

MURDEROUS THUGS STILL AT LARGE.

M. I. Morris Shot in the Shoulder
Blade While Returning Home
At an Early Hour.

HAD STARTED TO RUN AWAY

A. E. Banks Held Up an Hour Later
When Getting a Few
Cents in Change.

Thugs are still keeping busy. Two more holdups occurred last night, and the police, as usual, are in hot pursuit. The first of last evening's robberies came near resulting in a fatality. M. I. Morris, residing at 24 Pleasant avenue, was met by three holdups while on his way home, at 7 o'clock. He was ordered to throw up his hands, but instead of doing so he made a break for liberty. One of the murderous thugs fired upon him, the bullet striking Morris in the shoulder blade. The robbers fled when their victim uttered a cry.

Residents in the neighborhood hastened to the assistance of the wounded man and took him to Robertson's drug store on Market street. It was found that the bullet had not buried itself in Morris' shoulder, and it was extracted with a pair of scissors.

THUGS WERE TALKING.

Morris stated that he saw the three men standing in the center of the sidewalk talking to each other. As he was about to pass them one of the thugs seized him and ordered him to throw up his hands. Morris ran, and the thugs fired at him. The bullet struck him in the shoulder, but that he was not severely injured. He was unable to give the police an accurate description of the robbers.

ANOTHER HOLDUP.

Just one hour later another holdup occurred on South Second West. The victim was A. E. Banks, 24 south Second West. He was robbed within less than a block from his home. He was stopped by two highwaymen, who rifled his pockets. They got nothing but a few cents in change.

About 9 o'clock Detective Burt and Officer Taylor arrested a suspicious character, who gave the name of Frank Matthews. The latter answered the description of one of the thugs, but he refused to give any account of himself.

STRUCK A GUY WIRE.

Hence Suit by F. J. Senior Against
Utah Light and Railway Co.

A suit has been filed in the district court by F. J. Senior against the Utah Light & Railway company to recover \$5,237.25 as damages for injuries to plaintiff and his horse and buggy, alleged to have been caused by coming into contact with a guy wire, which caused the horse to rear and throw the buggy overboard. The plaintiff alleges that on the night of Oct. 1, 1905 he was driving on the Indiana avenue when his horse ran against the guy wire which, it is claimed, was improperly suspended. The animal became frightened and ran away, overturning the buggy and injuring plaintiff, and also his horse and buggy. In the sum stated above.

HELP FOR THE JEWS.

Russian Sufferers to be Relieved by
Local Subscriptions.

Rabbi Freund gave an interesting lecture last night in the Jewish temple on the Russian situation, in which he made a strong plea for financial assistance to the speaker troubled Jew in Russia. The speaker appealed to his Hebrew listeners to not forget that they are of the same race and religion and that the Russian Jew is being massacred because of his religion. A business meeting was held following the lecture, when it was decided to call upon Salt Lake Hebrews for subscriptions in aid of the Jews in Russian distress. Rabbi Freund stated that he had received word from Odessa that a substantial sum had been subscribed there by the local Hebrews. Attention was called to the fact that

TEACHERS ORGANIZE.

Recommendation That They Support
Association, Bears Fruit.

The recommendation given by Supt. Christensen at the last meeting of the city teachers at the Lafayette, that the city teachers should support their organization, has already borne fruit. A very spirited meeting was held last Wednesday afternoon at which effect for the coming year were elected. Miss Frances Quattrone of the High school will fill the position of president, and Mr. Garrett, from the same school, will be the vice president. The other officers are as follows: Secretary, Miss Crabbe; Treasurer, Mr. Kesler; executive committee, Mrs. Shepherd, Mrs. Frobes and Miss Arnold.

The organization purposes the advancement of school affairs in the city, the spread of a healthy spirit of education, and the protection of the mutual interests of child, parent and teacher.

At this meeting it was decided to take no immediate steps toward procuring a new building for the city teachers' association, as heretofore announced. It was thought feasible to secure the services of some eminent interpreter, but sufficient financial support has not yet been secured.

Miss Youngberg has accepted a regular position at the Emerson.

The regular bi-weekly session of the Eighth grade literary association of the Washington was held yesterday. Interesting papers and talks were given. Responsibility Denied.

Assistant City Attorney Brumel has filed an answer for the city to the complaint of Harry F. Taylor, who is suing for \$6,000 damages for injuries received by being thrown from his bicycle while riding on the sidewalk on Fourth West street, on April 18, 1905. The city denies that it is responsible for the accident and claims that plaintiff was using the sidewalk for an unreasonable purpose and that he knowingly rode his bicycle against the rock which caused the accident. It is further alleged by the city that the plaintiff removed the rock before defendant or its employee had an opportunity to examine the scene of the accident or to make any investigations whatever.

COURT NOTES.

OLD FASHIONED FARE

Hot Biscuits, Griddle-Cakes, Pies and Puddings.

The food that made the fathers strong is sometimes unfit for the children under the new conditions that our changing civilization is constantly bringing in. One of Mr. Bryan's neighbors in the great state of Nebraska writes: "I was raised in the South, where hot biscuits, griddle-cakes, pies and puddings are eaten at almost every meal, and by the time I located in Nebraska I found myself a sufferer from indigestion and its attendant ill-effects and pains after meals, and almost constant headache, dull, heavy sleepiness by day and sleeplessness at night, loss of flesh, impaired memory, etc., etc."

"It was rapidly becoming incapacitated for business, when a valued friend suggested a change in my diet, the abandonment of heavy, rich stuff and the use of Grape-Nuts food. I followed the good advice and shall never be thankful that I did so."

"Whatever may be the experience of others, the beneficial effects of the change were apparent in my case almost immediately. My stomach, which had rejected other food for so long, took to Grape-Nuts most kindly; in a day or two my headache was gone. I began to sleep healthfully and before a week was out the scales showed that my lost weight was coming back. My memory was restored with the renewed vigor that I felt in body and mind. For three years now Grape-Nuts food has kept me in prime condition, and I propose it shall be for the rest of my days."

And by the way, my 24 year old baby is as fond of Grape-Nuts as I am, always insists on having it. It keeps her as healthy and hearty as they make them. Name given by Postum Co., Battle Creek, Mich. There's a reason. Read the little book "The Road to Wellville" in pkgs.

THE RICH AND THE POOR— ALL ARE VICTIMS OF CATARRH.

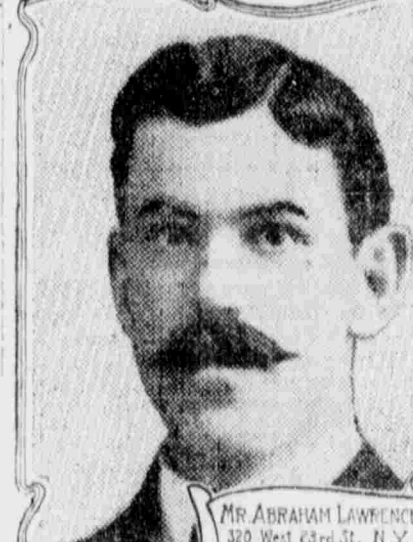

The Power of Per-u-na in Combating This Disease Has the Admiration of the World.

All men, even strong ones, may become victims of catarrh. Catarrh may affect any organ—the head, nose or throat, as well as the stomach or kidneys.

In summer the digestive organs are most commonly affected. In winter the respiratory organs fall victims to catarrh. Catarrh sometimes commences with a cold which fattens itself upon the mucous membranes of the body.

Then it develops into catarrh and the patient begins to sneeze, cough and ache. He loses his appetite, he is tired and his sleep is not as refreshing as it used to be.

Per-u-na is especially intended for the relief of these catarrhal affections.

A Letter to Suffering Humanity.

Mr. Abraham Lawrence, 320 West 43rd St. N.Y. writes: "Permit me to add my testimony to the thousands you must already have concerning the truly wonderful properties of Per-u-na."

"While working at my calling, which is that of a painter, my stomach became out of order and I suffered dreadfully from headaches."

"Every day was the same. I continued to suffer until finally I was compelled to give up my position."

"I suffered remedy at hand was tried, but I still suffered."

"In my agony I thought of Per-u-na, though I had little faith that it or anything else would relieve me, as I still had a touch of an old case of catarrh in my system."

from John H. Wiechert; Rose Weber from Otto Weber.

County Horticultural Inspector John P. Sorenson has put in a claim for damages against the city for injuries to his house, which was used as a polling place on election day, in addition to the regular rental for the place.
