THIS IS WHY.

You keep your house insured, because it may burn, and you don't know when. You want to be safe. Do you know when disease will attack yourself or child? To be safe and save life and Doctor's bills, keep on hand BROWN'S EXTRACT BLACKBERRY AND GINGER, a safe, pleasant and reliable remedy for Diarrhea, Dysentery, Cholera, and all diseases of the stomach and bowels. Physicians and druggists endorse it everywhere. Ask your druggist about its merits, he keeps it.

Why shake, when EUREKA AGUE PILLS will cure you? When taken in connection with BROWN'S VEGETABLE LIVER PILLS, they never fail to cure, and you need none of the bad effects that result from doing with Quinine. All of BROWN'S Family Medicines for sale by Zion's Co-operative Mercantile Institution, Goddard, Patis & Co., and Moore, Allen & Co., Salt Lake City. Trade supplied.

Trade dollars taken in any quantity at par.

G. F. CULMER.

Dr. Ballou, cures all curable cases of the EYE AND EAR, PINES, CATARRH, RHEUMATISM, NEURALGIA, Nervous and Blood Diseases, &c. The Dr. is the friend of the unfortunate of both sexes, and guarantees any case he will take. Office and Residence Second door East of City Hall, Salt Lake. (Address Box 788.) d4wtr

By Universal Accord.

AYER'S CATHARTIC PILLS are the best of all purgatives for family use. They are the product of long, laborious, and successful chemical investigation, and their extensive use by Physicians in their practice, and the best and most delicate purgative Pills that medical science can devise. Being purely vegetable no harm can arise from their use. In intrinsic value and curative powers no other Pills can be compared with them, and every person, knowing their virtues, will employ them, when needed. They keep the system in perfect order, and maintain in healthy action the whole machinery of life. Mild, soothing and effective, they are specially adapted to the needs of the delicate female, and are the best and safest physic to employ for children and weakened constitutions, where a mild, but effective cathartic is required. For Sale by all dealers. d4wtr

The most cogent reasons exist for the high esteem in which GLENN'S SULPHUR SOAP is held by the community at large. It has demonstrated beyond all peradventure that it is no mere palliative of local diseases of the skin but their most searching eradicator. No eruption can resist the operation of this safe and potent remedy. With the properties of a powerful antiseptic, it removes the cause of disease, and the skin it combats the qualities of a most desirable toilet article and beautifier of the complexion. Ladies who have not yet availed themselves of this article, should lose no time in doing so, since it blanches the skin to a pearly whiteness, and when blemishes upon its surface exist speedily removes them. Cuts, bruises, sores, scalds and sprains are soon remedied by its application, and it is a reliable alleviator of the pangs inflicted by rheumatism and gout. For a trifling outlay it procures precisely the same benefits as Sulphur Bais. It removes dandruff, and by keeping the scalp perfectly clean, cool and moist, prevents its return. Diseases of the scalp, which are prevented by its use, and it counteracts contagion, if such exists in clothing and linen from the sick room. Articles of needle work, cottons, lins and woolen fabrics are bleached to a snowy whiteness by its use. It is free from any deleterious ingredients, which is more important than said of many of the ointments and salves in use, which not only soil the linen but contain ingredients which are extremely irritating to the skin. There is no difference between such articles and Glenn's Sulphur Soap, which is in every respect superior to them, being a safe, efficient, and cleanly article. As it is a perfectly prompt remedy for the cutaneous eruptions which children are more liable to contract than adults, parents will do well to keep it in the house. Travelers and emigrants will likewise find it a useful preservative of health of the cuticle under unfavorable conditions. Sold by Druggists. Price 25c. per cake. Box (3 cakes) \$2.00 sent by mail, prepaid, on receipt of price. C. N. Crittenton, Prop'r, 7 Sixth Avenue, New York. H. H. Hair and Whisker Dye, Black or Brown, 50c. d4wtr

Cheerfulness, courage, and great activity of intellect are engendered by Fellows' Compound Syrup of Hypophosphites, and its capacity of imparting power of endurance to the brain and nervous system is shown in its property of sustaining persons through mental difficulties.

EVENING NEWS.

Wednesday, J. . . September 9, 1879

LOCAL AND OTHER MATTERS.

Thermometer.—The mercury at 85°, this afternoon at 2 o'clock.

Gone South.—Bishop John Sharp went south this morning, to meet the Franklin party, who return to Salt Lake this evening.

A Fine Son.—Yesterday, the wife of Brother Daniel H. Kimball, of the 19th Ward, became the mother of a fine boy, their second child. Parent and offspring in favorable condition.

Motion for Dismissal.—The arguments on the motion to dismiss the suit of the Church vs. the Executors et al, still continue. Judge R. K. Williams, of counsel for the Church, occupied the forenoon, and is still speaking as we go to press.

Another Mountain Fire.—Last night the lurid gleams of fire were visible, arising from behind the hills at the head of City Creek Canyon. It's about time such things had an end, if only to relieve monotony.

Lost Child.—A little girl, 5 years of age, has been lost. When last seen she had on a light hat and a green gingham dress. Return to Bishop Raleigh's, 15th Ward, or send information of her whereabouts.

Resigned.—Bishop David Ryman, of Utah, has resigned his office as pastor of the First Ward, and has been succeeded by Bishop Raleigh, of the 15th Ward. Bishop Ryman has labored faithfully in his position.

Designated.—Bishop David Ryman, of Utah, has resigned his office as pastor of the First Ward, and has been succeeded by Bishop Raleigh, of the 15th Ward. Bishop Ryman has labored faithfully in his position.

City Council.—Proceedings at the City Council on Tuesday evening, September 24, 1879, Mayor Little presiding:

A petition was presented from the Park Telegraph Company, per John Henderson, secretary, representing that said company is a corporation organized under the laws of the Territory, to construct, maintain and operate a line of telegraph from Salt Lake City to Park City, and as present has said line partly constructed. The company asked for permission to erect its line through the city, and designated a route which it had selected as the most feasible and appropriate one for the purpose. Received and prayer granted, the poles to be set as prescribed by the supervisor of streets.

Messrs. Young and Marks petitioned to use a portion of the street in front of their store on East Temple Street upon which to pile building material for a period of 90 days. Granted, under usual restrictions.

Wm. Shanfele petitioned for the transfer of his liquor and mercantile license to Messrs. Bernhardt & Stahl, No. 54 Commercial street. Granted.

A petition was presented, signed by H. Kimball and 15 others, residents along the canal running north on Fourth West Street, thence west on Sixth South Street, representing that they had been deprived of the water by the people living nearer the head of said canal, and as the petitioners' wells are drying up, they asked the council to take some measures whereby they may be apportioned a just allowance of the water, and thus be relieved from want. Referred to the committee on irrigation.

Thomas Fenton verbally petitioned for the repair of Fourth South street, on the south side of Pioneer Square, and running one block east and west from the railroad track, as said street was in a very bad condition and impassable in the winter season. Referred to the committee on streets and alleys.

The committee on streets and alleys, to whom was referred the petition of Charles Colebrook, who asked that a certain crooked street in Plot E be abandoned, reported and recommended that the prayer of the petition be granted and that the plat be changed in accordance therewith. Adopted.

Alderman Pyper presented the report of the police court for the month of August. Thirty-five cases had been tried, and \$225 assessed in fines, \$105 of which was paid in cash, the balance in labor on the public works. Accepted.

The following bills for the month of August were presented, allowed and the amounts appropriated: City Marshal's expense bills, \$171.21; fire department expense bills, \$127.10; street lighting gas bill, \$1,017.50; gas to City Hall, Firemen's Hall and prison, \$34; Dr. S. B. Young, care of insane patients, \$79.05; assistant watermaster's salaries \$395; J. A. Wright, guarding water tanks, \$30; medical attendance at the city prison, \$30; janitor's salary, \$15; collecting dog tax, \$22.

Two hundred dollars was appropriated to pay interest on borrowed money.

Adjourned till next Tuesday evening at the usual hour.

S. S. Union.—The monthly meeting of the Sunday School Union was held on Monday evening last in the Fourteenth Ward Assembly Rooms, Superintendent Goddard presiding. All the city, Farmers and Harrisville Sunday Schools were represented.

Supt. Goddard urged a larger dissemination of the Union publications. He desired to learn the views of the superintendents with regard to Sunday excursions whether they are wrong or not, he also urged the necessity of attending meetings where the sacrament is administered, and to remember when we do so make a new covenant each time to keep the Sabbath day holy.

Superintendents Wm. Naylor, A. Solomon, Wm. Willis, T. C. Griggs and E. S. Lovey made some excellent remarks on the subject of Sunday excursions, and all were very much opposed to them.

Superintendent Goddard referred to the appointment of four Sunday school missionaries for this State, that one of them, Bro F. A. Mitchell, had been appointed to succeed Supt. George Reynolds as superintendent of the 20th Ward Sunday School, thus causing a vacancy which would be filled up. He gave a graphic account of the eight hours that he had spent in the penitentiary.

Elder L. W. Richards spoke briefly about Sunday excursions, and favorably of the suggestion of Brother Lovey in regard to superintendents of Sunday schools exchanging visits with other superintendents of Sunday schools, and thought each would be benefited.

The 21st Ward choir with instrumental music gave a number of pieces during the evening.

Good Selections.—We learn by private letter that Mr. Joseph Hall, of Ogden, has been offered the position of deputy postmaster at that place, by Gen. Kimball, the newly appointed postmaster, and has accepted. His daughter, Miss Thina A. Hall, has also been engaged as delivery clerk, a position for which she is well qualified, having occupied it formerly to the thorough satisfaction of all classes of the public. The two appointments will go into effect about the 15th instant. We congratulate our friends on being chosen to fill these responsible situations, and the people of Ogden on the good selection made by their new postmaster.

Convincing the "Contributor."—Mr. Julius F. Wells returned on Monday evening from a business trip through Bear Lake, Cache, Box Elder and Davis Counties, having met with gratifying success in obtaining subscriptions to his magazine and establishing agencies. The first number of the "Contributor" was distributed on the 1st of October.

Convincing the "Contributor."—Mr. Julius F. Wells returned on Monday evening from a business trip through Bear Lake, Cache, Box Elder and Davis Counties, having met with gratifying success in obtaining subscriptions to his magazine and establishing agencies. The first number of the "Contributor" was distributed on the 1st of October.

The first number of the "Contributor" was distributed on the 1st of October.

In Town.—Elder Arthur Stayer, of Farmington, is among us temporarily.

Home To-night.—President D. O. Caldwell, who has been absent in the east for the last three weeks, attending to the interests of his musical business, is expected home this evening.

Discouraging.—One of the discouraging phases of a reporter's life is to dart to the door of his harem about seven times a day to "take in" the "nightly run-away" which is making such a hideous racket outside, and then find that it is only the lumber wagon, under complete control, rattling gaily over the stony street.

Phenomenal.—A man carrying a water melon on the summit of his cranium, attracted considerable attention on Main Street this afternoon, but otherwise went unnoticed, though he passed successively three newspaper reporters and four small boys, neither of whom "interviewed" him, nor attempted to knock the melon off his head.

Home Again.—Elder Orson Pratt, of the Quorum of the Twelve Apostles, arrived home last evening in excellent health and spirits, from his eight months sojourn in Great Britain. We are happy to have our esteemed brother once more in our midst, and congratulate him on his safe return to his family and friends in Zion.

At Lake Shore.—Yesterday, the Sabbath and Day Schools of the Sixteenth Ward spent a very pleasant time at this popular resort. About 450 persons, including the poor of the Ward, composed the party, and nothing happened to disturb the general happiness. Bishop Kesler and other prominent men of the Ward went along. Good order, pleasure and innocent mirth prevailed under their careful supervision.

From the North.—Hon Moses Thatcher is in Salt Lake. George Thatcher, Esq., superintendent of the Utah and Northern, came down to the capital night before last, and will go back to Logan this evening. The road he represents is pushing ahead rapidly. The track is finished to Beaver Canon, 30 miles beyond the present terminus at Canaan and 275 miles from Ogden. The removal of the terminus to Beaver Canon will take place shortly.

The Musicians' Holiday.—The members of the Careless Orchestra will spend to-morrow at Lake Shore in sport and recreation. The "boys" have been hard at work at lake, rehearsing newly arrived music for a series of grand concerts to be given shortly, and we hope they will have a good rest and a day of genuine enjoyment. The concerts referred to will follow, at a reasonable interval, the operatic performances, "Trial by Jury" and "Martha," now on the musical tapis.

Sunday School Excursion.—On Friday next, September 5th, the children of the 15th Ward Sunday School will spend the day with their parents and teachers at Lake Shore. A cordial invitation is extended to their friends to accompany them. The train will leave the U. C. R. R. depot at 8 40 a. m., and return at 7 o'clock p. m. Tickets for the round trip 50 cents, for adults, and 25 cents for children under 12 years of age. Tickets may be obtained from T. C. Griggs, at the 15th Ward Store, Jas. W. Ure, at the freight department, U. C. R. R. depot, and T. E. Hall at Z. C. M. I., with each of whom arrangements may be made for free bath houses.

Harrisville Items.—We clip the following from "this morning's Junction":

Mr. Peter Later, of Harrisville, informs us that threshing is going on lively in that settlement. The small grain crop this year will be a fair average. The corn will be considerably below that of last year.

There have been several casualties in the local recently. About a week ago a son of Bishop P. G. Taylor, while whittling a piece of wood, cut the cap of his knee. No notice was taken of the wound, however, until day or two since, when the limb commenced to swell, when a surgeon was sent for, who said that unless great care was taken amputation will have to be resorted to.

Two horses, staked out in a field near the C. P. track, were appropriated by some person or persons on Tuesday night, and as yet nothing has been heard of them.

The health of the people is generally good, and hap piness prevails.

Paper Car Wheels.—The private railroad car of Mr. Pullman, which is used by the Franklin party now in Utah, among other advantages, has the celebrated paper wheel, which has become so popular as all the leading railroads of the country, and is soon to be tested on our local lines. The wheels are of cast iron, and the sides are of cast iron, but the interior is of compressed paper, so arranged that the weight above is mainly sustained by that material. The advantages claimed for it do not include light weight, since it is really heavier than the ordinary wheel, but for light running, ease of carriage and durability it has an established reputation for superiority. The axle is relieved of much of the usual wear, and lasts much longer in consequence, and the car runs a great deal easier than with other wheels.

The best record for durability of the plain iron wheel is something over 140,000 miles, that of the paper wheel is between 600,000 and 700,000 miles. Its superiority and advantages are therefore evident. We shall watch with interest its trial on our home railroads.
