find oneself at once on the highmoney which it may bring, will be

"If I can't get a decent salary for selling dry goods," I heard a young man say once, "I'll go out of the business. I'll do thing detter offers, I'll write for the ma With these words, he looked up at

nication for his spirit of self-sacrifice pity for his prospective degradation. "I wouldn't do aught so rash," I re domen't pay. Never write for the mage He must have taken my savice. A least, partially. He may have written for, out this thing of printing is very serious. Notady, as I have discovered, thinks so such about writing, or has such an exagthe unsinged cats that have no fear of the fire. They look at ink without trembling they view the printed pages without the remotest conception of its labor. They have visions of waking up some morning and finding themselves famous. Lounging on the sidewafk, they think to reach the stars. Turning a borrowed idea in their vacant brain, they expect to startle the content of the error in admitting the testimony of Armstrong, and in indicating the effect which are will have to be reversed.

But as the case goes back for a new trial, it is proper to say a word upon the subject of interest, which seems more than anything else to be the chief point of difference between the parties to this litigation. the unsigged cats that have no fear of the

careful manager, and his muse has not brought him much beyond \$50, 000. James Russell Lowell is indebted to other sources than literature for his comfortable income. Illiam Cullen Bryant's wealth in the inkstand. John G. Whittier from the pockets of his publishers.
William D. Howells has \$5,000 as
editor of the Atlantic. His books

Mr. Justice DAVIN delivered the opinion of the Court.

New York Graphic, shows that this bias be very great mistake, and that the pursuit of literature, chosen for itself alone and not for the money which it may bring, will be more likely to prevent bitter disappointment. Hays "Juntus"—

The pointment of the meanure of the management, was properly chargeable with it. The evidence on both sides was directed to the elicidation of this point, for there did not seem to be any dispute that Godbe had advanced the money to young either as trustee or for the they may the plaintiff placed upon the stand one Armstrong, who testified that he was, in 1865, bookkeeper of Kimball & Lawrence, merchants of Salt Lake City, who had a large account against the canal company; the women that Lawrence took this account against the canal company;

the account of Kimball and Lawrence in the way he did was proper evidence to go to the jury, if Lawrence had testified to it, but Armstrong's statement of what Lawrence told him was pure hearsay. Besides, the court on its own motion enlarged the scope of the evidence by directing the jury to consider it for what it was worth. This direction enabled the jury to take a wider range of the subject than they otherwise would, and naturally inclined them to consider the condense as fixing the right of the philatiff to recover from the defendant in the capacity in which he was sued.

he was sued. On account o' the error in admit-

BY TELEGRAPH. LAST NIGHT'S DISPATCHES

William D. Howells has \$5,000 as editor of the Atlantic. His books have not fetched him much. George William Curtls has \$10,000 a year from Harpers for work on their Weekly, Monthly, and Barar. Bayard Paylor has been lacky, but his best income in Thiore firthers. Dr. to establish a board of health.

Ratazzl was announced to the Chumber of Deputies this p.m. Several speeches highly eulogistic of the deceased statesman word delivered, and national mourning for two weeks was voted, after which the chamber adjourned.

TO-DAY'S DISPATCHES. EASTERN.

CHICAGO, 6.—The annual election with the exception that Albert Keep, of New York, takes the place of J. M. Burke, of the same city. Jay Gould was in the city but did not attend the election, his votes being cast by proxy. The old officers were all re-elected.

A match game at billiards, three ball caron was played bere last night between Francois Ubassy, the celebrated Francois Ubassy,

on both dides was discreted to the child distributed by the company. After the defendant had closed his destination of the point of the company. After the defendant had closed his destination, the plaintiff placed upon the stand one Armstrone, the post of the company. After the defendant had closed his destination, the plaintiff placed upon the stand one Armstrone, the post of the company of t

the world with its expression. Vain delusions all? The genuine ink fiend, if he ver had then, dispetied them early. The simple fact, is, that, as a read-sile returned in the portion of the court on this subject. If a debt ought to be paid at a particular time, and is not, owing to the default, or the debtor, the creditor is entitled to interest from that time by way of compensation for the delay in payment. And if the cause many money worth speaking of, are distinguished by their panelty. Those who are must contribe to make both ends meet. Ralph Waldo Emerson has not made by his books over \$33,000.

Nathaniel Hawthorne made \$2,000.

Nathaniel H

guns, and was detailed by the sectetary of the navy to proceed to St.
John's and bring Captain Tyson, of the Polaris, and his party to Washington. As soon as the vessel arrived the commandant of the flavy yard telegraphed Secretary Robeson the fact, and about half past two o'clock the Secretary, in company with commodore Reynolds, chief of the burns of equipment and recruiting, drove to the navy yard. The Frolic was anchored out in the river alongside the Tallahoosa. Sec. Robeson went on board the latter vessel and immediately sent for Captain Tyson of the Polaris. That gentleman soon made his appearance and was interviewed by the Secretary in the cabin of the Talhahoosa, when an interview of over an hour was held. The Secy. Inquired first of all the condition of the survivors, and was gratified to Nielson C

nquired first of all the condition of he survivors, and was gratified to he carn that they were all in good health, and had entirely recovered from the fetigues and hardships of their long trip in the arctic regions. It was not the purpose of the Secretary to do more to-day than merely welcome Capt. Tyson and his comrades, and

firmed. The divorce contained a clause compelling the murdered man to pay his wife certain sums of money for her support, and also for the support of her children. Mr. Walworth seemed very much exasperated when he heard of the entering of the decree, for the reason that it compelled him to pay alimony to Mrs. Halworth, and also to support the children. On the Wednesday following, in order to avoid paying alimony, his counsel made a motion in the Superior Court to open the default, and
