NEW EQUIPMENT INSTALLED. Recently the company has put in a and never share our prosperity with hoist on the property, which is now in practical working order and lifting the others 'Now I don't want to decry men for accumulating money. That's what I call thrift. We can't have too much of it in this country. But this thing of the wealthy man objecting every time the government wants to impose a tax that may affect his income is silly and shortsighted."
