

THOUSANDS OF QUAIL STARVING TO DEATH

Fish and Game Commissioner Chambers Takes Measures to Save Perishing Birds.

But for the prompt action of Fred W. Chambers, state fish and game commissioner, thousands of quail would starve to death during the present cold spell. In Weber county along the bench near the foothills.

Word was sent to Commissioner Chambers Thursday afternoon to the effect that large flocks of quail were running among the foothills vainly seeking food, but they could find none as the snow is about 20 inches deep and frozen so it was impossible for the birds to secure food. Mr. Chambers at once started out to investigate an found conditions as reported. He drove for several miles, scattering wheat and chopped corn for the birds, and the work was continued today.

"We do not propose to permit the quail to starve to death," said Mr. Chambers this morning. "We are feeding them all they want and will continue to do so as long as the cold snap lasts. Wherever the quail are where they are unable to obtain food, we will scatter wheat and chopped corn for them. I struck a few places where the ground is bare for a short distance, but most of the ground was covered with heavy and solidly frozen snow and it was impossible for the quail to get food. I will venture to say that there are thousands within a strip of 10 miles. I saw more than 1,000 yesterday after covering but a short distance, but they were all fed and made happy."

NATIONAL LEAGUE IN DEADLOCK YET

Situation May Remain So and Heydler Continue to Hold Office Until Trouble Is Settled.

New York, Dec. 17.—The magnates of the National league were in a complete deadlock today when they met again to select a president.

As suggested by Ward yesterday the magnates will likely become hopelessly deadlocked and Mr. Heydler will continue to hold the office of president while a board of three regents probably will be appointed to conduct the affairs of the league.

The move of Garry Herrmann in bringing forward the name of Robert W. Brown of Louisville for president yesterday instead of Mr. Heydler was regarded as an extremely strategic one inasmuch as it assured Mr. Herrmann and his friends the absolute support of Stanley Robinson, who favored Mr. Brown.

As the day wore on prospects of a break in the deadlock over the presidency did not improve. Statements of some of the magnates made it look as if each of the two sides to the controversy was more bitter than ever.

Garry Herrmann, president of the Cincinnati club, declared that an iron-clad agreement had been reached by Brown's supporters not to vote for Ward in any circumstances.

"The Pittsburgh, Boston, St. Louis and Cincinnati clubs representatives have pledged themselves not to vote for Ward, whatever happens," said Herrmann.

"Then if his supporters stick together there can be nothing but a deadlock," was asked.

"That seems to be about the size of it," replied Herrmann.

It was understood that the anti-Ward men got together today in conference to decide their future course. No one showed signs of weakening and the adoption of the pledge to stand pat against Ward was cheerfully taken.

"FIGHTING DICK" VS. "CYCLONE JOHNNY"

Kansas City, Dec. 17.—Dick Hyland of San Francisco and Johnny Thompson of Syracuse, N. Y., will meet in a 10-round bout at the Hippodrome this city tonight. This promises to be one of the best lightweight contests of the season. Both men are said to be in excellent condition and the local followers of pugilism are about equally divided in trying to pick the winner. The betting opened at even money and remained at that figure today.

There is only a half pound difference in the weight of the two men. Thompson weighing 133 pounds and Hyland 132½.

Interest in the contest is increased by the probability the winner will be able to secure a match with Battling Nelson or Ad Wolgast.

Hyland said today: "I have fought Thompson three times and know exactly what he can do. He will come at me rushing and I will be there with the punch to stop him. A victory for me means a fight with Ad Wolgast."

Thompson said:

"I have but one chance to get a fight with Nelson and that is to whip Hyland. I am confident of winning."

CORBETT WILL HELP JEFFRIES

New York, Dec. 17.—James J. Corbett will be the animated punching bag on which James J. Jeffries will practice in fitting himself for his fight with Jack Johnson for the heavyweight championship of the world.

This was the announcement made today by Corbett on his arrival from Europe on the Mauretania. The one time wearer of the championship belt said he would start a series of hard fights with Jeffries 40 days before the big fight comes off.

"I am going to do all I can to help Jeffries win," declared Corbett. "I think if he simply spars to get into shape it will do him little good, and have arranged to get into condition myself and have some good fights with him. They will not be merely light forms of exercise, but we will go at one another as if there was a big stake up and a good house looking on. I believe this is just what Jeffries needs to make him fit."

"If Jim Jeffries was the Jeffries of 10 years ago I wouldn't bother going to see the fight," continued Corbett. "Now we must find out just what stamina he may have lost while he has been out of the game."

"In some of my bouts with him we may go as many as 20 rounds. I have no monetary agreement with him, I am simply helping him out because of my desire to see him in shape to whip Johnson."

SHERWOOD MARKET ROBBED.

Burglars got slight satisfaction out of robbing the Sherwood market, 749 south State street, Wednesday night, as the cash register was empty, and all that the thieves got away with was

a bundle of cigars, candies and notions of small value. In their anger of disappointment, the burglars tore up private papers and scattered them all over the floor.

A private safe may be rented in the fire and burglar-proof vaults of the Salt Lake Security & Trust Co., 32-34 Main street, \$2.00 per year.
