ord of excitement, small lots, broken lots, they're called, were being taken up. It is now believed that this buying of broken lots has been heavier than ever before. Brokerage bouses in New

Why should you join the **Deservet Building Society** BECAUSE:

BECAUSE: It costs only 10 cents per share (\$100 each) to subscribe. Monthly payments of fifty cents per share are received. At the year's end a dividend of all earnings of the Society except a re-serve fund is added to your credit. The reserve fund is 20 per cent of the net earnings and is fairly divided to each series of Stock as the stock matures. matures It takes 10 years and a half to ma-

ture a series In that time you would pay in \$63 per share. Your stock would then mature and you would draw out \$100

mature and your per share. Stockholders can withdraw ALL the money paid in (except the 10 cents per share entrance fee) at any time receiving their money in the order in which they apply for withdrawal. They also get all dividends declared on their stock up to date of with-

on their stock up to date of with-drawal. The Society is for home builders. Its money is loaned only for the pur-pose of building, buyin~ or improving a home; or to remove a mortage al-ready on the home. Stockholders by giving proper se-curity can borrow \$100 for each share of stock subscribed for; but are not

of stock substribed for, but are not sequired to obtain a loan in order to become a stockholder. The President. Vice President. Treasurer and Directors serve with-out pay. The secretary is the only onid officer and he is paid only for-actual elerical work.

Why do these men do this? Why do these men do this? Because the good the community as received through Zion's Benefit Suifding Society, whose officers have uring 24 years past served likewise dibout pay. A number of men have reganized the New Society (The Des-ret) patterned after the old (The ion's) "with only such changes as ime makes necessary or experience

Ingests"
The officers and directors are!
Nephi L. Morris, president: Rulon S, elis, vice-president, Quayle Cannon, eretary Joseph Nelson, treasurer;
irectors: Nephi L. Morris, Frank Y, aytor, Richard W. Young, Heber C. erson, Asalei H. Woodruft, Sylvester Cannon, Hyrurs A. Silver, Charles Martin, Rulon S. Wells, Hugh J. Annon, Philip S. Hyle, Arnold H. hulthess, John M. Knight.
The office of the Society is No. 18 at issued 2,502 shares of installant is took. Thus far in the first in the first endied on before the year is over 5,009 shares will be out-inding. Subscribe NOW, No betor or affer method of saving has ever a deviced. The officers and directors are

GEORGE M. CANNON. alt Lake City, March 25, 1907.

by the transvay of the Continues and Smelting corporation two companies have signed a which grant the Con. the privil-using the Continental com-transvay to its present termin Tanner's flat. This eliminates miles from the wagon haul no cessary in getting the Con's ore railroad station at Sandy. Hi the four miles cut out of the ov-route constitute the worst port the tour miles cut out of the ov-route constitute the worst port the tour miles cut out of the ov-route constitute the worst port the same of ore per day. with transvay-rights the min ship at least 100 tons, an in of over 50 per cent. The min the ore, but the great difficulty H ways been the inconvenience of gon haul with this even, not e-ning months in the year. The w in the hills are severe. Just a time ago it was impossible to gr Alta and the mail carrier, an mau on snow-shoes and at ho the hills, was not permitted to out on his journey. The camp is bound during the worst portion winter and with snow-sildes an-slides in spring the roads are still it is not until well into the st and towards fall that the road-clear and unbroken. Their grades are bothersome always. President Tony Jacobson of th umbus Con. is pleased with the ping arrangements just made an gards this as the first step movement towards getting the 16 for and prayed-for facilities. H he expects the question of trans tion to be settled this year and to a still a branch from to Wasalch to conneet with the tinental's tramway at that point, a through route like this even. to Wasatch build a bianch from to Wasatch to connect with th tineutal's transway at that point a through route like this offer Columbus Con, can ship at les tons per day. This from one n a camp where there are a n promises totals with weight to Alta will be again one of Utah producers when she rate a call

producers when she gets a rail
