

MINING, BUSINESS AND STOCKS.

FURTHER SLUMP IN THE STOCKS

Bear Contingent Makes a Haul of Booty This Morning.

BUSINESS WAS FAIRLY GOOD

Prices Realized, However, Were Lower Than Yesterday—Few Exceptions to the Rule.

Compared with yesterday's closing quotations on the Salt Lake stock and mining exchange, there was a decided change to a loss in many of the stocks. For some reason the bargain count was prominent upon the market, and registered sales of 465 shares with order bringing better than 50, nearly half of them going at \$24.50. Yesterday's close showed figures of \$25.50 bid and \$26 asked and this morning there was a slump of 10 cents on the one hand and an even dollar on the other. Lower Mammouth stock at \$9 and 75 and closed at the latter figure asked for the stock this morning, while yesterday it had been asked for at \$10. The stock was asked, Carlin, which secured a prominent sale of 400 shares, was bettered somewhat in the trading, but towards the end of business in that security it reverted back to a poor figure, the last trade showing a realization of 45 cents for each of 1,500 shares. The stock closed at 45 bid and 45c asked, with an indication to recover itself against further reductions. Uncle Sam Consolidated was the recipient of considerable attention, at very poor figures, the stock going at 50 1/2 in the opening and being pushed down to as low as 50 cents in the course of the business. It closed at an average of 50 cents to the bid as compared with yesterday afternoon's closing prices and 6 cents under yesterday morning's quotations. May Day was in the market for business and sold seven thousand pieces at a little less than yesterday afternoon's final postings, but was successful in resisting the more damaging assaults. The realization, however, were inferior to yesterday morning's close. Consolidated Mercantile was one of the stocks that stiffened up and showed a gain of 1/2 cents in the bidding. To the extent of 200 shares this stock was purchased at \$17.50 to \$18. California kept on the rise and the sales made this morning secured a little less than yesterday afternoon's close and still better than yesterday morning's quotations. Yankee Con. was inoperative in the quotations, but brought better figures in the trading, 100 shares reaching \$31.25 each. Century was posted up for a loss of 1/2 cents, but sold 1,500 shares at 17 and 1/2 cents.

On the whole lot the bear contingent got the best of the morning's work, the scars from the onslaught being visible in the subjoined array of quotations:
