

BICYCLE RACES AT SAUCER TRACK

The Kramer-Clarke Combination Proves Too Strong for All Others.

BOTH SHOW GREAT SPEED.

World's Champion Captures "McFarland Handicap"—Amateurs Do High And Lofly Tumbling.

When Frank Gardner fired the gun starting the bike riders in the first event at the saucer track last night, every seat around the track was occupied and the race fans were crowding down into the arena. It was a great crowd and those who were fortunate enough to see the events witnessed exhibitions of speed the like of which is not seen in any other city in the United States.

They saw the world's champion, Frank Kramer, with Art J. Clarke, the speedy Australian, fight it out in the two-mile handicap and put up a wonderful ride. When Kramer and the boy from Kanarua landed the up in a combination it makes one that cannot be beaten.

Kramer, Clarke and Lawson were scratch men. The race was a hot one, but none knew why unless it was because McFarland had a place on the forty-yard track. There was no leading in this race. From the start the riders worked for all they were worth. Kramer and Clarke and Lawson caught the lead and began to pull away from the bunch. Kramer and Clarke were in the lead and began to pull away from the bunch. Kramer and Clarke were in the lead and began to pull away from the bunch.

The amateurs did some high and lofly tumbling and after some time the principal victor in the five-mile and in the half-mile handicap he went down. After the first fall he carried on for a while, but soon revived and pronounced himself O. K. In the five-mile event four riders went down at the McCormick road over them without falling.

Broedbecke set a fast pace in the five-mile lap, holding first place for about half the race. At the finish Schnell and Robinson worked to the front and carried off the honors.

IVER LAWSON MARRIES.

Makes Trip to Farmington and Surprises His Friends.

The friends of Iver Lawson were given a surprise at the Salt Palace track last evening when the announcement was made that Mr. Lawson had just returned from a trip to Farmington during the afternoon and were married there.

The ceremony was performed by George H. Blood, county clerk of Davis county, and none of Iver's friends were taken into the secret. The young couple have been keeping company for some time, but had said nothing about their intentions. They will reside in Salt Lake.

It Takes Nerve

Everything depends upon your nerves. It is nerve force that causes the brain to direct the motion of your body; it is nerve force that causes your heart to pulsate, and send the blood through your veins. It is nerve force that causes your stomach to digest food, your kidneys to filter the blood, and the liver to secrete bile.

In fact, nerve force is the power that runs your body, so if you feel worn-out, irritable, nervous, cannot sleep, or eat well, have pain or misery anywhere, your nerves are weak, and your system run-down. To restore this vitality take Dr. Miles' Nerve which will strengthen and build up the nerves. You cannot be healthy without strong nerves.

HUSLER'S FLOUR!
