FARMERS.

BY EDWARD HOPPER.

Mighty the farmer in the days of old,  
Who cleared the forest for a glorious State;  
And laid foundations better far than gold,  
To make her temple strong and duly great;  
One that the people love, and tyrants hate.

He cleft the woods, to let the sunshine in;  
He cleft the earth to let the gold flow out;  
And riches, science, art, have ever been  
The fair dependents on his labor stout,  
Whom spangled drones regard an awkward lout.

The founders of old Rome, twin brothers they,  
Were suckled by an old she wolf or bear;  
Pizarro sucked a sow in his young day;  
And many others who true honor wear  
Must with their honor some dishonor share.

But crowns of Evergreen be on their brow  
Who rear a nation while they till the earth!  
More honored they than jewelled idler now,  
And even more, for that their toil gives birth  
To corn, and oil and wine, and harvest mirth.

Stop we their work and all the world grows pale;  
The factories hush their busy noise and din,  
Ranks tumble down, Trade stops her bartering sale,  
The wings of Commerce droop; and pale and thin  
Gaunt Famine eats the land outside and in.

The ruler of the subject, good or bad,  
The banker, doctor, lawyer, parson,  
And layman, painter, poet, sane or mad—  
All the way down from greatest to the least,  
Gnawing a bone or stuffing at a feast!

The wise, the fool, the poor, the rich, the gay,  
The low, the high, the short boys and the tall;  
Profane or pious, howsoever they pray;  
In Church and State, the great men and the small  
Must feed on farmers, or not feed at all.

All honor to the farmers and their wives!  
Long may they live, and long may they  
abound;  
Prolific be their labors and their lives;  
May all their crops be full, and plump, and  
sound,  
To keep ours full that none be empty found.

PERSONAL.—We notice the name of our esteemed delegate, Hon. W. H. Hooper, in the Washington Star of the 14th, among a brief list of brilliant names, at a Drawing Room Reception, at the Executive Mansion on the previous evening. This tells his constituents that he was well, and at the seat of government prompt to attend to his duties.

## Died:

On the morning of the 23d, in this City, infant son of Nelson and Selina Boukowsky.

DIED.—At Mount Joy, Morgan County, Dec. 27th, after a short illness, Edith Secrist, wife of Wm. F. Secrist and daughter of William and Mary Secrist, who emigrated with her parents from Hampshire, England, in 1863. She was a faithful Saint and died in the full faith of a glorious resurrection. Her funeral obsequies were conducted by Elders P. C. Merrill and L. Thornton. *Mill. Star* please copy.

"Rest in peace," a little season  
Thou wast given with us to dwell;  
Now, alas! with grief we bid thee  
Daughter, sister, wife, farewell.

Hope's bright flowers around thy pathway,  
Just began to bud and bloom,  
Making life so bright and lovely,  
When death claimed thee for the tomb.

We, who loved, must miss and mourn thee;  
But with hope and faith we trust,  
In the resurrection morning  
We shall meet thee, 'mongst the just.

HARRIET.

At Chicken Creek, U. T., Dec. 8, 1867, of cholera infantum, Richard Perry, infant son of Richard P. and Nancy Soper, aged 1 year, 2 months and 27 days.

## PUBLIC NOTICE.

YEAR 1868.

C

R/B

G

WE return our sincere thanks to this People for the liberal Patronage we have received, and in view of the great scarcity of money and the decline in the value of some kinds of Goods east, we have determined to offer our Stock at a heavy Discount for

## CASH!

WE will allow a Discount of TEN PER CENT. on all Groceries, except Tea, Sugar, Coffee, Candles and Soap.

A Discount of TEN PER CENT. on all Dry Goods, Clothing and Hardware, except Nails, Horse and Mule Shoes.

A Discount of TWENTY PER CENT. on Hoods, Nubias, and all Goods of this description, including Hats and Caps.

A Discount of from TEN to TWENTY PER CENT. on all kinds of Dishes, Plates, Cups and Saucers, Glassware, Castors, &c., &c.

## ARGUMENT:

THIS we think better for the Customer than Enterprises on the Lottery Plan, these having been tried elsewhere and not found profitable to the investors.

The People know quite well already who sells the Cheapest and Best Goods, and when they get them, knowing them to be cheap, and then get a Discount of from Ten to Twenty per Cent., we think they will come to the conclusion that it is better to have the full benefit of what they spend at once and on the spot, than take ONE Chance in FIFTY of drawing something, some time in the future.

You are not required to purchase "Ten Dollars" worth to entitle you to the Discount, but we will allow it in all cases, whether the purchase be large or small.

This is to give the poor man or poor woman, who cannot get hold of "Ten Dollars," a chance to buy Goods Cheap.

## COME AND TRY IT.

WHY DO WE OFFER THESE TERMS?

Because we are like most of our neighbors, wanting money badly.

Ross &amp; Barratt.

SAN FRANCISCO, CALIF.

THE relative value of CURRENCY TO GOLD is more permanent than heretofore, facilities for getting goods from California all seasons of the year, with quick dispatch, have largely increased of late, rendering San Francisco pre-eminently the Market for Utah.

It is not generally known to the people of Utah that all kinds of goods of foreign production, such as Teas, Coffees, Sugars and Spices, English, French and German Dry Goods, Hosiery and Bag materials; Iron, Steel, Axes, Vices, Chains, Shoeshapes and Horse Nails, Glass, Oils and Paints, Earthenware, Glassware, &c., &c., can be obtained from San Francisco at lower prices than from Eastern Markets.

California and Oregon-made Woolen Goods, both pieces, goods and clothing, are superior to anything imported and cheaper. They have been shipped to Eastern and other markets with advantage.

Mining and Mill Machinery of all kinds Manufacture can also be procured here at a notice.

GOODS DELIVERED at Carson in six days at Austin in seventeen days, and at Salt Lake City, in lots of not less than ten tons, in five days from San Francisco, by good Trains at lower rates of freight than before. Shipments to San Pedro every ten days.
