By Telegraph to the NEWS.]

**Preparing for War.**

BERLIN, Jan. 19.—The military bill as amended passed its first reading before the Reichstag committee today. The committee approved the right to formulate several proposals on the second reading.

M. Stoudoza, member of the Roumanian cabinet, has come to Berlin to obtain an insight into Bismarck's views on the political and military contingency involving the interest of Roumania.

Advices from the frontier report further arrivals of Russian troops. One infantry division arrived at Dubno, another at Rovno. The work of fortifying Dubno goes on without cessation. The condition of the Russian troops on the Galician frontier is rowing worse. Typhus fever is raging, especially at Camp Zeutoschaw. The Warsaw commissary is hastily forwarding provisions.

**Another Spy.**

BERLIN, January 19.—Karl Streisguth, manufacturer, has been arrested at Strasburg on returning from the branch of his works, at Nancy, France. The arrest was due to a confession made by Detz, a spy recently arrested, to the effect that Streisguth had received money from the French government for revealing the instructions given to the Alsatian railway authorities with reference to the operation of the lines in the event of the mobilization of the German forces. The police are searching the houses of Strasburg and seizing all compromising papers.

**Criminal Cases.**

SAN DIEGO, California, January 19.—A year ago a rancher in Moosa Cañon named Luis Stone went east. During his absence a family named Goen, a widow, with two sons and a daughter, took possession of his ranch and cabin. On Stone's return he instituted legal proceedings to eject the parties. His title to the property was confirmed, and last Wednesday, when Sheriff Breidlove went to take possession, the whole family of Goens faced the officers of the law with revolvers. Breidlove snatched the revolver from Mrs. Goen, who was at the door. She seized a gun and shot him in the face. In the melee which followed Citizen Reed was

FATALLY WOUNDED

by Percy Goen; the married daughter of Mrs. Goen was accidentally shot in the neck by her brother, and fell dead. Freeman was severely stunned by a blow on the head. Percy Goen is shot through the head and arm fatally. His sister and brother were dead when the officers retreated with their wounded and Mrs. Goen still holds the fort, declaring she will not leave the place alive.

JOLIET, Ills., Jan. 19.—The charge of arson against Lambert & Bisboff, wire manufacturers, has failed through. The grand jury adjourned without returning an indictment.

MORRISTOWN, Pa., Jan. 19.—Miss Mary A. Brown, broken down in spirit and financially ruined, today made an assignment to B. Percy Chain.

MISS BROWN

is a maiden lady and was reputed to be worth $15,000. All this has melted into nothing, together with thousands that she borrowed to put into a scheme that promised enormous returns. The court records show that there are outstanding against Miss Brown, judgments on mortgages aggregating over $19,000. Miss Brown's financial ruin was effected by a woman whose name is withheld for the present. The woman, a Philadelphian, was an old acquaintance of Miss Brown's and enjoyed her confidence. Miss Brown began lending her money about a year ago on her personal promissory notes, and when her own funds were exhausted borrowed of the banks and friends. Quite recently, Miss Brown requested the borrower to make a return of a portion of the money, and on January 9th received a check on the Third National Bank of Philadelphia, for $10,000, dated January 19th. The check was presented for payment, but was returned marked

"NO DEPOSIT."

The borrower wrote Miss Brown saying, "Don't write to me again; I have no money, but will pay you some time." It is stated that the borrower was neither the woman who conducted the famous "Bank for Women" in Boston nor the celebrated Mme. La Touche. Whoever she was, she promised Miss Brown returns for the loans.

PHILADELPHIA, Jan. 19.—The "lady broker" who is said to be concerned in the investment of $30,000 for Miss M. A. Brown, of Morristown, Pa., has apparently been identified as Mrs. Cordelia Hendricks, of No. 1527 Girard Avenue.

**Mexican Affairs.**

CITY OF MEXICO, Jan. 19.—Great public indignation has been aroused in the State of Pueblo over the assassination within four months, in a remote part of that state, of several Free Masons whose political and religious ideas were repugnant to the fanatical circles. Free Masons throughout the republic support the re-election of Gen. Diaz, and this fact partly explains such acts as those which have shocked the respectable and law-abiding citizens of Pueblo. The clericals in the district mentioned have declared they would kill every Free Mason. It is quite probable that the criminals will be severely punished.

It is reported that a monster petition against allowing bull fights in the federal districts will shortly be presented to the government. There is a strong sentiment here against these spectacles and most of the daily papers attack them as barbarous. In spite of this the fights are attended by people from the first ranks, as well as the masses.

It is reported there is a rich find of gold at Guanajuato.

**THE WEATHER.**

**The Blizzard Not Over Yet.—The South Catching It.**

PIERRE, Dakota, Jan. 19.—Trains have been ordered to await the abatement of the storm. The signal officer at Fort Sully reports another blizzard from the north and predicts a terror. The mercury is now 15 below and still falling.

CHARLESTON, Jan. 19.—This was a very cold morning throughout the south, the temperature at 7:30 a.m. being 26 here and 28 at Jackson. It was

BELOW FREEZING

at almost all points in Florida, but no serious damage to fruits is anticipated.

HALIFAX, N. S., Jan. 19.—The first snow storm of the season is now prevailing, and is one of the heaviest for years. Reports from all parts of the province say the roads are blocked, and that there are bad snow drifts. In the midst of the storm, a mail contractor at Arshat sent a 14-year-old boy named Guernong, with the mail to Robbins' fish establishment. The boy has not been seen since.

NEW ORLEANS, Jan. 19.—A special to the *Times-Democrat* from Opelousa says: The coldest weather experienced here for years has prevailed for the past four days. Sleet and rain fell alternately on Monday and Tuesday, covering the trees with ice

AN INCH THICK.

The ground has been frozen ever since. Business has been practically suspended and travel almost stopped on account of the impassable condition of the roads.

A special from Brownsville, Texas, to the *Times-Democrat* says: The weather here during the past week has been very severe. Telegraphic communication has been interrupted since Friday. Monday was the coldest day experienced on this frontier since 1880-81; the temperature being 21 degrees below, December 31st and January 1st of these years. This year the mercury fell to 18 on both sides of the river. Stock has suffered much, and there have been considerable losses in cattle, horses and sheep. Poor and illy prepared people have

SUFFERED TERRIBLY.

On Tuesday beeves were killed and distributed in the market by Señor Villareal, president of the Red Club, and today the Beef Club distributed nearly 800 large rations of beef and corn and supplied wood to the poor. Three persons, Francis Hezza, aged 92, Marcos Rojas, a teamster of artillery, and an unknown man, have been found frozen to death.

JACKSONVILLE, Jan. 19.—The ice formed here this morning. The orange crop, however, is uninjured, even in North Florida, and the weather is now moderating.

ST. PAUL, Jan. 19.—Specials to the *Pioneer Press* indicate that to-day's storm in Southern Dakota and Minnesota, while severe and accompanied by extreme cold, is not to be classed as a blizzard, and is not likely to be followed by the disastrous consequences of its immediate predecessor. It has, however, had the effect of again

FILLING UP THE CUTS

and temporarily suspending the railroad traffic that was just beginning to be resumed.

ST. PAUL, Jan. 19.—The *Pioneer Press* learns from Wahpeton, Dakota, that the storm which began at 1 o'clock last night is raging furiously tonight. Trains on the Milwaukee road have been abandoned. The Northern Pacific branch is closed up. Manitoba trains are twenty-four hours late. Temperature 33 below.

DULUTH, Jan. 19.—The house of August Wentross burned yesterday morning, ten miles west of here and the family were obliged to trudge nearly a mile barefooted and in their night clothes to a neighbor's house. All were badly frozen. Father Wintross will probably lose his feet and legs. A school teacher living in the houses was also seriously frozen.

**Gladstone's Idea.**

ROME, Jan. 19.—Gladstone has written to Senator Yacini approving his article on the application by the papacy of the principle of international neutralization. Gladstone thinks the adoption of the senator's suggestion would go far toward solving the Roman question.

**The Servians.**

LONDON, Jan. 19.—The Servian government has signed a contract for 150,000 Schulhoff repeating rifles.

Count Mejapolski has been making a tour of Galicia chateaus, endeavoring to promote the combined rising of Austrian and Russian Poles. He met with no success.

**Starved to Death.**

CORK, Jan. 19.—Mrs. Crooke, cousin of Dr. Cross, who was executed recently, has been arrested on the charge of starving her husband, a gentleman of property, aged 57, who died a short time ago. Mrs. Crooke and her husband lived in the same neighborhood with the Cross family. Stories of foul play led to an inquest, at which several doctors swore death resulted from starvation. The jury returned a verdict that the wife was responsible for her husband's death. The woman was admitted to bail.

**Court Ball.**

VIENNA, Jan. 19.—The court ball tonight was a splendid affair. The presentations included Mrs. Lawton, wife of the American Minister, his daughter, Mrs. Mackay and her niece, Miss Louisa Gilmer. The Emperor and Empress today received Baron and Baroness De Rothschild for the first time.

**Diseased Cattle.**

NEW YORK, Jan. 19.—Dr. McLain, of the Department of Animal Industry at Washington, who has been engaged for the past year in stamping out pleuro-pneumonia among cattle in Westchester County, went to New Rochelle today and slaughtered about 70 registered cows on the farm of Frank J. Casanea. In and about the county several hundred head of cattle have been slaughtered.

**Evading the Law.**

NEW YORK, Jan. 19.—A western congressman has written to Emigrant Commissioner Stephenson stating that an entirely insane Swedish girl had arrived at Boone, Iowa, directly from the old country. The Swedish authorities had paid her passage. The client deprecated the admission of such immigrants, and expressed the hope that the present Congress would amend the immigrant laws. Commissioner Stephenson has replied that the existing laws

ARE ADEQUATE,

if strictly enforced, but that by the decision of the Secretary of the Treasury in August last, in contravention of the intent of the statute, as the commissioner thinks, the power to return people of that class to the country from whence they came, was taken from the immigration commissioner and vested in the collector of the port, and that this official never sees the immigrants and is compelled to rely on the statements of interested parties mostly. The commissioner presents statistics showing the result of this change in the method: From July 1, 1887, 1,285 persons, representing mostly the heads of families (which in gross numbers would amount to 4,500 persons, counting the women and children) have been reported to the collector of the port as persons liable to become a

PUBLIC CHARGE

upon the people of the United States in the opinion of the superintendent of the department of charities and corrections and forwarded them to the collector. The sworn statements of the immigrants have, in 1,148 out of 1,285 cases reported, been overruled by the collector, and only 137 out of more than 125,000 immigrants that landed at Castle Garden between July and January of last year have been prohibited from landing.

**How They Like Balfour.**

DUBLIN, Jan. 19.—Balfour, chief secretary for Ireland, attended the judge's luncheon today. He was hooted on entering the building by the crowd which had gathered outside, and which waited for his reappearance so they could hoot him again. When the chief secretary finally emerged from the building, he was smoking a cigar and smiling. He was greeted with fierce yells and jeers, and cries of "Balfour the liar," which were continued until he was out of sight.

**The Railroads.**

NEW YORK, Jan. 19.—The Northern Pacific directors, at their regular meeting today, formally ratified the lease of the Oregon Navigation Company. The only change made from the terms already announced was the elimination of the provision by which the Northern Pacific liability was restricted to one-half the annual rental. The Oregon Navigation directors had already approved of the lease of Tuesday, and the Union Pacific directors ratified it on Wednesday, so the long pending negotiations are

FINALLY ENDED.

By the terms of the lease, as finally agreed to, the Oregon Railway and Navigation Company will be operated by the Union Pacific and Northern Pacific companies for ninety-nine years. The Union Pacific and Northern Pacific jointly and severally guarantee the payment of all charges, including a 6 per cent dividend on the stock per annum, and in case either company fails to pay its proportion of the charges, the other company will be liable for the full amount.

NEW YORK, Jan. 19.—The announcement that the Reading pool formed last October had liquidated caused but little comment on the street today. The principal members of the pool were J. & S. Wormser and Frank Work, F. W. Pearsall, Samuel Thomas, S. V. White and John G. Moore. The stock carried by the pool amounted to 17,000 shares, all of which has been

SOLD OUT

during the past week, the last of it being marketed yesterday.

NEW YORK, Jan. 19.—The first mortgage bondholders of the Wabash Railroad decided to work with the non-assenting second mortgage bondholders against the reorganization of the company.

NEW YORK, Jan. 19.—At the regular meeting of the Northern Pacific Railroad directors today, the indentures of the lease between the Oregon Railway & Navigation Company and the Union Pacific and Northern Pacific, were approved and its execution at once authorized.

CITY OF MEXICO, Jan. 19.—The Guadalajara division of the Central Railway will reach 120 kilometers by the end of the week, or more than half way to Guadalajara. The International Railway from Piedras Negras to Villa Lerdo, on the Central, will be open for traffic next month.

**Labor Notes.**

PHILPDELPHIA, Jan. 19.—John L. Lee, chairman of the Employes' Executive Board, has issued an appeal for support from organized labor wherever found.

The Rolling Mill Association has decided upon a general reduction of wages in the mills represented in its organization, from the basis of 2.2 cents to 2 cents per bar, on account of the depression in the iron trade.

## FIFTIETH CONGRESS.

**SENATE.**

WASHINGTON, Jan. 19.—Hoar, from the committee on appropriations, reported back the delayed deficiency bill, and stated that the amendments reported by the committee were but few in number, and that he would ask the Senate to pass the bill next Monday.

Hawley offered a resolution directing the Secretary of the Interior to report a plan of legislation thought by him to be needed for the disposition of the public timber lands, so as to secure the preservation of the natural forest lands at the head waters of navigable rivers, and to put within the reach of settlers legal means for providing themselves with timber for building their homes. Adopted.

Among the bills introduced today were the following:

By Hoar, to grant a service pension to all survivors of the late war. It provides that all officers and enlisted men who served in the army, navy or marine corps, including regulars and volunteers, subsequent to March 4th, 1861, and prior to July 1st, 1866, shall be entitled to a pension at the rate of one cent for each day's service; this sum to be in addition to any pension for any disability.

By Stanford, a bill for the erection of a public building at Oakland to cost $250,000; also, to increase the appropriation for public a building at Sacramento to $250,000.

After agreeing to a motion that the adjournment today shall be till Monday, the Senate proceeded to the consideration of executive business.

In secret session, senators worked on the calendar of treaties. Those of chief consequence are the British, Russian and Dutch extradition treaties.

It is understood they are now at work on the last named, and that they are discussing the amount of an embezzlement or theft that shall render the criminal liable to extradition.

When the doors reopened the Senate adjourned.

**HOUSE.**

WASHINGTON, Jan. 19.—Belmont (New York) introduced a joint resolution accepting the invitation of the French Republic to take part in the international exposition in Paris in 1889. Referred.

Foran (Ohio), from the committee on appropriations, reported the invalid pensions appropriation bill, and it was referred to the committee of the whole.

Then the struggle over Wilkins' banking bill was resumed. Another unsuccessful effort was made to consider the bill and after an hour's filibustering the matter went over until tomorrow.

After recess, in pursuance of the previous order of the House, the ceremony of the presentation by the State of Massachusetts to the House of portraits of Theodore Sedgwick, Joseph B. Varnum and Nathaniel P. Banks, distinguished citizens of Massachusetts who have occupied the Speaker's chair in the national House of Representatives, was proceeded with. The portraits, handsomely framed, were ranged side by side in front of the clerk's desk, and attracted much attention.

Long (Mass.) made the presentation speech.

Randall made a graceful speech of acceptance and offered appropriate resolutions. These were seconded by Breckenridge (Ky.) and adopted by the House, which then adjourned.

Creditor—When shall I call for the amount of my bill, Mr. Smith?

Debtor—Oh, at any time. What day will best suit your convenience?

Creditor—Well, I have less to do on Thursdays than any other day of the week.

Debtor—Very well, Then you may call for the amount every Thursday.

Wife (to husband who has been to New York)—You murmured in your sleep, last night, John, about seeing an elephant in New York.

Husband—Er—um—did I, my dear?

Wife—Yes, and from the appearance of your pocketbook, which you left on the mantelpiece, I think the elephant must have stepped on it.
