The Tribune believes Grant cannot be nominated, but is not certain as to who can be.

Pursuing Indians. SANTA FE, 1 .- A party of Indiana attacked the mail hack on Saturday night, near Fort Cummings, killed the driver and four passengers, among them Samuel J. Lyons, an old settler, and burned their bodies beyond recognition. They also took the horses and burned the hack. A battalion of the Niuth Cavalry and party of Indian scouts, which have seen on the trail of these hostiles for a month past, rede past Fort Cummings early this (Monday) morning and may overtake them before they reach the Mexican line. Binine's Feelings.

in a preserving kettle, and let it boil yond the power of man. God gently. Take one lemon for every is in the system and with nineteen protestants against Grant, two quarts of fruit, and while the the people. And while we respect and another, making twenty-three fruit is boiling mines the rind very his laws and hold firm to our faith, in all, is expected to join them in the fruit is boiling minee the rind very fine. Ten minutes before the marmalade is done, put in the rind and. juice of the lemon in the proportion named. This is a very old recipe, and a great favorite with all."

Our special Washington correspondent, writing on the political situation, says: "The outcome of the Illinois convention causes a good deal of bad blood in the Republican party. That Senator Logan should

have forced the election of delegates to Chicago in a lump, not allowing the districts to have a voice, is against all usage in the Republican cover it from the gaze of men, and party, and arouses the strongest antipathy to General Grant and the reason fails to pierce the gloom. The third term. The best heads in the scientist, by the use of a few facts party assert that the National Convention never will sanction such proceedings, but will let in the contesting delegates from the districts, twenty in all, thus leaving Grant but twenty-two of the forty-two but twenty-two of the forty-two mess of the mental chaos of modern from his own State. Many Repub-lican newspapers in this part of the country are now predicting defeat next fall if Grant shall be forced on gloom and disorder. And faith, the surrounding the surround faith, the surround faith the surround faith, the surround faith the party by such means as Logan adopts.'

"EXTINCTION OF THE MOR-MONS." DER

LAST week the Methodists, at the r General Conference, formulated a series of resolutions against the "Mormons," and decided to furnish copies to the President and the Presbyterians are doing the same thing. The Presbyterians in their movements on "Mormonism" are always copyists of their more vigorous rivals, the Methodists. As the faith, they exhibit and require far 1759 Flas Cox 167 Sanpete Presbyterian hypocrite, Me-Millan, plagiarized the pistol story of the Provo Methodist charlatan, Ly-ford, so the Presbyterian General According to Control the State of the Stat Assembly has imitated the Methodist General Conference. As will be seen from our dispatch-

es, a copy of resolutions "favoring the extinction of Mormons," was de-

cided by the Presbyterian Assembly to be sent to President Hayes, the Projessor Huxley can think to settle Projessor Huxley can think to settle the origin of all things by merely pushing the difficulty of transforma-1925 P.
