogden on business. Yesterday the distinguished Japanese passed through Ogden en route for the East and Europe. Dan Spencer of Salt Lake was in Ogden yesterday. Thomas D. Dee returned yesterday from a trip to San Francisco. The Rathbone sisters were entertained this afternoon by Mrs. A. W. Brown. A very pleasant graphophone social was given last evening in the Baptist church.

BLOWN TO ATOMS.

The old idea that the body sometimes needs a powerful, drastic, purgative pill has been exploded; for Dr. King's New Life Pills, which are perfectly harmless, gently stimulate liver and bowels to expel poisonous matter, cleanse the system and absolutely cure Constipation and Sick Headache. PROVO.

MEETING OF BEET GROWERS.

Movement to Secure Sugar Factory Station—School Primaries.

Special Correspondence.

Provo, Dec. 1.—About fifty representative farmers of Provo and Lake View, engaged in growing sugar beets, met last night at the watermaster's office. Bishop Andrew Knudsen was elected chairman and Mr. L. L. Bunnell secretary. Chairman Knudsen stated the object of the meeting to be the consideration of the question of obtaining a rasing station for the Utah Sugar company, located at some convenient point for Provo, Lake View and part of the surrounding districts. The advantages of the rasing station were explained, being a saving in freight, convenience in delivering the beets, permanency in the acreage that could be secured by the beet growers in the district tributary to the station, etc.

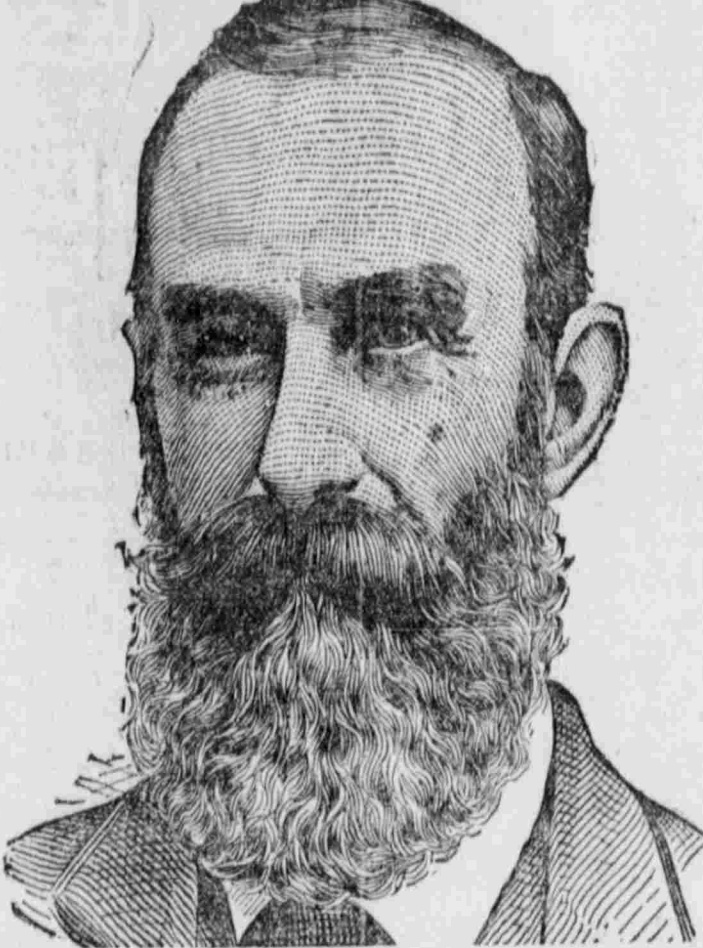

Bishop John Johnson of Lake View, reported that Agricultural Superintendent Austin had informed him that if 4,000 acres of beets could be guaranteed, a rasing station would be built.

The opinion seemed to be that this acreage could not be secured, but that the sugar company would put in a station for a smaller acreage, and those present were unanimously in favor of making every effort to secure it.

A committee of eleven was appointed to confer with Provo farmers, and learn how many acres the farmers will agree to plant in beets, provided the rasing station is secured. The committee for Provo are: Walter Scott, Jas. Fisher, Enoch Goldard, Silas Alfred, Richard Peterson, Christian Bradley, John E. Lewis, Wm. H. Breton, Jacob Young, Jas. Clyde and Isaac Nelson. A similar committee was appointed to interview the farmers of Lake View and the south end of Vineyard district. They are: Samuel E. Bunnell, John Madson, Geo. Scott Jr., H. C. Nelson, Wm. Clegg and George Shumway. The secretary was instructed to write to Superintendent Cutler and obtain information as to the number of acres of beets the company would require to be cultivated in order to justify them in putting in a rasing station, and to report at the next meeting, when the committees appointed to visit the farmers will also report.

If the rasing station is secured the

DOCTORS USE PE-RU-NA.

DR. J. W. PENCE, NEWARK, OHIO.

NEWARK, OHIO. B. Hartman, M. D., Columbus, O.: It is now seventeen years since I received the first edition of your book entitled "The Ills of Life." I received it in the evening mail, and before I retired I read and pondered over every word in the book. I was greatly impressed with your candor and sincerity. The book left no doubt in my mind as to the remarkable virtues of your Pe-Ru-NA. It was because of this impression that I resolved I would test your assertions, and test them in a way that could leave no doubt.

I began prescribing Pe-Ru-NA, as recommended in your book, and prescribed it precisely as you directed. As you know, the prevailing diseases are inflammations or irritations of the internal organs of the body, either of the head, the throat, the lungs, bowels, etc. I prescribed it hundreds of times for these diseases during the last seventeen years, and I have never lost a single case during all this time, although I have often related this to my medical associates, who at first expressed their doubts, and sometimes very emphatically, but after I had treated a large number of cases that had been given up, and cured them, they began to believe what I said.

I rely so wholly upon Pe-Ru-NA in every disease that affects the mucous membranes lining the internal organs, that I never for a moment think of prescribing anything else. Since using Pe-Ru-NA, I have never had a patient die from inflammation of the lungs, bladder, bowels, stomach or kidneys. Every case recovered in a very short time. In other words, I prescribed Pe-Ru-NA for all cases of catarrhal diseases. I believe you are right in classing all irritations and inflammations of the internal organs as catarrh. Catarrh means irritation and inflammation of some mucous surface, and also that such irritation and inflammation are caused either by taking cold, or by some local cause.

I see that you generally use a portrait when you publish a certificate, and as I have just done some pictures taken, I enclose you one. You can use it and this letter, one, or both, just as you wish, if you think it will promote the use of Pe-Ru-NA. If you would like special cases that I have treated with Pe-Ru-NA, I can give you hundreds of them.

Very truly yours, Dr. J. W. Pence. A. W. Perrin, M. D. S., 980 Halsey street, Brooklyn, N. Y., in a recent letter to Dr. Hartman says the following: "I am using your Pe-Ru-NA myself, and am recommending it to my patients in all cases of catarrh, and find it to be more than you represent. Pe-Ru-NA can be had now of all druggists in this section; at A. W. Perrin, M. D. S. the time I began using it, it was unknown."

Send for winter catarrh book. Address The Pe-Ru-NA Medicine Co., Columbus, Ohio.

SAD DEATH OF YOUNG MOTHER.

Mrs. Helen Potter Crooks Succumbs to Blood Poison.

Special Correspondence.

Payson, Utah Co., Nov. 30.—A sad death occurred here last night at 9:30 o'clock. Mrs. Helen Potter Crooks gave birth to a fine baby about ten days ago and was doing well until last Tuesday when blood poisoning set in from which she died last night. Every attention and care was given here, but without avail. She leaves a husband and baby, mother and sisters and many friends to mourn her untimely death as she was but nineteen years of age. Funeral will be held tomorrow at 2 o'clock from the Second ward meeting house.

LOVELESS-McBETH MARRIAGE.

Yesterday Miss Etta Loveless and Frank McBeth were married at the bride's home. Many friends extend best wishes and congratulations.

A Deep Mystery.

It is a mystery why women endure Backache, Headache, Nervousness, Sleeplessness, Melancholy, Fainting and Dizzy Spells when thousands have proved that Electric Bitters will quickly cure such troubles. "I suffered for years with kidney trouble," writes Mrs. Phoebe Cherry, of Peterson, Ia., "and a lame back pained me. I could not dress myself, but Electric Bitters wholly cured me, and, although 73 years old, I now am able to do all my household work." It overcomes Constipation, improves appetite, gives perfect health. Only 50c at Z. C. M. I. Drug Dept.

SOUTH JORDAN.

Festival for the School Children in Honor of Thanksgiving.

Special Correspondence.

South Jordan, Salt Lake Co., Nov. 29.—A very excellent program was given by the school children of this district Wednesday morning, Nov. 28th, in honor of Thanksgiving. The afternoon and evening were devoted to dancing. The teachers were the recipients of many congratulations which they truly merited. And no less than 250 parents witnessed the excellent program.

Concluding remarks were made by our most respected principal. He invited the parents to visit the schools frequently and observe the nature and excellence of the work being accomplished, and be enabled thereby to make home influence a strong factor in education.

LOUAN.

SUGAR FACTORY A CERTAINTY.

Wedding Chimes—Notes from the Agricultural College.

Special Correspondence.

Logan, Cache Co., Nov. 30.—Hon. Charles W. Nibley was in the city today and held an extended conference with the committee in charge of the sugar factory matter. Mr. Nibley stated positively that the sugar factory would be built, whether a site were ten-

dered free or not, as sufficient capital is assured for its installation. Some stock will be disposed of locally, however, and if the Logan people do not tender a site, Lewiston people will. He further stated that the date for beginning work depended upon when machinery could be secured for the factory.

The committee is hard at work and meeting with fair success in raising contributions for the purchase of the site.

THANKSGIVING DAY.

Thanksgiving passed off very quietly in this city. There was a game of football at the Agricultural college between the senior and junior teams, resulting in a score of 6 to 5 in favor of the seniors, and a basketball game at the Brigham Young college between the faculty and students' teams, in which the latter were victorious. Thanksgiving services were held in all the wards, where all who were able donated something to make cheer for the widows and orphans of the city. In the evening amusement was provided by two balls and a theater.

WEDDING CHIMES.

Marriage licenses have been secured by the following couples: Wm. H. Harper, 26, of Trenton, and Ellen G. Harper, 26, of Smithfield; Joseph Haslam, 26, and Mary Kerr, 22, both of Wellsville; Hyrum Lloyd, 23, of Oxford, and Emma Wilson, 21, of Lewiston. Mrs. Jennie Hubbard Lloyd, former city superintendent of schools, has gone to England to meet her husband, who has been performing a mission there, and together they will visit relatives and places of interest in the old world.

AGRICULTURAL COLLEGE NOTES.

Nothing has been done in theatricals at the Agricultural College since the passing days of President Fair. Now in the college are Messrs. Close, Hill and Peterson, and Misses Moench, Baker and Perry are promised a treat. Saturday evening, December 8th, these ladies and gentlemen expect to present in German in the college chapel, to a select invited audience, Benedict's neat little farce, "Elmer's Mistake." As the entire action occurs in a drawing room, neither special costumes nor scenery will be needed; and the play is so simple that there is no reason why it should not be presented very successfully. Other literary and musical exercises will complete the evening's entertainment.

An occasional address from some one not connected with the college, breaks the monotony of the morning chapel reading. Such an address was given a few days ago by the Hon. Moses Thatcher of Salt Lake City. His theme was "The Spirit of Mutual Help—Cooperation Rather Than Competition." He spoke for a half hour and was given the careful attention of all present.

Another variation from the common morning exercise was Mr. Milton's music practice one day last week. After a spirited anthem by the college choir all the students had a practice of fifteen minutes of patriotic songs. College exercises were suspended on Thanksgiving Day. Even the boiler house was at rest, as some of the professors learned, who came up on the hill, to do some extra work.

It was determined at the last faculty meeting that all young men attending the college should drill in the military department for two years, and all also decided that military drill should be passed upon examination for proficiency and count toward graduation.

Miss Geneva Egbert, a former student, and for many years a successful teacher in the public schools of the State, was at the college Friday with a party of friends.

C. B. Smith, the sole young man in the senior class, is absent from his classes on account of illness.

The "Sorores" ball netted the society \$30, which goes toward furnishing the society rooms.

The A. C. football team will entertain the U. C. team from the capital city next Saturday.

Brought Good Fortune.

A small item in his own paper lately brought amazing good fortune to Editor Chris Reitter. He had written a story about a man who had lost his grip in his worst form. Their doctor did them no good. Then he read that Dr. King's New Discovery for Consumption, Coughs and Colds cured all Throat and Lung troubles; tried it and says: "Three bottles cured the whole family. No other medicine on earth equals it." On Dec. 1st, at Z. C. M. I. Drug Dept. Trial bottles free.

SPRINGVILLE.

THANKSGIVING MUSICALS.

Tendered by the School Children—A Creditable Affair.

Special Correspondence.

Springville, Utah Co., Nov. 30.—For Thanksgiving the public schools gave a most interesting, entertaining and praiseworthy musical. It was one of which the parents may feel justly proud and Prof. Royance, who has the music of our schools in charge, and the pupils themselves, who did so admirably well. The musicals showed what a little drill can do for our boys and girls. Each of the twelve numbers was excellent.

It would be a good thing if Principal L. E. Eggerston could see his way clear to give the public a free musical that all could learn of the good that is being done our children along this special line. Every parent should witness a concert for the good it would elicit for the splendid public school work being done. Some thirty dollars were turned over to the piano fund, during the day—received by donations and the concert.

FARMINGTON.

DISTRICT COURT NOTES.

Y. M. M. I. A. Officers' Meeting and Stake Conference.

Special Correspondence.

Farmington, Davis Co., Nov. 30.—Judge Hoagland held another brief session of the November term of district court for this county today.

The case of Frank Wadsworth vs. Ford Brothers' Land and Live Stock company was continued by consent of both parties, with the understanding that a referee may be appointed later by agreement of the parties.

The defendants, and their attorney, in the case of the State of Utah vs. George Evans and Fred Evans, which case was called for trial on the 27th inst., and who failed to appear for trial, with the result that their bail bond was ordered forfeited and a bench warrant issued for their arrest. Were in court this morning for the purpose of having the above order vacated. Attorney D. N. Straup, who is defending them, presented affidavits signed by himself and the defendants, showing to the court that it was an unintentional mistake in regard to dates on the part of the attorney, he having understood that the trial was set for November 25th, instead of November 27th. And upon this showing, the application not being resisted by the State, the order was vacated, and the case will be tried at the convenience of the court and of the parties.

THE CASE OF H. L. DRIVER ET AL VS. UTAH LIGHT & POWER COMPANY.

The case of H. L. Driver et al vs. Utah Light & Power company, was continued for the term.

Y. M. M. I. A. OFFICERS' MEETING.

ANOTHER SO CALLED "INCURABLE" FINDS RELIEF. Catarrh, Lung Trouble, Kidneys and Stomach.

ANDREW BERG, VALLEY HOUSE, SALT LAKE CITY.

Mr. Berg says:—"I have been a very sick man for a long time, and after trying some of the best doctors in California and Utah, found that I was gradually getting worse, as the only cure was temporary relief."

"My trouble was Catarrh, Sore Lungs, distressed Stomach and Kidney disease. My head and nose constantly stopped up, I coughed a great deal, could not eat, my stomach was always sour, and I had terrible pains from the kidneys. I lost 25 pounds, and was unable to work, and really felt like I was ready to die any day."

"I began treatment with Drs. Shores of your city, late in September, and I must say, without much hope of relief, but to my great surprise and satisfaction I began to mend during the first month, and today I feel very much better. I have gained five pounds in weight, I can eat better, my stomach feels easier, kidneys give little or no trouble now, and my cough is almost gone. I am getting better every day and at last see a cure and relief in sight."

"I am glad to endorse the Doctors for I know they understand their business."

(Signed) "A. BERG."
