TALK OF THE TOWN.

St. Patrick's Day to-morrow.

The weather has cleared up again.

The "Pirates of Penzance" is immense.

The "Royal Middy" at the Theatre to-night.

Messrs. William Van Dyke and R. Ballantyne, of Ogden, are in town.

A new dramatic company is being formed in this city. H. W. Cole, manager.

Hadley D. Johnson, Esq., has returned from his eastern trip and is among us once more.

The U. P. was late again last night—over an hour and a half. The Utah Central waited for it.

Hon. A. K. Thurber, of Richfield, is in Salt Lake on business. He will return south in a few days.

The *Contributor* for March is out to-day, but reached us too late to receive an extended notice.

The hearing in the Frazier bigamy case, mentioned the other evening as having been continued until to-day, has again been deferred until 2 p. m. to-morrow.

John A. Stevens, the actor, supported by Miss Lottie Church and a full dramatic company, will produce "Unknown," at the Theatre on the 23d and 24th insts.

By special request, "H. M. S. Pinafore" will be played by the Melville Opera Troupe, on Saturday afternoon, as a matinee. Miss Emelie Melville as "Josephine."

A piece of brown paper, carried up, up, up, out of sight, by a whirlwind, from the Emporium Corner, early this afternoon, was the cynosure of public gaze as long as it remained visible.

The ball given last evening at the Continental, by the employes of Major and Mrs. G. S. Erb, was a fine affair. The music was first-class, the company congenial, and the supper elegant. It did credit to all connected with it.

The new steps in front of the Theatre are a great improvement, being of a "milder declivity" and in every way more convenient than the former set. With the new door on the east, they were duly appreciated by last night's retiring audience.

A Gentile gentleman, writing from Lexington, Missouri, to a friend in this city, expresses himself thusly on Eli H. Murray: "Murray has made an ass of himself. His course is approved by nobody. I know him for a conceited coxcomb. When I last saw him, he was in a dressing-gown, slippers and smoking-cap, whittling a finger ring out of a gutta percha button." Found his true sphere.

LOCAL AND OTHER MATTERS.

Fillmore Items.—Brother J. D. Smith writes from Fillmore, and we glean as follows:

Two feet of snow have fallen there in the last five days, with much more in the mountains. Prospects for water the coming summer are quite favorable.

The people are generally on the improve. Meetings are well attended. One of the best conferences ever held in Fillmore has just closed. Good feelings were manifested by all who spoke, and every Ward was represented as in better condition than usual. Tithing and Temple funds in a prosperous condition.

Probably Fatal.—A man named Greve, while employed on the Utah Southern Extension gravel beds, in the vicinity of Lemington, yesterday afternoon, met with a serious mishap in the caving in of the bank under which he was at work. He was buried under the debris, but was rescued before life was extinct. It was found that one of his legs was broken and he was otherwise badly bruised. He was taken to Provo for treatment of Dr. Pike, but the latter preferring assistance in the case, sent to Dr. Richards of this city. A special train was dispatched and Dr. Pike and his patient arrived here last evening. The latter was conveyed to St. Mark's Hospital where he now lies, at last accounts in a very precarious condition. Indeed, it is more than likely that he is dead, or that he will die before another sunrise. No hope has been entertained for him from the first, all the physicians felt that they could do was to alleviate his sufferings. His head was found to be hurt seriously, in addition to the injuries above named. Dr. Pike went back to Provo this morning.

The "Pirates."—A very large audience gathered to witness the opening of the Melville operatic season last night at the Theatre. The prestige gained by this company elsewhere and the reputation of the "Pirates of Penzance" were fully sustained by the performance, and the audience dispersed feeling amply repaid for attending. This opera, like its eldest sister "Pinafore," is written in two acts and is of similar length to the other. It abounds in comic situations, is full of vim and energy, wit and humor, and set to delightful music. The actors are well suited to the characters they represent, most of which are fine caricatures on English life and manners, and are the media for some most exquisite strokes of satire on humanity in general. Miss Melville, of course, was the star and principal attraction. She is a charming actress and beautiful singer. Her "Mabel" delighted everybody. Mr. Hatch, as "Frederick," did fairly as an actor and excellently as a singer. His voice, though not the most voluminous, is sweet and plaintive and calculated to please. Mr. Freeman as the "Major-General" was immense, as was Mr. Casselli in the eccentric role of the "Sergeant of Police." Their comicalities vied with each other from the moment they came together and kept the house in a continual effervescence of laughter and applause. Mr. Henderson who enacted the pirate chief, was very good in his role, and sang the basso very effectively. Mr. Valerga and Mesdames Kate Valerga, Lillie Post, Lottie Stockmeyer and Tillie Valerga, all appeared to advantage. Nor should the police squad and the pirate chorus be forgotten. All played their parts very acceptably, and left but little room for improvement. The orchestral music, under the direction of Mr. J. H. Dohrman, was truly fine, and contributed much to the success of the opera and the public enjoyment. We hope the "Pirates of Penzance" will be repeated. To-night the "Royal Middy" takes the stage.

Wedded.—Shortly after eight o'clock last evening, Miss Georgie Clawson, of this city, and Mr. James E. Foote, of Ogden, were united in the bonds of matrimony by Judge Elias Smith, the ceremony taking place at Gen. H. B. Clawson's residence, where a large number of relatives and friends had gathered in honor of the occasion. Hearty congratulations from all present were showered upon the happy pair, and their presents, tastefully displayed, were varied and beautiful. After a short speech from the bride's father, a substantial supper was partaken of and the remainder of the time, until about 11 o'clock, was pleasantly spent in conversation, music, etc., when the guests took their departure with many good wishes for the health and happiness of the wedded couple.

New Dramatic Company.—We are informed by Mr. H. W. Cole that Mr. John Lindsay, the well known and favorite actor, who returned a short time ago, from a successful trip through California, has about consented to remain in this city for the season, and become one of a dramatic combination which has been formed here for the purpose of supporting any "stars" or theatrical people who may pass through the Territory and who would, if they could be supported, play in Salt Lake for a season. The new company is said to be a strong one, containing a number of Salt Lake favorites and several new faces, which will be an additional attraction. They propose to put one piece on about the 31st of this month. Mr. H. W. Cole will be the manager of the new company.

Strikers Arrested.—The following special to the NEWS was received at 1.15 p. m. to-day:

Silver Reef, March 16, 1881.

Deputy U. S. Marshal Pratt and Sheriff Hardy, with their respective *posses*, entered Silver Reef this morning at 10 o'clock and arrested all the officers and leaders of the Miners' Union. They are all under indictment by the grand jury. There was no resistance offered. Among those arrested were Lewis, president; Edwards, vice president; Glanville, secretary; Hanley, Taggert, Chattam, Enright, Gleason, and about 12 others. Saloons are all closed and business is generally suspended. All quiet.

Arrived.—Harper's *Weekly*, Leslie's *Illustrated*, *Puck*, Harper's *Young People*, Harper's *Magazine*, etc., etc., are on hand at Dwyer's. *Puck's* cartoons are brilliant and suggestive, and strike heavy blows at political and religious humbugs. Harper's *Magazine* contains many very interesting papers, among them "Indian Education at Hampton and Carlisle," and is beautifully and artistically illustrated.

A CARD OF THANKS.

We, the undersigned, hereby tender our heartfelt thanks to all who assisted in the funeral services on the 14th inst. of Elder Samuel L. Evans, First Counselor to the Bishop of the Sixth Ward, for their kindness and sympathy; to Bishop Joseph Pollard, of the Fifteenth Ward, where the services were held; to those who furnished carriages; and to all who contributed to make the ceremonies worthy of the occasion, and of our departed brother, who has gone to his rest after a long career of faithfulness in the Church of Christ.

The People's World-Wide Verdict.

DURNO'S CATARRH SNUFF cures Catarrh and all affections of the mucous membrane. (1)

Various Causes,

Advancing years, care, sickness, disappointed, and hereditary predisposition—all operate to turn the hair gray, and either of them inclines it to shed prematurely. AYER'S HAIR VIGOR will restore faded or gray, light or red hair to a rich brown or deep black, as may be desired. It softens and cleanses the scalp, giving it a healthy action. It removes and cures dandruff and humors. By its use falling hair is checked, and a new growth will be produced in all cases where the follicles are not destroyed or the glands decayed. Its effects are beautifully shown on brushy, weak, or sickly hair, on which a few applications will produce the gloss and freshness of youth. Harmless and sure in its operation, it is incomparable as a dressing, and is especially valued for the soft lustre and richness of tone it imparts. It contains neither oil nor dye, and will not soil or color white cambric; yet it lasts long on the hair, and keeps it fresh and vigorous. 3dsw

HEALTH AND HAPPINESS.

It seems strange that anyone will suffer from the many derangements brought on by an impure condition of the blood, when SCOVILL'S BLOOD AND LIVER SYRUP will restore perfect health to the physical organization. It is indeed a strengthening syrup, pleasant to take, and has proven itself to be the best blood purifier ever discovered, effectually curing Scrofula, Weakness of the Kidneys, all Nervous disorders and Debility. It corrects indigestion. It makes the old feel young, and the young feel gay; and will invariably drive out of the system the many ills that human flesh is heir to. A single bottle will prove to you its merits as a health renewer, for it acts like a charm, especially when the complaint is of an exhaustive nature, having a tendency to lessen the natural vigor of the brain and nervous system. A TOUCHING DEATH-BED SCENE.

"Oh, if I had only received it before, I am confident it would have cured me." These impressive words were spoken by a gentlemen in the last stages of Consumption, who, on his death-bed, had received a bottle HALE'S HONEY OF HOREHOUND AND TAR, and had taken only a part of it, when he found he could breathe with almost perfect ease; his cough had left him, but not having commenced the article in time, his constitution was broken, and he had not sufficient strength left to overcome the disease. Therefore, the public will see the necessity of keeping this article constantly in the house, ready for immediate use, as it is a *certain* cure for all Coughs, Colds, Hoarseness, Difficult Breathing, and all Affections of the Throat, Bronchial Tubes and Lungs, leading to consumption. Sold by all druggists, and at Crittenton's Central Medicine Warehouse, 7 Sixth Avenue, New York City, at 50 cents and $1. Great saving by purchasing large size.
