His Antagonist Seriously Injured in a Fight.

San Jose, Cal., April 22.—Matt Semich, a local lightweight pugilist, is occupying a cell in the county jail on the result of a boxing contest in the opening exhibition of the San Jose Athletic club held in this city last night. Frank Evans, better known as "Kid Evans," his antagonist, has been taken to the hospital, where he is lying in an unconscious condition since he received the knockout blow.

The contest was supposed to be a five round bout. Semich made a rushing flight from the start, but was held on a second round by the referee. A squad of police was present, but as the gloves were exchanged Semich did not seriously injure either and the contest was allowed to proceed. Evans fought bravely, but was badly beaten and occasionally made surprising rallies.

The knockout came early in the fourth round, Semich caught Evans near the point of the chin with a right hand blow, knocking him off his feet. Evans fell back, the head with a resounding bang. After Evans was counted out he was taken to the hospital, where a physician summoned. It was found he was injured seriously. Semich was not once given another chance and will be confined pending the outcome.
