SAN FRANCISCO, 3.—Cook concluded the argument at 11-30 p.m. Judge Dwinelle then told Campbell he did not consider it necessary for him to reply and proceeded to sentence Mrs. Fair to be hanged on July 28th. Mrs. Fair maintained almost her usual composure, but Mrs. Lane, her mother, wept hysterically. Mrs. Pitts, Stevens and other strong minded females present, manifested their sympathy in a most ostentatious manner. Mrs. Stevens embracing Mrs. Lane, telling her she had done all she could for her daughter, then, going over to the reporters, said: "You have got what you want now, haven't you? You have got her hung. It gives you great joy I hope." The Court room was then cleared and Mrs. Fair was taken back to jail and placed alone in a cell.

FOREIGN.

OTTAWA, 1.—The government papers seem to foreshadow the intended policy of Sir John A. MacDonald and the cabinet with reference to the Washington Treaty. The Times says neither the government of Canada, as a whole, nor Sir John A. MacDonald, as first minister, are committed to the Treaty. They have taken care to reserve to themselves the right of most complete freedom of action in the matter. The Citizen says Sir John A. MacDonald displayed sound judgment in avoiding an extreme and taking a more moderate course, as it is understood the signing of the Treaty was done with reluctance and reservation.

LONDON, 1.—Prince Napoleon has written a letter to Favre, censuring the men who proclaimed the decheance of the Emperor, and formed the government of the 4th of September last, and demanding of the existing authorities a plebiscite for the determination of the future of France. PARIS, 2.—The Paris Journal considers the appointment of M. Lefranc, to the ministry of the interior, and M. Ferry to be minister of the Seine, to be the reply of Thiers to the intrigues of the Orleansists.

A letter from the sub-governor of the bank of France states that he was forced to advance various sums of money to the Commune. No armed force, however, entered the bank and none of its securities were destroyed.

Two thousand Communists will be imprisoned in the hulks at Cherbourg. Six hundred have already arrived at that port.

The Seicle advocates extensive decentralization of the administration.

The Journal Des Debate expresses its astonishment at the persistence of the Assembly in holding aloof from Paris.

VERSAILLES, 2.—In the Assembly to-day Brunet moved the abrogation of the laws of prosecution, as being incompatible with republicanism. The urgency for the motion was voted upon and several members moved the abrogation of the laws specially directed against the Bourbons. One of the deputies, speaking in support of the motion, confirmed the report of the fusion of two branches of the house of Bourbons. The resolution of urgency was adopted.

BERLIN, 2.—An imperial decree or-

ders that the 18th of June be observed throughout Germany as a day of thanksgiving.

LONDON, 3.—The Prussians have evacuated Andelys and have entered the department of the Eure.

LONDON, 3.—Minister Schenck, with Earl de Grey and Sir Stafford Northcote, arrived at Liverpool to-day. He was presented with an address of welcome by the Chamber of Commerce of that city, to which he made an appropriate response. Schenck will reach this city to-morrow.

PARIS, 3.—The theatres have been authorized to open but the cafes and chateaux are still under restrictions.

VERSAILLES.—The Assembly has voted 1,053,000 francs for the purpose of building a house for Thiers.

PARIS, 4.—No one is allowed to leave the city after nine o'clock in the evening, from which hour all the gates are closed and cavalry patrol the streets and suburbs until morning. Grousset was arrested to-day in Paris. An active search is making for Pyatt, who is believed to be concealed in the city. PARIS, 4. The Duke De Aumale is at St. Germain. Executions, at Versailles, are still numerous. All the Paris journals are discussing what shall be done with the Orleans' Princes. Some appeal to their patriotism and ask them to re-ign their seats in the Assembly. Girardin, in Liberte, demands the establishment of a liberal republic, after the model of the United States or Switzerland.

A letter from Father Hyacinthe, in the Gaulois, acknowledges the sympathy Italy feels for France, and advises the union of the latin races, as the balance of Europe is menaced by a preponderance of the German and Slavonic. The acts of the Commune were the result of the negotiation of God by the people of the nineteenth century. This is an age of workingmen. The second empire treated social questions in the spirit of the Cæsars instead of seeking to solve them by the dissemination of education. It moreover imposed prolonged celibacy on soldiers and legalized the prostitution of women. The church also failed in its mission, on these questions and was too limited in its instructions to its flocks. Father Hyacinthe concludes that Paris is in ashes; the work people have no God, or say it is impossible for them to believe in or love Him. Let the rulers, with whole heart and brain, consider the problem and labor for the restoration of France to faith, peace and prosperity.

MARRIED.—We acknowledge the receipt of some splendid cake and wine, sent by Mr. and Mrs. Charles Crismon, Jr., who were married yesterday. Crismon, Sen., one of our oldest citizens; the lady is the daughter of our old-time friend, Elder Joseph Cain, deceased. We cordially wish the young folks all the joy and pleasure which the married state is capable of affording, and trust that the language of the poet may be realized in their experience:

7-30 GOLD LOAN OF THE NORTHERN PACIFIC RAILROAD. RAPID PROGRESS OF THE WORK. The building of the Northern Pacific Railroad, (begun July last,) is being pushed forward with great energy from both extremities of the line. Several thousand men are employed in Minnesota and on the Pacific Coast. The grade is nearly completed 266 miles westward from Lake Superior; trains are running over 130 miles of finished road, and tracklaying is rapidly progressing toward the eastern border of Dakota. Including its purchase of the St. Paul and Pacific Road, the Northern Pacific Company now has 413 miles of completed road, and by September next this will be increased to at least 560. A GOOD INVESTMENT. Jay Cooke & Co. are now selling, and unhesitatingly recommend, as a profitable and perfectly safe investment, the First Mortgage Land Grant Gold Bonds of the Northern Pacific Railroad Company. They have 30 years to run, bear Seven and Three-Tenths per cent. gold interest (more than 8 per cent. currency) and are secured by first and only mortgage on the ENTIRE ROAD AND ITS EQUIPMENTS, and also, as fast as the Road is completed, on 23,000 ACRES OF LAND to every mile of track, or 500 Acres for each \$1,000 Bond. They are exempt from U. S. Tax; Principal and Interest are payable in Gold. Denominations: Coupons, \$100 to \$1,000; Registered, \$100 to \$1,000. LANDS FOR BONDS. Northern Pacific 7-30's are at all times receivable at TEN PER CENT. ABOVE PAR, in exchange for the Company's Lands, at their lowest cash price. This renders them practically INTEREST BEARING LAND WARRANTS. SINKING FUND. The proceeds of all sales of Lands are required to be devoted to the re-purchase and cancellation of the First Mortgage Bonds of the Company. The Land Grant of the Road exceeds Fifty Million Acres. This immense Sinking Fund will undoubtedly cancel the principal of the Company's bonded debt before it falls due. With their ample security and high rate of interest, there is no investment, accessible to the people, which is more PROFITABLE OR SAFE. EXCHANGING U. S. FIVE-TWENTIES: The success of the New Government 5 per cent. Loan will compel the early surrender of United States 6 per cents. Many holders of Five-Twenties are now exchanging them for Northern Pacific Seven-Thirties, thus realizing a handsome profit and greatly increasing their yearly income. OTHER SECURITIES. All marketable Stocks and Bonds will be received at their highest current price in exchange for Northern Pacific Seven-Thirties. EXPRESS CHARGES on Money or Bonds received, and on Seven-Thirties sent in return, will be paid by the Financial Agents. Full information, maps, pamphlets, etc., can be obtained on application at any agency, or from the undersigned. FOR SALE BY JAY COOKE & CO., Philadelphia, New York, Washington, Financial Agents Northern Pacific Railroad Co. By BANKS and BANKERS generally throughout the country. H. B. HAWKINS, Agent for Utah Territory, will be found at Mr. Joseph Hammer's, First East Street, between First and Second South Streets. d160 12w w1712
