

FIFTEEN INNINGS AT WALKER'S FIELD.

The Pleasing Feature is that it
Was Won by Our Own
Team.

WAS A HARD FOUGHT BATTLE.

But the Local Bunch Managed Finally
To Land the Run That Won
The Contest.

That was a great ball game at Walker's yesterday afternoon, and the heat of it is that we won. Two games in succession.

It was a great game because about everything known to baseball, with the exception of killing the umpire, was mixed up in it. Long drives, singles, doubles and triples, good and bad fielding with a total of ten errors during the fifteen innings, about tells the story.

But we won.

In the fourth the score was tied. This was not a home on Wright's error. Baro sacrificed and Hastings went out. With two men on base scored Fuller. Castleton hit for two and Clark was passed to first. Carney made two errors and three runs came in.

In the seventh Salt Lake tied things up. Carney, O'Brien and Wright hit safely. Carney got life on fielder's choice and four runs came in as a result of hits from Leahy and Mead. In the eighth there was another tie up, each side scoring. Things went along nicely until the fourteenth. Then the fifteenth Hastings hit, not second on a wild pitch and put himself in and came home on Hastings' error. Carney came out. Hastings got a walk. Clark sent him to third with a hit and he came home when Carney dropped Hastings' fly. Then came our turn. Stickey and Carney hit safely and took a base each on O'Brien's sacrifice. Wright got a pass and fully satisfied a fly to Hastings, who let it through. Two runs came in as a result. Hastings got to second. Carney came out and sent a fly to Hastings, who let it through. Two runs came in as a result. Hastings got to second. Carney came out and sent a fly to Hastings, who let it through. Two runs came in as a result.

Freeman Bassett umpired the game and did well. Thornton and Castleton did the pitching and both worked well. The detailed score follows:
