per market has quickly shown results in many directions, and among the smelters, perhaps sconer than in others. All have felt the impetus given by the advance in the price of the metal, and of course the activity all along the production is being The preferred stock of this company carries with it a seven per cent divi-dend, which requires the payment of \$1,700,000, leaving a balance of \$2,500.-000 for the \$50,000 shares of common stock, or \$7 a share as against the present dividend nevment of \$2 a share. LOWER MAMMOTH ASSESSMENT A board meeting of the Lower Mam A board meeting of the Lower Mam moth company, held Saturday after-noon, levies a five cent assessment for development purposes. The needs of the property now demand, according to the belief of the management, an dded depth below the 1,200 level, of 800 feet, LARGE TONNAGE AVAILABLE. Sam Levy, of the National Develop-ment company, returned Saturday af-ternoon from a visit to the Columbus ternoon from a visit to the Columbus Consolidated property, where he was much impressed with the showing, coming home with the firm belief that the great difficulties which have marked the development of the mine in times past have been left behind, and that the future of the property as a great producer is now firmly estab-lished. The new carbonite ore body, tapped on the 40 level, he considers of large promise, as very little sorting is re-aulted to make this product ready for the reduction works, and there is a vast tonnage now available.

ability, there is not the slightest doubt, and that the board is furthering the plans of the management, to he every way take due advantage of this fact, is also evident. At a board meeting held in Provo Saturday afternoon it was decided to let a contract for the sinking still deeper of the three-com-partment shaft already down 100 feet. From the manner in which the pub-lic has been buying this stock, at a time when futures are being largely relied upon, it is the belief of the board that the security is being taken in the light of an investment, and that it is being laid away-taken off the mar ket, as fast as bought.
