

EVENING NEWS.

Thursday, November 1, 1906.

FRAGMENTS.

The November number of the *Contributor*, the first of a new volume, was issued from the press today.

District Attorney Peters has not been back from Provo, where he has been engaged in the First District Court.

Each voter in Utah who endorses and upholds free government will cast his ballot for Hon. John T. Caine on Tuesday next.

Marshall Dyer left for New York last evening. He will witness an election in Gotham before he turns his face westward.

No reply has yet been received to the message asking information regarding the death of Elder Pugmire, in the Southern States.

The heavy rain prevented a large audience from attending M'He Rhea's closing performance in the Grand Opera House last night, but it was a splendid presentation throughout.

Robert Green was arrested today for drunkenness. When found by the police he was lying at full length on his back in the mud, of an alley leading off Commercial Street.

The entertainment for the benefit of the choir, in the Nineteenth Ward, will be given this evening. The program has been excellently arranged, and the house will doubtless be crowded.

The election fever runs higher daily. The interest in the national contest will likely draw out a full vote in Utah, when all who desire the overthrow of the opponents of free government should vote for Hon. John T. Caine.

Yesterday afternoon, before Judge Iyer, the grand jury charge against Margaret Vandenberg, Richard Williams and J. H. Crow was dismissed, owing to the absence of the prosecuting witness, Mr. Draper.

Yesterday M. H. Smith, who has fled from Southern Utah, was released from the penitentiary on a pardon granted by Governor West. Smith was convicted, in 1888, of grand larceny, and sentenced to a term which had almost expired.

One feature which aids in placing politicians at sea regarding the outcome in New York, is the unusually heavy registration in New York City. This year it is 280,000 and more than in 1884, and it is a matter of uncertainty as to which way the bulk of this increase will vote.

A HOUSE-PAINTER, who has been given to swallowing too liberally of intoxicants, was brought before Justice Iyer today on the charges of drunkenness and disturbing the peace. The distant part of the offense was owing to the painter's having beaten his wife and "raised Ned in general." The accused pleaded guilty to having been intoxicated, but didn't remember anything about his little wife which his wife asserted and taken place in order to procure witnesses in the case, the trial was postponed till 4 p.m.

Milo J. Rusk, the soldier who made himself nuisance in a First East Street store on Tuesday evening, was arraigned in Justice Iyer's court today. When the offense was explained to him, he replied that he did not remember anything about the evening's occurrence. The reason given for this was that he had been drinking all afternoon and was largely under the influence of liquor. The proof against him at the trial was conclusive as to the offense charged, and a verdict of guilty was rendered. He will be sentenced at 2 p.m. tomorrow.

Surrendered Himself.
Yesterday Abraham Zundell, of Willard, Box Elder County, came to Ogden and surrendered himself to the officers. Mr. Zundell had been informed that he was wanted on a charge of unlawful cohabitation, and so gave himself up. He was placed under \$1000 bonds to await the action of the grand jury.

A Word from Arizona.
In a letter, dated October 29, to a gentleman in this city, Mr. J. P. Lee says of Thatcher, Arizona: "This place has been visited with heavy rains lately, but there is no frost yet. Our climate is very fine. We still have green corn, melons, summer squash, tomatoes, etc."

M. I. A.
Last evening the Young Men's Mutual Improvement Association of the Eighteenth Ward held its annual election, resulting in the choice of the following officers: President, H. M. Wells; counselors, B. S. Young and F. E. Barker; secretary, W. O. Bridges; assistant secretary, Orville Morris; treasurer, John Nicholson, Jr.; choir leader, H. G. Whitney. Meetings will be held every Wednesday evening, commencing at 7:30 o'clock.

First District Court.

Proceedings at Provo before Judge Judd:

United States vs. Orlando Herrou; adultery: withdrawal plea of guilty and entered a plea of guilty; sentence set for Nov. 10.

United States vs. Lucia Herrou; fornication: plea of guilty; sentence suspended.

United States vs. Wm. Christensen; unlawful cohabitation: plea of guilty; sentence set for Nov. 10.

James Meilor, Jr., John Cox and Thomas Cooper: unlawful cohabitation: did not appear on time and their bonds were forfeited.

People vs. John N. Johnson; case called witness in Argyle; not present and the court fined him \$10 for contempt.

Theo. vs. Chas. Hyde; grand larceny: to plead Nov. 1st.

United States vs. Wm. Webb; adultery: trial; jury returned a verdict of guilty; sentence set for Nov. 10.

People vs. John W. Jensen; assault with intent to commit a rape: the defendant, a boy of sixteen, was charged with assaulting Filda Edmondson at Spanish Fork on the 21st of July, last. The defense attempted to prove an alibi.

Proceedings on Wednesday:

United States vs. Soren Harmer; unlawful cohabitation: plea of not guilty withdrawn; plea of guilty entered; sentence set for Nov. 10.

United States vs. Lucius Whiting; unlawful cohabitation: trial; the testimony was brief, and a verdict of not guilty was rendered by order of the court.

United States vs. Byron W. Brown; perjury: the defendant was summoned a year ago to serve on the grand jury in this district, and in answer to the questions of Mr. Evans, stated that he did not believe in polygamy. It is claimed by the prosecution that the defendant has since then affirmed his belief in that principle. This is the whole of the case, but it took nearly all day to get in the evidence. The trial is in progress.

United States vs. Chas. Frampton; adultery: sentenced to nine months in the penitentiary.

People vs. John W. Jensen; assault with intent to commit rape: the jury found a verdict of guilty of assault; sentence, thirty days imprisonment.

People vs. Fred Brown; grand larceny: sentence, eighteen months imprisonment.

ADDRESS TO THE PEOPLE.

The People's Party to Come to the Front in Solid Phalanx.

NO DIVISION ON NATIONAL ISSUES.

But the Party Remains Intact for the Triumph of Local Self-Government.

HEADQUARTERS TERRITORIAL CENTRAL COMMITTEE OF THE PEOPLE'S PARTY.

SALT LAKE CITY, October, 1888.

To the County Central Committees of the People's Party:

Gentlemen: As the time is approaching for the election of a Delegate to Congress, we deem it wise and proper to address you briefly on the political situation in this Territory.

The People's Party stands upon the platform of principles which has sustained it heretofore. They are founded in the fundamental truths that underlie our national system. They are:

1. **UNFRACTIONAL AND UNPARTISAN.** We see no reason to turn from them or to make any change in the character or name of the organization which has successfully maintained them for many years. The People's Party is intact, and should be preserved in its integrity until the people of Utah have obtained their full rights and privileges as American citizens. There is ample room upon its platform for every citizen of Utah who venerates the Constitution of our country and is willing to obey its laws made in pursuance thereof, and who desires the triumph of local self-government, no matter what may be his opinion or affiliations upon national issues. It is a party of the people and for the people, and is devoted to the people's interests.

2. **There is no need for any voter who wishes for the welfare of the Territory to separate himself from the People's Party in order to work for national purposes.** Indeed such course

WOULD BE DETRIMENTAL to local interests, while it would accomplish nothing in the broader political arena.

In past contests our strength has been in our unity. We have not been divided. The alleged branches of the national parties in this Territory have each resolved and proclaimed that they will not act on party lines, but will work under the name of "Liberty" against the People's Party. They set forth in their platforms the same principles as the People's Party, and claim to be in cooperation with their tried and true friends, in the face of

COMBINED HOSTILITY against them. Such division would, perhaps, not materially affect the result in the election for Delegate to Congress, but might become disastrous when local issues in the counties and cities shall be at stake. In our opinion the time has not come for the people of Utah to organize under any other name than the People's Party, and to separate themselves from the party under which they have heretofore fought their political battles and achieved a succession of signal victories.

By order of the Territorial Central Committee.

JOHN R. WINDER, Chairman.

ELIAS A. SMITH, Secretary.

Returned From the East.

Mr. G. T. Odell, of the Co-op-Wagon & Machine Co., accompanied by his wife, has just returned from a thirty days' trip to the east, on business and pleasure combined, which was both successful and enjoyable. While absent, Mr. Odell effected arrangements with the F. C. Austin Manufacturing Co., of Chicago, to take the exclusive agency for this Territory and Southern Idaho, of the well known machinery manufactured by them, which is conceded to be the best in the market, and which is adapted for boring through all the various formations found in this region. This machine is likely to prove a potent factor in the development of the agricultural resources of the country. No less than six have been already disposed of, and Mr. Odell goes to Sanpete tomorrow to superintend the operation of two of them which he has just shipped to that valley.

A Bingham Case.

An Italian named Gardella was brought from Bingham last evening, on a charge of assault with a deadly weapon. He is accused of having gone to the house of a Mr. Julian in Bingham, and that gentleman being absent, he pointed a pistol at Mrs. Julian. The case was set for hearing 10 a.m. today, before U. S. Commissioner Henry, but as there were doubts as to the Italian's sanity, the examination was postponed till the County Court could have the case considered by competent medical authorities, with a view to deciding upon Gardella's mental condition.

Arrests in Idaho.

News comes from Blackfoot, Idaho, that H. M. Bennett, C. J. Bassett, R. J. Hays, Joseph Pinkham, George P. Wheeler, Wm. E. Wheeler, E. S. Whitner and N. J. Franklin were arrested yesterday by United States Marshal Baird. These are all prominent anti-Mormon men, and it is understood the charges against them is intimidation of voters. The complaints were made by the Assistant United States Attorney, J. E. Smith.

Dog Show.

On Saturday afternoon next, Prof. Norris will give a unique entertainment in the Theatre, consisting of an exhibition of the intelligence of twenty-five dogs trained by him. The matinee will be particularly pleasing to ladies and children, as the remarkable results attained by the Professor in training his dogs are very interesting to witness. Prices of admission: Children 25 cents, adults 50 cents, to any part of the house.

Third District Court.

Proceedings before Judge Boreman today:

Annie C. Clawson vs. John R. Clawson; decree of divorce on the ground of habitual drunkenness.

M. H. Beardsley vs. Wm. H. Kimball et al.; on trial before the court.

H. C. Chambers vs. George E. Chandler, admr.; referred to Chas. S. Zime to try and report findings.

The Immigrants.

The following dispatch was received from New York yesterday, from W. P. Gibson: "The Wisconsin company, in charge of Elder Quigley, left for their destinations today, via Norfolk and the Union Pacific. All well."

Arrest at Logan.

N. A. Lundquist was before Commissioner Goodwin, at Logan, on Friday last, on a charge of unlawful cohabitation. The result of the examination was that he was placed under \$1000 bonds to await the action of the grand jury.

Discharged.

The trial of F. F. Raymond, on two charges of petit larceny, ended in the Police Court today, the accused being discharged because of insufficient evidence. The testimony developed considerable apparent "crookedness," but was not strong enough to warrant a conviction.

Box Elder Stake Conference.

The Quarterly Conference of the Box Elder Stake was held in the Tabernacle, Brigham City, October 28th and 29th, President Rudger Clawson presiding.

The Presidency of the Stake, Apostle Lorenzo Snow, members of the High Council, Patriarchs, Bishops of the various wards, and others were present on the stand.

The meetings were largely attended, and a spirit of peace and union prevailed.

The charge from Saturday and Sunday to Sunday and Monday appears to work well here and gives general satisfaction.

The speakers who occupied the time during the first day were Bishop G. A. Willard; Bishop P. C. Jensen, of Mantua; Elder Samuel G. National party member, but every interest and indication urge the necessity of closer union and more determined action as the party of the people.

At the Territorial Convention, Hon. John T. Caine, our faithful and efficient Delegate to Congress, was renominated by acclamation. Let the voters of Utah imitate their representatives in Utah in the unanimous support of the nominee of the People's Party, and avoiding all dissensions and attachments that would tend to separate the party under which they have heretofore fought their political battles and achieved a succession of signal victories.

By order of the Territorial Central Committee.

JOHN R. WINDER, Chairman.
