W. H. S.—Your suggestion as to care in the sale of poisons is excellent. The new remedy, Red Star Cough Cure, contains no poison, and can be given with safety to infants. Health officials of Brooklyn, Philadelphia, and Baltimore endorse it as a wonderful cure. It costs only 25 cents.

Ayer's Cherry Pectoral is recommended by physicians of the greatest eminence on both sides of the Atlantic, as the most reliable remedy for colds and coughs, and all pulmonary disorders. It affords prompt relief in every case. No family should ever be without it.

## A Captain's Fortunate Discovery.

Capt. Coleman, schr. Weymouth, plying between Atlantic City and N. Y., had been troubled with a cough so that he was unable to sleep, and was induced to try Dr. King's New Discovery for Consumption. It not only gave him instant relief, but allayed the extreme soreness in his breast. His children were similarly affected and a single dose had the same happy effect. Dr. King's New Discovery is now the standard remedy in the Coleman household and on board the schooner. Free Trial Bottles of this Standard Remedy at Z. C. M. I. Drug Store. 4

"Let me write the ballads of a nation," said a wise man, "and I care not who makes its laws." This is true, and it may also be said that the discovery of St. Jacobs Oil, the conqueror of pain, has been of more value to the world than the finding of a comet.
