Proor has just returned petition further than that it was a pe- Republican and Democratic parties, as what a dreadful, blood-curdling, soul- a victory, except a defeat; that whether harrowing, heavens-falling catastrophe the Cincinnati Convention fails or trishould become an accomplished fact. Republican and Democratic parties, Greeley. It is more than likely that the bulk of killed both; that the Presidential canthe signatures were obtained simply vass of 1876 will turn on new questions under the understanding that it would -the condition of the working classes, be a capital thing for the community the injustice done them by law, finance, to be run a few years longer as a privileged corporations, and trade, an Territorial dependency by such immac- injustice which is the root of poverty, ulate and law-abiding Christian gentle- prostitution, intemperance, and crime

men as a majority of our present local generally. Federal officials are, especially the judielary and the quondam prosecuting attorneys, a class of beings who have lately received the fisttest possible antibbing for their groasly illegal course, or their known leanings in favor of that PER WESTERN UNION TELEGRAPH LINE course, by the highest legal authority in the land. Some of said local Federal officials it is no injustice to them to say would be doing far more for the inter-ests of the public welfare if they were repairing roads, with ferruginous ornas ments appended to their ancles, than mail service and subsidy. A stormy debate ensued, in which the amendby disgracing their official positions by harassing the people with illegal pro-cedure or irritating them with concoct-ing or sanctioning truculent and malig-mant petitions, or the fraudulent ob-taining of signatures thereto, and of then, with all the devout plety of an incorrigible demirep, sending petition that he should be specific in his replies and names to Congress as the volun- as to the means used and as to what tary, indignant, heart-bursting senti-ments of the "abject slave" women of Utah. Bah! If we were to hazard our guess, we should say that a miserable cauous of a few ambitious malignants hatched that petition, presented it, or rather blank paper for signatures, to disaffected and other people under false pretenses, and secured the signatures of a number of persons, many of whom, had subsidy and agreed to. scurrilous document, would have lost their right hands ere suffering them to trace a letter commendatory of such a lying, libellous production.

of direct damages, who have swelled their claims to cover lobby expenses; and commercial fossils and charla-tans. The Herald claims that the destruc-tion of the Treaty of Washington would only momentarily depress the market value of American securities, and real deal to war; that Presiand would not lead to war; that Presi- renewal and not the abatement of illdent Grant will not yield; that the peo- feeling it was intended to remove IT is plainly manifest that a few schem-ing, unscrupulous demagogues have been endeavoring to make it appear, and to have the appearance go forth to and to have the appearance go forth to influence Congress and the public throughout the nation, that republicaniam is a signal failure, that the iron English proposal; that Secretary Fish only one opinion that its acceptance rule of tyranny is far superior, that it and not President Grant is responsible for would be discreditable and dangerous

proper fate of the treaty, and the only "As a supporter of the administrasafe and peaceful way of disposing of it. BALTIMORE, 22 -The examination of the charges against the Rev. Dr. Hus-ton commenced yesterday. The court was composed of the presiding elder, the Rev. Samuel Cushman, Rev. Simmerman, Messrs. Head, Splander, Carconcession, and calls on him to withson and others whose names are not ascertained. At the opening of the court a proposition to admit Samuel Snowden as council to Huston was re-jected, and B. Eldredge Monrce, a the-

ological student, was admitted as coun-sel. The case began with the examination of a servant girl named Virginia that paper, in true whipper-in style, Hopkins. The proceedings are secret. NEW YORK, 22. - The excitement among the laborers of the city contincalls upon various Senators, including ues. The demands of the carpenters, bricklayers, masons and plumbers have been acceded to. The pattern makers, cabinet masers, upholsterers and sash oppose concession, and menaces all, who may advise such a thing, with makers have every prospect of success. The owners of the Grand Opera House refuse to allow Woodhull to hold meetings there as advertised.

The World denies the statement that Horatic Seymour approves the endorse-ment of the Cincinnati candidates by the Baltimore Convention; it says Govhend, are very numerous. It is highly Presidential election will prove a sort ernor Seymour declines to express any

from the South. He states to a reporter tition spainst the admission of Utah as such, will take part in a Presidential that the southern delegates will enter a State, and no doubt eloquence and canvase; that whichever party succeeds, Greeley, and he expresses the belief sophistry were abundant to portray to both will die in the effort, proving once that nothing can prevent the ratifica-those whose signatures were solicited more that nothing is more terrible than tion of the Cincinnati nomination. LEXINGTON, Mo., 22.-The Daily Steam, Gas and Hydranlic Press, this morning, editorially contraharrowing, heatens falling catastrophe the Cincinnati Convention fails or the dicts, by authority, the report that John it would be if the State of Deseret umphs, it has scattered forever the C. Breckenridge favors the election of

CHICAGO, 22 .- The Republican State Convention, which meets at Springfield, will nominate Gov. Oglesby for governor, probably by acclamation, as there is no opposition to him. The real contest is expected to take place over the nomination of Lieut.governor, as it is understood the programme is to elect Oglesly U. S. Senator in case of

the Legislature being republican, and the Lieut, governor will thereby be-come governor. The most prominent names appear to be those of Chas. W. Farwell, member of Congress from the State at large. The resolutions will undoubtedly en-dorse Grant.

SEWING MACHINE SALES FOR 1870.

"The magnitude to which the manufacture of Sewing Machines has attained is shown by the "SWORN" returns (to which any one can have access) of the manufacturers for the year 1570 to the owners of the leading patents, on which they pay a royalty. According to these returns the number of machines sold by each manufacturer in 1570 is as follows:
